R5 A10: Speak Up, Speak Out: Protecting the Right to Protest

Proposers Young Greens of England and Wales

Motion text

Insert after line 66:

- Protect the right to protest, unionise and strike, and call out any attempt to legislate to the contrary as an authoritarian attempt to curtail our basic human and democratic rights.

Reason

The problem we have in Britain is that more and more anti-protest and anti-strike legislation gets passed, making awful police behaviour technically legal.
