R11 A6: 2% of GDP towards climate solutions

Proposers Greens of England & Wales

Motion text

Insert from line 16 to 18:

climate neutrality. Technical fixes thus cannot be the center of these investments. **The budget should be used for genuine climate positive solutions and should not be used for any green washing purposes.** National governments should think how they could invest public money towards climate solutions in the most cost-effective way, aligned with

Reason
safeguarding the use of budget to not be greenwashing
