R9 A2: On solidarity with Ukraine

Proposers Ostra Ziele? – Polish Young Greens

Motion text

Insert from line 1 to 3:

Russia launched a full-scale military invasion of Ukraine on 24th February 2022, after years of hybrid aggression starting from 2014. The invasion has been widely condemned internationally, and the actions inflicted by President Vladimir Putin

Reason

Tto concretise what kind of agression Russia used. Russia attacked with weapons since 2014, as well as propaganda in media and pro-russian politicians.
