have on humankind, and has clearly demonstrated the need to take measures to prevent their development.
We support the introduction of an EU Positive List (list of species allowed to be kept as pets) to end suffering of animals traded and kept as pets. It would improve animal welfare, public health and safety, biodiversity and species conservation.

Reason
There is a significant rise of exotic pets kept in the EU and no control, because of a legal vacuum regarding illegally caught species in the wild and traded as exotic pets.
