R9 A17: On solidarity with Ukraine

Proposers Ostra Ziele? – Polish Young Greens

Motion text

Insert from line 46 to 47:

being burdened by citizens. At the same time, Europe must not transfer any materials for weapon production to Russia. We also call for a ban on imports of all goods from Russia.

Reason

War is financed not only from oil, gas and derivatives. Imports of other goods to the EU are still ongoing, for example in Poland the import of products in the categories of art, collectors' items and antiques exceeds the import of oil.
