Plan text

Delete from line 290 to 293:

~~Following the recommendation of the EC, FYEG will explore the possibility of hiring the co-spokes, allocating time and resources to thoroughly investigate this option and potential organisational changes that should be taken to implement this measure.~~

Reason

We present the amendment not to express disagreement with this proposal but to make sure all MOs are aware this process is taking place and the decision and its implications can be discussed thoroughly at the GA
