Motion text

Insert after line 107:

- Sustain humanitarian aid for Palestine by all means necessary, including increased support for UNRWA and advocating for an end to the increasingly dire famine and health conditions, such as the outbreak of polio, affecting the Palestinians.

Reason

Recently the situation has worsened even more and there is a dire need for more humanitarian aid. Furthermore, many EU countries have stopped supporting the UNRWA which is reliant on funding from others to continue to report on the current affairs.
