PP1 A15

Political Platform

Proposer: Jong Groen, DWARS

Title: **PP1 A15: Political Platform**

Political Platform text

Insert from line 1451 to 1452:

We need higher taxation for property purchases that exceed individual needs**,** **particularly second and subsequent residences**. We also need better rental rights for people who cannot afford to buy a house and

Reason

We would like to explicitly mention second and subsequent residences because they are one of the important drivers of the housing crisis. This also aims for a better redistribution of wealth.
