Political Platform text

Insert from line 705 to 706:

Europe must phase out all fossil fuels, starting with coal and fracked gas, especially from authoritarian regimes who are violating basic Human Rights, for example, Russia, (see Glossary 68), which must be phased out in Europe by 2027 at the latest. Fossil

Reason

Well, it is quite self-explanatory, but Protests strongly believes that funding regimes who are violating human rights by buying their fossil fuels is just unacceptable
