

## R18 A2: An ASEAN-EU future

Proposers

Swiss YG

### Motion text

#### From line 54 to 56:

3. The continued strong denouncement of authoritarianism, the breach of rule of law and human rights in the region, particularly ~~recently~~ in Myanmar, Cambodia, Laos and through Indonesia on Western New Guinea, and the continued urging for the immediate and unconditional release of

### Reason

focal points added which are often forgotten in an eurocentric view.
