Political Platform text

From line 496 to 498:

A stronger EU requires a real EU budget. The EU budget should be substantially increased, in particular by **giving** **the** ~~**creation of new**~~ **EU its power to levy taxes for its** [Space]“own resources” (see Glossary 116) such as a European kerosene (see Glossary 96) tax, a carbon tax (see

Reason

We wish to explicitly and systematically give the EU its power to levy its own taxes so they do not have to regularly ask permission from Member States to levy such taxes.
