Title: **PP1 A3: Political Platform**

Political Platform text

Insert from line 706 to 707:

tackle the climate crisis would have terrible implications for all, including workers. We should make the transition a just transition. **We should take the opportunity to rethink working conditions in the context of the ecological transition.**

Reason

We have the feeling that in this paragraph we only underline how hard and job killer the ecological transition will be. We really believe that it will create opportunities to rethink the way we work, and that it might be very positive. That is why we want to underline it.
