R9 A7: Position yourself on digital rights!

Proposers Scottish Young Greens

Motion text

From line 7 to 11:

~~There is also an increasing interest from the general public into the digital - the youth knows of the GAFAM, of the importance of personal data (GDPR), of the way they are tracked on the internet in order to be targeted with intrusive tailored ads, …~~

There is growing awareness from the public of potential infringements on our digital rights.

However, green (and other) political parties have not yet picked up digital

Reason

Rewording and restructuring for clarity and brevity.
