R9 A19: On solidarity with Ukraine

Proposers GRÜNE JUGEND

Motion text

Delete from line 37 to 42:

justice. When these principles are compromised and lives are at risk, the international community must come together to end the conflict. ~~To this end, we call on the EU for the rapid deployment of interoperable EU military forces with the aim of peace enforcement and civilian protection, and to restore the legal borders of Ukraine with Crimea and Donbass, granted in the Budapest Memorandum in 1994.~~
