R14 A5: Solidarity with Ukraine for as long as necessary

Proposers Green Youth of Ukraine

Motion text

Insert after line 27:

War brings a lot of tragedy and changes to the lives of people in the country at war, destroying families and destinies.

Insert from line 35 to 36:

adoption into Russian families, placement in boarding schools, and re-education camps. Thousands of civilians have been killed during the Russian occupation, and many more have been subjected
to repressions and torture, infiltration, abduction, persecution, sexual violence, or forced deportation.

Russia practices the illegal deportation of children to the territory of Russia and temporarily occupied Crimea and forced adoption into Russian families, placement in boarding schools, and re-education in camps.
Russian troops, using
terrorist methods, have deliberately
targeted residential areas and civilian infrastructure.

Insert after line 39:

The resilience of the Ukrainian people is inspiring, a people who have been fighting for their identity and independence for more than a century.

Insert after line 42:

We highly appreciate the support and assistance to Ukraine and the Ukrainian people provided by the international community.However, as long as Ukraine does not expel the Russian army from its territory, as long as Russia's political and economic influence on Ukraine's development as a full-fledged European state continues, the Ukrainian people will not be able to overcome Moscow's imperial ambitions.

Insert after line 48:

Unfortunately, the Soviet Union lives on, and it lives on in the Russian political elite, in most of the Russian people, and unfortunately in some of the countries of the former Warsaw Pact. The international community should demand demilitarization and denuclearization of the Russian Federation to reduce the risks of future aggression. Continue to support Ukrainian war refugees, facilitate their integration into the society of the host country, and provide them with employment,
education and creating conditions for the realization of the rights of of Ukrainian refugees .

Insert after line 54:

- - unite, be more persuasive and counter Russian propaganda, defend the foundations of democracy, the rule of law and European values.

Insert after line 66:

- - Increase and accelerate political, military and humanitarian support for Ukraine

Insert after line 71:

- - To be more decisive in targeting countries and their governments, businesses, and individuals that provide military assistance to Russia or help it circumvent sanctions

Insert after line 77:

- - Intensify efforts to investigate Russia's military, political, and economic crimes in Ukraine in order to bring those responsible to justice and public scrutiny.

Insert after line 92:

- Increase the influence of European political and civil society institutions on the government and leadership of Ukraine to accelerate reforms on the path to European integration, fight corruption and economic crimes
