- 35 The association is made up of member organisations only and has three categories
- of member organisations:
- Full members
- 38 Candidate members

- 39 Associate members
- 1.1.2. Membership criteria
- 41 Membership criteria are detailed in the Statutes.
- 42 1.1.3. Conditions of admission of candidate members
- Conditions of admission of candidate member organisations are detailed in the
- 44 Statutes.
- 45 1.1.4. Conditions of admission of full members
- 46 Conditions of admission of full member organisations are detailed in the
- Statutes.
- In addition, a candidate member organisation must apply for full membership
- latest at the General Assembly three years after it has received its candidate
- member organisation status. If the candidate member organisation does not apply
- for full membership in the third year of its candidacy, the Executive Committee
- can propose the suspension or exclusion of the candidate member organisation.
- 1.1.5. Conditions of admission of associate members
- 54 Conditions of admission of associate member organisations are detailed in the
- 55 Statutes.
- 1.1.6. Resignation of members
- 57 Conditions for the resignation of members are detailed in the Statutes.
- 58 1.1.7. Suspension of members
- 59 Conditions for the suspension of members are detailed in the Statutes.
- The Executive Committee has a right to propose the suspension of a member
- organisation to the General Assembly in the following cases (not limited to):
- no update or other contact is made between a member and the FYEG Executive
- 63 Committee between two General Assemblies,
- the member organisation doesn't fulfil one or more of the membership criteria,

- the member organisation didn't pay their membership fee,
- major changes that happened in the member organisation, which need to be investigated by the EC.
- The suspension of a member is pronounced by the General Assembly by a two-thirds majority, in line with the Status.
- The suspension of a member means that the organisation loses its voting rights.
- 71 When a member is suspended, the Executive Committee:
- 1. informs the member organisation about the suspension via an e-mail and explain the consequences
- 74 2. makes all reasonable efforts to enable the member to regain its full 75 membership
- 3. creates a report on this process and presents it at the following General Assembly.

#### 78 1.1.8. Exclusion of members

- Conditions for the exclusion of members are detailed in the Statutes.
- The Executive Committee has a right to propose the exclusion of a member
- organisation to the General Assembly. The exclusion of a member is pronounced by
- the General Assembly by a two-thirds majority. As detailed in the Status, the
- exclusion of a member is only valid if the following conditions have been met:
- the proposal for exclusion is explicitly indicated in the convocation of the
- 85 General Assembly,
- 86 the member in question was heard if they so wished,
- the assembly brings together at least two-thirds of the full members, whether they are present or represented.
- The exclusion of an MO means that this organisation is not listed as a member
- organisation anymore and hence loses all of its rights within FYEG. Following an
- exclusion, an organisation that wishes to rejoin FYEG is expected to follow the
- 92 entire membership procedure, as a new organisation would.

- The rejoining organisation is required to inform GA about changes that happened
- in their organisation since leaving FYEG and explanation of their decision about
- 95 rejoining.

## 1.1.9. Suspension and exclusion in case of non-payment of

### 97 **membership fee**

- A full member organisation that is present at the General Assembly and that has
- not paid the membership fee can not vote.
- In case a member organisation is not present at the General Assembly and has not
- paid the membership fee, the Presidency will be notified and the matter will be
- noted in the minutes of the General Assembly.
- 103 If a member organisation has not paid the membership fee for two consecutive
- years, the General Assembly will vote on a suspension.
- 105 If a member organisation has not paid the membership fee for three consecutive
- years, the General Assembly will vote on an exclusion.

### 1.1.10. Membership fee

- year's realised budget with a minimum of 50 EUR for the EU and European Economic
- Area (Iceland, Liechtenstein and Norway) and Switzerland and the United Kingdom,
- and 25 EUR for all other European countries.
- 114 By way of derogation to the previous paragraph, the General Assembly may decide,
- in duly justified cases, to lower the amount of the membership fee that a Member
- Organisation shall pay, following a recommendation of the Executive Committee.
- Requests for lowering the Membership fee shall be sent by a Member Organisation
- to the Executive Committee at the latest 2 weeks before the GA.
- Each full MO shall pay their membership fee for the running year on the first
- evening of the GA at the latest, if it has not already been transferred earlier.
- Full MOs are requested to provide their annual budget statement for the previous
- year at the latest. A document listing the amount of the membership fee paid by
- each MO and the way it has been calculated must be annexed to the financial
- report of the year in question.

### 1.1.11. Membership reviews

- The Executive Committee presents a review of the FYEG Member Organisations as

- information:

- The Member Organisations' engagement with FYEG activities during the year,
- Major changes to the Member Organisation.
- In case of major changes (change of organisations' name, split in the
- organisation, merge with another organisation, change of political affiliation,
- etc.), the Executive Committee can propose the General Assembly to vote on that
- change. The General Assembly may, among other options, take note of the change

  Presidency.

