Detailed CV

A nomination letter from the Member Organisation they belong to. If that is not possible the Member Organisation, of which the candidate is from, must provide an explanation for the rejection of nomination and the possible candidate has the right to provide a letter of justification.

Reason

We believe the Financial Control and Advisory Committee and the Ecosprinter Editorial Board to be two central and important structures of our federation, and for that reason we think they should have a candidacy procedure that ressembles that of EC members. That is why we present to include a nomination letter from their MO in the procedure.
