I2 A12: Internal Rules of Procedures

Proposers FYEG Executive Committee

Motion text

From line 308 to 309:

The Secretary General is elected for a ~~two~~three year mandate at the GA. (cf. 3.4) For requirements for the application cf. 7.2.3.

Reason

A two-year mandate is a short time for such an important position that oversees the office and works directly with the EC. Extending to three years will allow the Secretary General to become well aquainted with the role and also provides more stability for a person employed by FYEG.