# 2.7. Participation fee

# 3. Election and Voting Procedures

## 3.1. Attendance and voting quorums

- In line with the Statutes, each Member Organisation has the right to attend the
- General Assembly. Only Full Member Organisations have voting rights and each
- Full Member Organisation has two votes.

### 312 3.1.1. Principles

307

- In line with the Statutes, the General Assembly deliberates validly only if 50 %
- + 1 of the Full Member Organisations are present or represented. The Statutes
- detail the steps to follow in case the attendance quorum is not reached.
- In line with the Statutes, in principle all decisions in FYEG are taken by a

- simple majority of votes registered for the General Assembly. When voting,
- abstention is always an option. When the vote relates to decisions concerning
- persons or Member Organisations, the ballot is always secret. The voting body
- can decide to have other voting procedures processed through secret ballot.

#### 3.1.2. Procedures

322 Definitions

- Votes registered at General Assembly the number of Member Organisations and
- their delegates who are registered for the General Assembly and have voted in
- the determination of the General Assembly quorum
- Votes cast the number of votes that were submitted.
- 327 Simple majority
- Majority of the votes cast, i.e. the number of "Yes" votes exceed the number of
- 329 "No" votes.
- Abstentions are not considered in the count.
- Examples:
- Out of 20 votes: 11 yes, 9 no, 0 abstentions: passed; 1 yes, 0 no, 19
- abstentions: passed.
- 10 yes; 10 no; 0 abstentions. not passed. 10 yes, 9 no, 1 abstention: passed.
- 335 Absolute majority
- To pass "yes" should reach the majority (half+1, or half + 0.5 in case of odd
- number) of the number of votes registered at the General Assembly.
- Note that it is number of votes registered, not number of votes cast. This means
- that if less than half of the voters are present and vote, this majority can
- never be reached.
- Examples:
- 20 voters registered: need 11 or more yes votes.

- 21 voters registered: need 11 or more yes votes.
- 22 voters registered: need 12 or more yes votes.
- 345 Simple two-thirds majority
- Two thirds of the votes cast.
- Absolute two-thirds majority
- Two thirds of the number of votes registered.
- Note that it is the number of votes registered, not the number of votes cast.
- This means that if less than two thirds of the voters are present and vote this
- majority can never be reached.
- 352 Examples:
- 20 voters: need 14 yes or more votes.
- 21 voters registered: need 14 or more yes votes.
- 22 voters registered: need 15 or more yes votes.

### 3.2. Election of candidates

### 357 3.2.1. Principles

- FYEG uses a Single Transferable Vote (STV) electoral system with a standard
- droop quota. Mathematically, this is the next integer larger than V / (n+1) when
- V =the total number of valid votes and n is the number of positions available.
- 361 Specifically recommended is the Scottish STV system.

## 3.2.2. Procedures

- The main principle is to rank all the candidates according to the voter's
- preferences for each candidate. Where 1 is the first preference 2 the second
- preference and so on.
- Voters can rank all candidates even if the number of candidates exceeds the
- number of positions. Voters can decide to not rank some of the candidates even

- if this means leaving the ballot partially blank.
- Only a completely blank ballot counts as abstention, an abstention counts under
- 370 the exception below.
- If a simple majority of all ballots cast do not rank the candidate with any
- numbers they are excluded from the election.
- 0 All ballots are inspected to determine that candidates have received a
- simple majority of any kind of ranking on cast ballots. If not, they will be
- excluded from the election.
- 1 The candidates who have reached the election quota (i.e. election threshold)
- 377 are elected.
- 2 If some positions are still available, the following process starts:
- 2a The left-over votes on candidates reaching the election threshold are
- redistributed according to second preferences, using the Single Transferable
- Vote system of distribution.
- 2b If one or more candidates have reached the election threshold, that/those
- candidate(s) are elected in order from highest to lowest vote count. The process
- then starts again from point (2).
- <sup>385</sup> 2c If no candidate reaches the threshold in this way, the candidate with the
- lowest amount of votes is removed from the election. The ballot-papers that
- ranked this candidate as their first remaining preference are redistributed
- according to their second preference. The process is then restarted (1).
- 2d If, following the calculation of the election result, one or more
- candidates is elected who is ineligible due to quota regulations, these
- candidates (who had the least number of votes) are removed from the pool of
- candidates and the entire election is recalculated. That is to say, the election
- is recalculated, and each time the ineligible candidate would have received a
- preference vote, the vote instead goes to the voter's next preference.

# 3.2.3. Exceptions

- 396 At the General Assembly:
- 397 Concerning the Executive Committee elections:

- The spokespersons and the treasurer are elected separately from the rest of the
- Executive Committee positions.
- 400 Concerning the Advisory Committee:
- The newly elected Executive Committee will present the proposed Advisory
- Committee to the General Assembly. The General Assembly ratifies the proposed
- 403 Advisory Committee by a simple majority vote.
- 404 Between General Assemblies:
- 405 Concerning the replacement of a resigned Executive Committee member:
- 406 If an Executive Committee member resigns, a new Executive Committee member can
- be elected to replace them.
- The Executive Committee will publishes a call for candidates for the vacant
- position. Candidates will be elected via an electronic vote.
- 410 Any replaced EC member will have full voting rights in the Executive Committee.

