I2 A2: Internal Rules of Procedures

Proposers Executive committee

Motion text

From line 17 to 19:

~~One can not be a candidate MO for more than 3 years without applying for full membership. After 3 years,~~ **A candidate MO must wait 2 years before applying for full membership, but must apply for full membership latest at the GA 3 years after it was granted its candidate MO status. If the candidate MO is not applying for full membership in the third year of candidate membership,** the EC can propose the suspension or exclusion of the candidate MO.

Reason

Right now the IRPs only state how long a candidate member organisation can MAXIMUM be a member, but it says nothing about how long it needs to be one (in practice, it's a year because they can earliest apply for full membership at the following GA). We want to change the candidate membership to two years.
