

C2-049-2 to Time to expand the right to vote

Antragsteller*innen: DWARS, GroenLinkse Jongeren (decided on: 05/25/2017)

Text

Insert from line 49 to 52:

1. that all countries in the European Union lower their voting age in the European election to 15 years for non-males and 16 years for males.

2. that all countries in the European Union lower the age limit to run for the European parliament to 15 years for non-males and 16 years for males.

Insert in line 55:

to 15 years for non-males and 16 years for males in all member states.

Reason

The brains (prefrontal cortex) of non-males are developing faster at this age ;).