# 3.3. Electronic voting

- The Executive Committee can call for an electronic vote between General
- 413 Assemblies in urgent matters. It is the duty of the Executive Committee to
- provide enough information for the full Member Organisations to make an informed
- decision.
- Each full Member Organisation has 2 votes. When voting, abstention is always an
- 417 option.
- 418 The voting period is set to two weeks with a one week reminder.
- The Statutes, the Internal Rules and Procedures, the Strategic Plan and the
- 420 Political Platform cannot be subject to any electronic vote between the General
- 421 Assemblies.

424

- Results will be announced within one week after the closing of the vote and
- include detailed information.

## 3.4. Tiebreakers

### 3.4.1. Tiebreakers on point of substance

- In the case of a tie between two points of substance, the vote shall be held
- again. If the result is once again a tie, the body voting may choose to vote
- once more, table the discussion to later in the meeting, or decide by some form
- of chance. Note that this paragraph is not intended to apply to ties between
- "yes", "no", or "abstain" where some point of substance requires a majority to
- <sup>431</sup> pass.

425

432

437

### 3.4.2. Tiebreakers relating to elections

- 433 If the tie occurs between two candidates in an election, and only one may be
- elected, a vote shall be held to decide between them. If the result is once
- again a tie, the body voting may choose to vote once more or decide by some form
- of chance. At any point during this, either candidate may choose to withdraw.

# 3.5. Dismissal of elected persons

#### 3.5.1. Dismissal of Executive Committee member

- Two thirds of the Executive Committee can propose dismissal of an Executive
- 440 Committee member.
- The Full Member Organisations vote on the proposed resignation through
- 442 electronic vote.
- The vote is based on two letters: a letter of justification from the majority of
- Executive Committee members proposing the dismissal and an optional letter of
- defence from the Executive Committee member.
- If at least one third of the full MOs participate in the vote and a two third
- majority is reached the Executive Committee member is dismissed.

# 3.5.2. Dismissal of Secretary-General

- The Executive Committee can propose dismissal of the Secretary General, with
- two-thirds of the votes of the members of the EC. The Member Organisations must
- 451 be notified within 8 days about the decision and the Executive Committee must
- appoint a Secretary-General ad interim within 8 weeks after the decision of the
- Executive Committee. The Secretary General ad interim will continue until the
- election of a new Secretary General at the subsequent General Assembly.

# 3.6. Gender quota

- In all elected bodies there must be a minimum of 50% of people that self-
- identify as women, intersex, nonbinary, trans or agender.
- 458 If there is only one position in a body, there is no quota. However it is
- encouraged that people that self-identify as women, intersex, nonbinary, trans
- or agender alternate in this position.

# 4. Bodies

# Meeting rules to the General Assembly

These meeting rules regulate the formal sessions of the General Assembly. The

- goal of these meeting rules is to make sure that all participants have an as similar understanding of the formalities of the General Assembly as possible.
- 943 Presidency
- The General Assembly is presided over by the Presidency. The Presidency consists
- of four to six people, who must not be candidates to any positions at the
- General Assembly. In line with the Internal Rules and Procedures, the Presidency
- is selected by the Executive Committee by an open-call. The General Assembly
- onfirms the Presidency proposed by the Executive Committee before any other
- 949 decisions are made.
- The Presidency should elect a chair among themselves. The Chair is the main
- point of contact for the Executive Committee and the Office during and after the
- 952 General Assembly.
- The chair is responsible for making sure that the rest of the Presidency
- 954 delivers their tasks assigned to them and that all the documents related to the
- 955 General Assembly (adopted resolutions, minutes, votes and voting cards, and
- other adopted documents) are finalised handed over the Office and the Executive
- 957 Committee in the following month after the General Assembly.
- 958 The Presidency:
- chairs the meetings and discussions at the General Assembly
- prepares the resolutions, amendments and voting procedures for the General

  Assembly
  - is responsible for taking the minutes of the General Assembly
- decides who speaks, who takes part in discussion and who can also be suspended from discussions.
- Can call emergency sessions to the agenda. However this change would need confirmation by a simple two-thirds majority of the full members.
- 967 Agenda:

