Proposers

DWARS

Motion text

From line 103 to 105:

- Recognise the right of Palestinian and Israeli people to self-determination, and reaffirm support for a ~~two-state~~ solution ~~based~~that enables durable peace on ~~secure~~the long term, grounded in equality and ~~mutually agreed borders on 1967~~lines human rights.

Reason

If our amendment that supports a one-state solution does not get a majority, we would like to propose this amendment where we take out a one-state or a two-state solution and focus on a solution that proposes sustainable peace.
