Ostra Ziele? (Polish Young Greens)

Motion text

From line 104 to 106:

The general assembly is composed of one or two delegates per full MO and one delegate from each candidate and observer organisation. ~~Each full MO has two voting rights at the GA if the membership fee~~ The maximum age of delegates is paid 30 years old. ~~(cf. In a justified case, when the organisation is unable to find delegates within the age limit, they can send older delegate aged 31-35. 1.1.5, 5~~ Written explanation of their situation has to be published for all other delegates. 2)
Each full MO has two voting rights at the GA if the membership fee is paid. (cf. 1.1.5, 5.2)

Reason

FYEG should promote participation of younger members in its most important event as much as it is possible. However, MOs that are struggling and have trouble to find suitable delegate should not be excluded from decision making process.