- The agenda of the General Assembly is adopted with a simple majority on the first day of the General Assembly.
- In line with the Statutes, if the member organisations want to add a point to
- the General Assembly agenda, they should communicate it to the Executive
- Committee at least 10 days in advance and their proposal must be signed by one-
- 973 twentieth of the full members.
- The agenda can only be changed with a simple two-thirds majority of the full
- 975 members. Proposed changes to the agenda have to be presented in written form to
- 976 the presidency.
- Documents that are noted, amended, approved, disapproved at the General
- 978 Assembly:
- The power and the role of the General Assembly is detailed in the Internal Rules
- 980 and Procedures.
- The Executive Committee, the Secretary General, the Ecosprinter Editorial Board,
- the Financial Control and Advisory Committee and the Advisory Committee presents
- their reports for the previous years. These reports are heard by the GA, not
- 984 voted.
- The Treasurer presents the annual accounts and financial report of the previous
- financial year and the budget and the financial plan of the upcoming year. These
- documents can be amended and voted.
- The Executive Committee presents the Activity Plan and the Strategy Plan (if
- applicable) for the upcoming year(s). These documents can be amended and voted.
- 990 The deadlines for presenting and amending these documents are detailed in the
- 991 Internal Rules and Procedures.
- 992 The Presidency is responsible for organising Compromise Amendment Sessions (CAS)
- to try and find compromises on amendments, so that documents have a higher
- on chance of being adopted.
- 995 Compromise Amendment Sessions (CAS):
- The Compromise Amendment Sessions are called CAS in short. Everyone who has
- 997 speaking rights at the General Assembly can attend the compromise amendment
- 998 session, and it's advised that all member organisations with voting rights do
- 999 SO.

- Compromises are made between the member organisations or the body that proposed the original document and the member organisations or the body that proposed the amendment subject to compromise. It is advised to include other interested
- 1003 Member Organisations in this compromise process so as to further broaden
- consensus.
- Amendments to existing documents (Statutes, Internal Rules and Procedures,
- Political Platform) are only subjected to compromise if the compromise is in the
- scope of an already submitted amendments. The Presidency may declare a
- compromise amendment ineligible if its scope is different from the original
- amendment.
- During the Compromise Amendment Session, the proposer of the resolution presents
- their resolution. The proposer of the amendment presents their amendment. At
- this point other parties can declare their positions towards the amendment. The
- proposer of the resolution can adapt the amendments or seek a compromise. If a
- compromise is reached, it is shared with the delegates of the General Assembly.
- Unless a Full Member Organisation or the Executive Committee disputes the
- $^{1016}$  compromise, it is considered adopted. If the compromise is disputed, the
- compromise will be sought until the last day of the General Assembly.
- 1018 It is encouraged that the CAS sessions are organised in advance of the General
- Assembly, following the deadline for amendments which is one week before the
- 1020 General Assembly. The CAS session can happen online.
- In the voting, firstly the compromised amendments on the document as whole are
- voted. Afterwards, the document itself is voted on.

## 1023 Resolutions

- Each resolution should have an international and/or European angle
- Each resolution should be supported by at least one Member Organisation
- A resolution should always have a call to action
- A resolution should preferably be around 5,000 characters but definitely not more than 10,000
- 1029 The Executive Committee can recommend review of certain resolutions to the

- 1030 Presidency.
- 1031 The Presidency can suggest/demand the proposers of the resolution to withdraw
- their resolution or to postpone the resolution to the further General
- 1033 Assemblies.
- 1034 Speaking rights and debates:
- Speaking rights are open to all members of FYEG bodies, and all registered
- 1036 participants of the General Assembly.
- 1037 The presidency ultimately decides which individuals are given the opportunity to
- speak.
- The speaking time for debates is proposed by the presidency at the beginning of
- every debate based on the content of the debate and the time assigned for the
- current session in the agenda.
- The presidency can change the assigned speaking time based on the time left of
- the session to better fit the agenda, as they see fit. This might include
- 1044 cutting breaks.
- The General Assembly can overrule (with a simple two thirds majority) the
- 1046 presidency's proposals for speaking time. In such cases the new Agenda proposal
- must be submitted to the Presidency in a written form.
- During sessions where debates will take place, participants will be able to
- submit 'speaker cards' before the session. These cards will note if they are
- 1050 for/against, their Member Organisation and their gender.
- In vue of the received speaker cards, the Presidency will define the speaker
- list. Speakers may still be taken from the floor for balance, but those who
- submit cards will be prioritised
- The presidency will ensure gender balance on the speaking list. This is done
- through a strict quotation of the list. Only as many men are allowed to speak as
- non-men are on the list. The only exception is if people are on the list who
- haven't participated in the debate up to that point. They will be chosen before
- persons that have already made plenty of contributions.
- 1059 The only exceptions to the speakers list are technical points. If someone has a
- technical point, they must signal the presidency and will be given the floor
- 1061 after the current speaker.

