R9 A1: East Shield – Protecting Eastern European Countries and the EU Border

Proposers Jong Groen

Motion text

From line 8 to 10:

The Kremlin continues to destabilise the region, most recently by ~~engineering migrant~~instrumentalising migrants and refugees to engineer a border crises and provoking armed incidents. The threat is no longer theoretical — it is a lived reality for millions along the EU's eastern

Reason

While the Kremlin and its allies stress Europe's eastern border as a strategy, migrants and refugees remain vulnerable to both the Kremlin's sinister tactics and the violent pushbacks they face from European and EU member states.
