R9 A9: On solidarity with Ukraine

Proposers Jong Groen

Motion text

Insert from line 52 to 53:

conflict, to prevent an elongated period of food insecurity brought on by the war. A way to do so is to indefinitely suspend all trade duties and tariffs charged to Ukraine to help them get through the conflict and reconstruction.

Reason

We want to make a concrete measure as to how to support Ukraine economically. Tariffs are a threshold that we should breach if we want to ensure security of supply on the economic side.