- 1062 Types of debate:
- Open debate: The debate is open to speakers willing to speak for or against the
- resolution or amendment being discussed, as well as for contributions that are
- neither opposed nor in favour. This debate is often used during the Compromise
- 1066 Amendment Sessions.
- 1067 Con-Pro: The debate is organised by an alternation of speakers against and for
- the resolution or amendment being discussed. This debate is often used during
- the Voting Session of the amendments that goes to vote and the resolutions.
- 1070 It should be noted that all the compromises should be reached before the voting
- session and the point of the con-pro debate is not to reach a compromise but to
- explain the positions. Therefore the presidency is encouraged to do only one
- round of con-pro debates, and if more than one rounds occur time is monitored by
- the presidency to ensure that overall the 'pro' and 'con' sides are both
- 1075 allocated equivalent speaking time.
- 1076 Quorum, voting and majorities:
- 1077 Quorum, voting rules and majorities are defined in the Internal Rules of
- 1078 Procedures.
- 1079 Voting rules and majorities are defined in the Internal Rules of Procedures
- 1080 A quorum check will be called before the voting sessions.
- 1081 Safer Spaces
- The General Assembly is a space where everybody feels safe, and has an equal
- opportunity to be heard. The Presidency is responsible for chairing the General
- Assembly in line with FYEG's Safer Spaces regulations. The presidency can ban a
- participant for misconduct for the remainder of a session.
- Annex 2: Working Group Guidelines
- 1087 These guidelines are to serve the Working Groups and the Working Group
- 1088 coordinators.
- 1089
- 1090 Working Group rights and responsibilities:
- Working group functions are detailed in the FYEG's Internal Rules of Procedures.
- FYEG Working Groups are based on direct democracy and the inclusion of all its

- members. Most of the Working Group meetings happen online, through the channels of internal communication available to them. Working Group members can have access to usage of the internal communication tools available to FYEG (such as online meeting softwares). As set out in the Internal Rules of Procedures, the EC is responsible for setting up a new Working Group and for ending the term of a Working Group.
- 1099 Working Groups can (and not only):
- Support FYEG and its bodies in developing policy documents
- Provide feedback to FYEG's internal policies and documents
- Create campaigns
- Create guidelines, templates, training material, and similar material
- All the Working Group activities must be in line with the FYEG Political Platform.
- Only FYEG's Executive Committee (EC) has the mandate to speak on behalf of the organisation and engage in partnerships with other organisations. Therefore, any external communication or partnership request needs their approval.
- When the Working Group has a request for content to be shared via FYEG's official channels, firstly, it should be approved by the member of the Executive
- 1112 Committee responsible for the Working Group (hereinafter EC Responsible).
- Moreover, if the Working Group decides to engage in external partnerships, sign
- letters of external partners (i.e. organisations other than Green Political
- Organisations), etc. this must also be approved by the EC Responsible for the
- 1116 Working Group.

- Finally, if the Working Group needs support from the FYEG Office in matters of
- communication, administration, finances, etc. the Working Group should
- communicate a detailed concept, through the Working Group coordinator, to the EC
- 1120 Responsible in a timely manner.
- Executive Committee responsibilities:

- The EC Responsible is the person appointed among the EC members to be responsible for the Working Group.
- 1124 They are responsible for:
- Initial setup of the Working Group: defining the aims, scope, timeframe, publishing a call for Working Group members and coordinators
- Choosing the first members of the Working Group and the Working Group
  coordinators
- Meeting with the coordinators to explain their roles and responsibilities
- Attend meetings where needed/wanted to (optional) but in general, it is more important to be aware what they are up to
- Keeping track of all their activities and being aware of how the Working
  Group is progressing and what they are up to
- Providing political advice and making sure the Working Group acts in line with FYEG's Political Platform
- Updating the Working Group on FYEG activities related to their topics and purposes
- The EC responsible has the possibility to exclude someone from the Working Group on the recommendation of the coordinators or at least three members of the
- group. The EC has to be informed of the decision. The person has the possibility
- 1141 to appeal to the Advisory Committee.
- 1142 Working Group coordinator responsibilities
- A working group should have two coordinators, at least one of them self-
- identifying as women, intersex, nonbinary, trans or agender.
- 1145 If it is impossible to find two coordinators even after the EC responsible's

- best efforts to do so, an exemption can be made if approved by the FYEG EC. In 1146 this case, it is required that either the EC responsible or the Working Group 1147 coordinator self-identifies as female, intersex, nonbinary, trans or agender, 1148 Working Group coordinator tasks are as follows: 1149 1150 Set meetings and agendas for Working Group and notifying members of action points afterwards (online Working Group meetings should strive to be 1151 1152 planned at least once every two weeks, excluding holidays and exceptional 1153 circumstances) • Set up the main communication channels 1154 1155 Main point of contact for EC Responsible 1156 Keep the EC Responsible up to date on what's happening in the Working 1157 Group · Keep Working Group members informed and updated on EC's feedback and 1158 recommendations 1159 Steer direction: set priorities, what themes/projects they work on, 1160 oversee the work 1161 1162 Coordinate the creation of a Working Group activity plan, guided be the

• They do not need to be involved in every single project or attend every meeting, but in their absence should delegate project or meeting moderation to someone else, and keep themselves updated on progress

