

I1 A9: Internal Rules of Procedure

Proposers

FYEG EC

Motion text

In line 629:

~~consist of four members of which only one may be an EC member~~

consist of three members

Reason

The EC suggests to reduce the number of members of the EEB to three to ensure better processes. The amendment also reflects the fact that, while there is an EC responsible who steers and supports the EEB, they are not a member of the EEB.
