

## **R9 A2: Position yourself on digital rights!**

Proposers

FYEG EC

### **Motion text**

#### **From line 11 to 12:**

However, ~~green (and other)~~for the most part, political parties have not yet picked up digital rights as a key priority, despite it having become a core aspect of our lives

### **Reason**

Making the statement a little bit more flexible as there are no reference proving that no parties have picked up this topic.
