## Political Platform text

### Insert from line 261 to 262:

victims in a language they understand, accessible and inclusive shelters, and telephone hotlines. **We demand to all European countries an harmonized and clear definition of femicide and domestic violence and its penalization.**

### Reason

We believe it is necessary to recognize femicide as a legal concept, in order to protect the victims of patriarchal murder. Indeed it is not the case in most of the countries.