Annex 3: Safer Spaces Policy

1163

- Safer spaces are evolving and not static. We have high expectations on how we
- behave towards each other in our meetings, actions and social spaces. Making a
- space safer means different things depending on the group of people involved as
- each group has different needs. This policy aims to be considered in every
- meeting involving FYEG, but the document should evolve as we learn and grow.
- 1174 As an organisation we build social relationships inside and outside of meetings
- and actions. We commit to this Safer Spaces policy wherever we are together,
- this includes ensuring that ALL spaces are inclusive and harmless.
- 1177 If someone violates these agreements a discussion or mediation process can
- happen, depending on the wishes of the person who was affected. If a serious
- violation happens to the extent that someone feels unsafe, they can be asked to
- leave the space and/or speak with one member of the Awareness Group. If
- necessary, the Sexual Harassment Protocol will be activated.
- 1. Respect! Racism, as well as ageism, GSRM-phobia , sexism, ableism or
- prejudice based on ethnicity, nationality, class, gender, gender presentation,
- language ability, asylum status or religious affiliation is unacceptable and
- will be challenged. FYEG has a zero-tolerance policy with any kind of
- discrimination, even though we acknowledge that there can be different levels in
- a breach of a safe space.
- 1188 2. Be aware of your privileges! Including racial, class and gender privilege
- and/or less obvious or invisible hierarchies. Think about how your words,
- opinions and feelings are influenced and who they might exclude or harm.
- 3. Consent! Respect each other's physical and emotional boundaries, always get
- explicit verbal consent before touching someone or crossing boundaries. Don't
- assume your physical & emotional boundaries are the same as other people's.
- 4. Friendly use of language! Be aware of the language you use in discussion and
- how you relate to others. Try to speak slowly and clearly and use uncomplicated
- language especially when non-natives speakers are involved in the conversation.
- 5. Don't anticipate yourself! Avoid assuming the opinions and identifications of
- other participants.
- 6. Learning; if you don't understand something, just ask. You may be directed to
- a book, website or skill share to learn more. It's ok to make mistakes. Please
- show appreciation for the hard work of others and be considerate when you offer
- criticism.
- 1203 7. Everyone has their turn; give each person the time and space to speak. In

- large groups, or for groups using facilitation: Raise your hand to speak.
- 8. Calling out; if you have acted or spoken harmfully, even if unintentionally,
- expect that someone will bring this up to you. If this happens, listen and
- reflect on what they are saying even if you think they may be wrong. Don't try
- to absolve yourself of responsibility.
- 1209 This policy should be expanded with specific measures and practices to promote
- the creation of safer spaces.

## Anti sexual harassment protocol

- 1212 FYEG has a zero-tolerance policy on sexual harassment at all its events, within
- all its structures and during all activities. This protocol is applicable for
- those participating in an FYEG activity (General Assembly, Strategic Planning
- 1215 Committee, Working Group Meeting or any other activity), members of a Member
- Organization (MO), or members of an online structure of FYEG, referred to as
- "this organization" from now onwards in this protocol.
- Anyone who is subject to sexual harassment can approach one of the designated
- contact points responsible for receiving complaints of sexual harassment. The
- 1220 Executive Committee will designate an Awareness Group for anyone presenting
- allegations of physical, verbal or online sexual harassment. In accordance with
- the IRPs, the Awareness Group will be formed by two persons from the EC who are
- of different genders. Additionally, every Prep Team will designate one person
- to be an independent contact person in our projects. However, this person shall
- always inform the official contact points if a procedure starts, in the case of
- their absence, the main contact will be the Project Manager.
- When one of these procedures is open in the organization, the EC as a whole must
- be informed of the procedure without details of the people involved or the
- presented allegations to respect confidentiality. If a case involves someone
- from the EC, the case will be brought to the Advisory Committee (AC). The
- Advisory Committee will act as contact points when a case arises, following this
- protocol. However, the EC will not be informed until a final decision is made.
- 1233 Important note:
- These procedures will follow general principles such as the privacy of the
- survivor, confidentiality of the process and survivor's choice and preference.
- We respect the presumption of innocence of any alleged harasser which is why
- this procedure is in place and has been approved in the General Assembly.
- However, as a feminist organization, we also believe in the principle of
- believing the survivor and putting the burden of the proof on the alleged

