R9 A16: On solidarity with Ukraine

Proposers Ostra Ziele? – Polish Young Greens

Motion text

Insert from line 58 to 59:

transportation of medicines and other forms of aid. We also call for the supply of veterinarian aid and food for animals to be fairly distributed. The action must be taken to preserve the cultural heritage from destruction through military action

Reason

RF, as ussually as a part of their genocidal policy, is aiming to destroy also the cultural heritage. We think it noteworthy to call for help in preservation of it.
