**R11 A5: No To Airport Expansions — Not in Barcelona, Not Anywhere**

**Proposers** GRÜNE JUGEND

**Motion text**

**From line 7 to 10:**

with a strategy of growth in the aviation sector that is in clear contradiction with the need for decarbonisation. ~~Once again, the~~These are consequences of our economic ~~powers~~ system and ~~elites~~policies that are based on the exploitation of people and the environment. In this system, corporations are making profit at the expense~~s~~ of our rights to live in a healthy environment.