- 1240 harasser.
- This procedure might be applied to an internal case of a MO if this case is
- related to FYEG activity or if the people involved take part in any FYEG
- structure. However, we will not be able to extend sanctions or disciplinary
- measures beyond FYEG. MOs can however adapt this protocol to their own
- organization.
- When the designated people receive a complaint of sexual harassment, they shall:
- 12. Immediately record the dates, times and facts of the incident(s);
- 1248 2. ascertain the views of the survivor as to what outcome they want, ensure the
- 1249 survivor feels safe and ensure the survivor is separated from the alleged
- offender unless the survivor wishes otherwise;
- 3. ensure that the survivor and the alleged harasser understands FYEG protocol
- for dealing with the complaint;
- 4. discuss and agree the next steps with the alleged survivor, informal, formal
- or outside complaints procedure (police, hospital, embassy, etc.), on the
- understanding that choosing to resolve the matter informally does not preclude
- the survivor from pursuing a formal complaint if they are not satisfied with the
- outcome:
- 5. keep a confidential record of all discussions. Records will be destroyed if
- the alleged survivor requests it, or before the change to a new EC. However, a
- record of sanctions and a brief description of the reason will be kept in a safe
- place;
- 6. respect the choice of the survivor;
- 7. and ensure that the survivor knows that they can lodge the complaint outside of FYEG through the relevant country/legal framework.
- 1265 INFORMAL COMPLAINTS PROCEDURE
- 1266 If the survivor wishes to deal with the matter informally, the designated person
- 1267 will:
- Approach the alleged harasser saying that the behaviour is offensive,
- unwelcome and must be stopped;

- Inform the harasser that FYEG has a zero tolerance policy on sexual harassment and that disregarding this policy may result in the person's exclusion from the organization
- give an opportunity to the alleged harasser to respond to the complaint;
- ensure that the alleged harasser understands the complaints mechanism;
- facilitate discussion between both parties to achieve an informal resolution which is acceptable to the complainant, provided the alleged survivor agrees,
- ensure that a confidential record is kept of what happened;
- follow up after the outcome of the complaints mechanism to ensure that the behaviour has stopped and that there is no risk of its repetition;
- And ensure that the above is done accurately and at the latest within 10 days of the complaint being made. During events, the procedure shall take place within 48 hours.
- 1283 FORMAL COMPLAINTS PROCEDURES
- If the survivor wants to make a formal complaint or if the informal complaint mechanism has not led to a satisfactory outcome for the survivor, the formal complaint mechanism should be used to resolve the matter.
- The designated person who initially received the complaint will communicate to 1287 the rest of contact points the opening of a formal complaint procedure. The EC 1288 will be informed of this, respecting the confidentiality of the alleged survivor 1289 1290 and the allegations. The designated person who initially received the complaint will carry out the investigation with the assistance of the Awareness Group and 1291 the independent contact person at the moment in which allegations were 1292 1293 presented, if any. They will help the investigator with the analysis and decision making process. A procedure for online harassment shall be developed. 1294
- The person carrying out the investigation will:
- interview the survivor and the alleged harasser separately
- interview other relevant third parties separately
- decide whether the incident qualifies as sexual harassment within the meaning of this protocol

- produce a report detailing the investigations, findings and any recommendations
- if the harassment took place, decide what the appropriate remedy for the survivor is, in consultation with the survivor (i.e. an apology, a change of structure, suspension..,)
- follow up to ensure that the recommendations are implemented, that the behaviour has stopped and that the survivor is satisfied with the outcome
- if it cannot determine that the harassment took place, they may still make recommendations to ensure proper functioning of the organization
- keep a record of all actions taken
- ensure that all records concerning the matter are kept confidential
- ensure that the process is done as quickly as possible and in any event within 15 days of the complaint being made
- The general rule is to avoid the presence of the alleged harasser in those places/structures in which the alleged survivor moves. It is vital that the wishes and needs of the survivors are incorporated into the outcome of the complaints mechanism.
- 1317 A data protection protocol will be developed.
- 1318 OUTSIDE COMPLAINT MECHANISM
- This protocol seeks to create a fast and appropriate response to allegations of sexual harassment. However, it does not seek to substitute existing regulation and legislation on this issue. We want to make clear that FYEG wants to be fully supportive with every decision of the alleged survivor.
- A person who has been subject to sexual harassment can at any time make a complaint outside of the organization. Even though this organization cannot offer legal advice, the contact point(s) will accompany the person to the instance this person prefers (hospital, police, ombudsperson, law courts, embassies, etc.) if they request it.
- 1328 SANCTIONS AND DISCIPLINARY MEASURES
- 1329 Anyone who has been found to have sexually harassed another person under the

- terms of this policy may be sanctioned. Sanctions may include but are not limited to one of the following:

Verbal or written warning

- Suspension from an elected or non-elected FYEG structure, in line with FYEG
- 1334 IRPs when appropriate

- Dismissal/expulsion
- Depending on the seriousness of the allegations, the EC, upon request of the
- Awareness Group may suspend someone from taking part in any FYEG structure or
- activity during the duration of the process. Confidentiality of the survivor
- will be maintained.
- 1340 In case of sexual harassment, violence or discrimination by a member of an
- elected body within FYEG (Financial Control Committee, Advisory Committee or
- Ecosprinter Board) the EC can exclude the offender after consulting the full
- MOs. (cf. 2.2.2). If the case arises within the EC, the Advisory Committee can
- exclude the offender after consulting the full MOs.
- 1345 The nature of the sanctions will depend on the gravity and extent of the
- harassment. Suitable deterrent sanctions will be applied to ensure that
- incidents of sexual harassment are not treated as trivial. Certain serious
- cases, including physical violence, will result in the immediate dismissal of
- the harasser.
- 1350 Guidelines for persons of contact
- Read the protocol and understand every aspect
- What is sexual harassment? It is unwanted behaviour of a sexual nature which:
- Violates your dignity
- Makes you feel intimidated, degraded or humiliated
- Creates a hostile or offensive environment
- Sexual harassment "can include, but is not limited to", these examples:

