PP1 A4

Political Platform

Proposer: Protests

Title: **PP1 A4: Political Platform**

Political Platform text

Insert from line 821 to 823:

assessments for and by public institutions, concerning all risks to consumers, farmers, and the environment, prior to authorisation. FYEG believes that the EU should regulate and stimulate the creation of open-source GMO seeds. FYEG believes that heirloom seeds and the development of agroecology represent a better solution to

Reason

Protests believes that this is a way how to reduce the dependence on multinational corporations, like Bayer.
