R4 A1: A Harvest of Change: A Resolution to Reap Fairness in Agricultural Lobbying

Proposers Joves Ecosocialistes

Motion text

Insert from line 129 to 131:

- either in terms of personnel or topics. Interest groups such as environmental and consumer protection associations, and small farmers must be adequately represented and must not be given a fig leaf function.

Reason

The interest of small farmers is normally opposed to the interest of the big multinationals that own farming exploitations. Small farmers are also overlooked and their interests are not included in the main farming policy at the EU level (CAP)