 Touching, pinching, stroking, squeezing, or brushing against someone 1357 • Leering or ogling 1358 1359 Making LGBTIAQ+-phobic or GSRM (Gender, Sexual and Romantic Minorities)phobic comments and sexually suggestive signals, winking 1360 Sending unwanted e-mails, text messages, posting sexually-explicit jokes 1361 or content on FYEG communication channels 1362 • Sexual comments or jokes 1363 Making insults based on a person's sex or rating their sexuality 1364 • Turning work discussions to sexual topics 1365 Physical behaviour, including unwanted sexual advances, touching and 1366 various forms of sexual assault 1367 1368 Displaying pictures, photos or drawings of a sexual nature Remember: Whether harassing intentionally or unintentionally, we all have a 1369 responsibility to monitor our behaviour and respect each other. Anyone who 1370 1371 reports an incident has the right to remain anonymous. They also have the right to feel safe and respected. 1372 1373 Listen and Support It's tough to be prepared when someone tells you that they have been the 1374 survivor of sexual harassment. Remember, you can only provide support 1375 1376 Support and understanding are essential. It takes a lot of courage for a survivor to share their experience; 1377

- Try to provide a safe/non-judgmental environment, emotional comfort and support
- for the survivor to express feelings;
- Let them know that they can talk with you. Listen. Don't rush to provide
- solutions.
- 1382 Believe
- 1383 The most common reason people choose not to tell anyone about sexual abuse is
- the fear that the listener won't believe them. People rarely lie or exaggerate
- about abuse; if someone tells you, it's because they trust you and needs someone
- to talk to.
- People rarely make up stories of abuse. It is not necessary for you to decide if
- they were "really hurt." If the survivor says they were hurt, that should be
- 1389 enough
- Believe what the person tells you. It may have been difficult for them to talk
- to you and trust you. Unless proven wrong harassment has happened.
- 1392 Reassure
- Sexual assault is NEVER the survivor's fault. No one asks to be sexually
- assaulted by what they wear, say or do. Let the survivor know that only the
- perpetrator is to blame;
- 1396 The survivor needs to hear that fears, anxieties, guilt and anger are normal,
- understandable and acceptable emotions;
- Remember, no one ever deserves to be abused or harassed.
- Be Patient
- Don't press for details let the person decide how much to tell you. Ask them
- 1401 how you can help;
- Survivors have to struggle with complex decisions and feelings of powerlessness,
- trying to make decisions for them may only increase that sense of powerlessness;
- You can be supportive by helping them to identify all the available options and
- then help them by supporting their decision making process (here refer to the
- protocol).

- The survivor can't just "forget it" or just move on. Recovery is a long term
- 1408 process and each individual moves at their own pace
- 1409 Encourage
- 1410 Encourage the survivor to seek medical attention, report the assault, and or
- contact a professional if needed. Remember, the survivor must ultimately make
- the decision as to what to do. They are the experts in their own lives. Don't
- push. Remember, support their choices no matter what they decide.
- Respect Privacy Confidentiality
- Don't tell others what the survivor tells you. Let the individual decide who
- they will tell. It is important not to share information with others who are not
- involved;
- 1418 If you do need to share information for their safety, get permission by letting
- them know what you will share and with whom it will be shared; ie. the rest of
- contact points in case of a formal complaint
- 1421 Establish Safety
- An important part of helping the survivor is to identify ways in which the
- survivor can re-establish their sense of physical and emotional safety. You are
- a step in the process. Ask them what would make them feel safe and how you can
- help them accomplish this.
- 1426 If the stalking or harassment is ongoing, help them to develop a plan of what to
- do if they are in immediate danger. Having a specific plan and preparing in
- advance can be important if the harassment escalates.
- 1429 Things you can say
- 1430 It is hard to know what to say to a person when they confide in you. Refrain
- 1431 from asking a lot of questions, instead, support them with these phrases. Let
- the person know that you believe that they have the strength and capacity to
- 1433 heal.
- It's not your fault
- I'm sorry this happened
- I believe you

- How can I help you?
- I am glad you told me
- I'll support your choices
- You're not alone

## Use of inclusive language

- 1442 FYEG aims to use language in its communications and its events that reflects the
- level of English spoken within an organisation of mostly non-native speakers.
- 1444 FYEG promotes the use of inclusive and accessible language within the
- organisation. FYEG attempts to reduce the shame of using simple language. We do
- this to make sure that everyone feels welcome to participate and contribute.
