ECOSPRINTER EDITORIAL BOARD – MOTIVATION LETTER

Dear General Assembly, dear Member Organizations,

I would like to present my interest and motivation for a position on the Ecosprinter Editorial Board.

My name is Mia and I am from Zagreb, the capital of Croatia. Having graduated with an MA in English and French Studies at the University of Zagreb, I am hoping to continue my journey in an international and multicultural field of work.

As a language student, I have been able to work creatively on many projects involving editing. I was a member of the English Students' Club X.a and participated as a member of the Organizing Committee of our annual Conference on English Studies in 2017, 2019, and 2020. I was also editor-in-chief for the 2019 conference proceedings and a member of the editorial board on another two occasions. I worked as a proofreader and editor for several other student publications, both in English and French.

I have been active with the Forum for Sustainable Development Green Window, a member of the Cooperation and Development Network Eastern Europe, since early 2020. Our organization is actively involved in promoting green policies and ideas in Croatia, as well as working to engage young people in discussions of important topics. Before I became a member of the Forum, I participated in the European Green Activists Training in 2019, organized in collaboration with GEF, which was a pivotal moment for me in learning about green policies and topics. Since then, I have attended different workshops and conferences, mostly focusing on sustainable development and activism, which have all had a great impact on my personal and professional growth.

I am certain that contributing to the work of Ecosprinter and FYEG would be an amazing and enriching experience. It would allow me to learn more about EU and green topics which are significant for the present, as well as the future. Active participation in the discussion of these topics would be a great way to deepen my knowledge, form new ideas, develop my communication skills, and have fun. Meeting new people who share my ideas and those with different points of view would be another wonderful part of this experience. Teamwork, adaptability, responsibility, as well as communication, and problem-solving are skills I am constantly working on and that will be of great importance in a working environment such as this.

Thank you very much for taking the time to consider my application. I am looking forward to seeing what the future holds for Ecosprinter and FYEG, and I hope to spend some of that time with you!

All the best,
Mia Uremović
