Political Platform text

Insert from line 1349 to 1351:

minimum wages based on the cost of living in a particular country or region and a mechanism to progressively harmonise them upward. Noone who works should live below the poverty line. Workers should be able to travel freely, seek employment, and

Reason

This is very important to underline that we need to harmonise, to reduce inequities between Member states, but we must always move upwards. If not, the risk is to lower the standard of living of people receiving these minimum benefits, which in most cases are already inadequate.
