Motion text

From line 61 to 62:

FYEG demands swift integration of ~~Ukraine and Moldova~~ Eastern European countries into the ~~EU~~ European Union, which will reinforce regional stability and unity.

Reason

With this change, FYEG's expansion efforts are not limited to only two countries in Eastern Europe, but to all countries in Eastern Europe, which includes Ukraine and Moldova, but also to the Western Balkans and South Caucasus regions. We believe that the original wording is exclusionary and that broader eurointegration efforts would in fact curbe the russian imperial sphere of influence.
