Title: **PP1 AA13: Political Platform**

Political Platform text

From line 1064 to 1067:

call for the economy to be structured differently. Companies that are considered too big to fail (see Glossary 164) or hold monopolies, oligopolies or create cartels must be split up. **Antitrust laws must be effectively enforced to companies with substantial market power.** Small and medium-sized enterprises (SMEs) ~~should~~must have more opportunities to run their businesses without facing the threat of multinational corporations.
