Motion text

From line 17 to 19:

~~One can not be a candidate MO for more than 3 years without applying for full membership. After 3 years,~~ A candidate MO must wait 2 years before applying for full membership, but must apply for full membership latest at the GA 3 years after it was granted its candidate MO status. If the candidate MO is not applying for full membership in the third year of candidate membership, the EC can propose the suspension or exclusion of the candidate MO.

Reason

Right now the IRPs only state how long a candidate member organisation can MAXIMUM be a member, but it says nothing about how long it needs to be one (in practice, it's a year because they can earliest apply for full membership at the following GA). We want to change the candidate membership to two years.
