R3 A4: Weeding out right-wing extremism

Proposers Scottish Young Greens

Motion text

From line 53 to 57:

- ~~**Advise to disrupt right-wing recruitment on online platforms, a strategy that was successfully implemented for Daesh and other Islamist extremist groups.**~~
- **Develop a European strategy on challenging the Far Right with the aim of actively promoting social cohesion, preventing the growth of support for the Far Right, and reducing the terrorism and national security threat from the Far Right. These strategies should cover tackling Islamophobia, Antisemitism and more, legal measures, prevention, deterrence and police response, education,community development and cohesion, and online communications.**
- **Encourage a broader information exchange and investigative cooperation between European law enforcement without the further infringement of rights of the ordinary person in Europe.**
