R9 A10: On solidarity with Ukraine

Proposers Working Group Democracy & Inclusion

Motion text

Insert from line 76 to 77:

humane EU asylum and migration policy with safe passage to the EU for all refugees and migrants.

From the aspect of bigger inclusion in society, we would like to suggest to European local communities and institutions opening free and official language courses for refugees from Ukraine who will be able to learn the language of the country where they are in. Language is something that people need every day and with free language courses, everyday life will become easier for refugees in European countries.

Reason

Putting these courses under institutions, it will be safer to attend these courses because they would be official.
