R2 A4: Younger institutions for a greener future

Proposers écolo j

Motion text

Insert from line 2 to 3:

We, the younger generations, are the future - and the present - of any democracy, as we are the future leaders that will bring new ideas to solve our world's problems. But it

Delete from line 70 to 71:

- FYEG can push green parties to have this mandatory percentage so they are really progressive.[Space]
