

## **R4 A2: A Harvest of Change: A Resolution to Reap Fairness in Agricultural Lobbying**

Proposers

Joves Ecosocialistes

### **Motion text**

#### **Insert after line 168:**

- Defend in front of the lobbies a Common Agricultural Policy (CAP) and a Farm to Fork Strategy which are coherent with the Green Deal and breaks down the status quo of farming industrial power. A green and just CAP and EU food strategies benefiting small and local producers are needed to protect animals, environment and climate.

### **Reason**

To include the just transition perspective and the small farmers.
