## R5 A10: Speak Up, Speak Out: Protecting the Right to Protest

Proposers Young Greens of England and Wales

## **Motion text**

## Insert after line 66:

Protect the right to protest, unionise and strike, and call out any attempt to legislate
to the contrary as an authoritarian attempt to curtail our basic human and
democratic rights.

## Reason

The problem we have in Britain is that more and more anti-protest and anti-strike legislation gets passed, making awful police behaviour technically legal.
