Proposers

Jong Groen

Motion text

From line 8 to 11:

the governments of EU member states and other European countries have the urgent responsibility to do everything in their power to prevent ~~a genocide of the Palestinian people, and to work towards peace between Israel and Palestine—however distant this prospect may seem today.~~ and stop any genocidal developments in the world and to help work towards peace—however distant this prospect may seem today.

Reason

The risk of genocide needs to be prevented, ongoing genocides need to be stopped. This rule applies to any peoples, anywhere, always.
