

# **I1 Internal Rules of Procedure**

Proposer: FYEG  
Agenda item: 8. Statutory Documents

## **Motion text**

1 General Principles

2 FYEG will have minimal statutes that only contain what legally matters and they  
3 will be revised in case the Belgian law changes. All other matters will be taken  
4 care of in the IRPs.

5 The IRPs must never contradict the statutes, they can elaborate.

6 The IRPs shall be facilitating and helping with decision-making processes as  
7 well as the organisation of the federation. There shall be no more rules than  
8 necessary.

9 This document shall be accessible to every MO on the website.

10 All acts, invoices, publications, official letters and websites, in electronic  
11 form or not, emanating from the association must mention:

12 - its full or abbreviated name, immediately preceded or followed by "AISBL" or  
13 "international non-profit association",

14 - the precise indication of its registered office,

15 - its company number,

16 - the terms "register of legal persons" or the abbreviation "RPM" followed by  
17 the indication of the court of the registered office of the legal person,

18 - if applicable, their email address and website,

19 - the number of at least one account held by the association with a credit  
20 institution established in Belgium,

21 - if applicable, the indication that the association is in liquidation.

## 22 **1. Member Organizations**

### 23 1.1. Membership

#### 24 1.1.1. Membership categories

25 The association is made up of member organisations only and has three categories  
26 of member organisations:

27 Full members

28 Candidate members

29 Associate members

#### 30 1.1.2. Membership criteria

31 Membership criteria are detailed in the Statutes.

#### 32 1.1.3. Conditions of admission of candidate members

33 Conditions of admission of candidate member organisations are detailed in the  
34 Statutes.

#### 35 1.1.4. Conditions of admission of full members

36 Conditions of admission of full member organisations are detailed in the  
37 Statutes.

38 In addition, a candidate member organisation must apply for full membership  
39 latest at the General Assembly three years after it has received its candidate  
40 member organisation status. If the candidate member organisation does not apply  
41 for full membership in the third year of its candidacy, the Executive Committee  
42 can propose the suspension or exclusion of the candidate member organisation.

#### 43 1.1.5. Conditions of admission of associate members

44 Conditions of admission of associate member organisations are detailed in the  
45 Statutes.

### 46 1.1.6. Resignation of members

47 Conditions for the resignation of members are detailed in the Statutes.

### 48 1.1.7. Suspension of members

49 Conditions for the suspension of members are detailed in the Statutes.

50 The Executive Committee has a right to propose the suspension of a member  
51 organisation to the General Assembly in the following cases (not limited to):

- 52 • no update or other contact is made between a member and the FYEG Executive  
53 Committee between two General Assemblies,
- 54 • the member organisation doesn't fulfil one or more of the membership criteria,
- 55 • the member organisation didn't pay their membership fee,
- 56 • major changes that happened in the member organisation, which need to be  
57 investigated by the EC.

58 The suspension of a member means that the organisation loses its voting rights.

59 When a member is suspended, the Executive Committee:

60 1. informs the member organisation about the suspension via an e-mail and  
61 explain the consequences

62 2. makes all reasonable efforts to enable the member to regain its full  
63 membership

64 3. creates a report on this process and presents it at the following General  
65 Assembly.

### 66 1.1.8. Exclusion of members

67 Conditions for the exclusion of members are detailed in the Statutes.

68 The exclusion of an MO means that this organisation is not listed as a member  
69 organisation anymore and hence loses all of its rights within FYEG. Following an  
70 exclusion, an organisation that wishes to rejoin FYEG is expected to follow the  
71 entire membership procedure, as a new organisation would.

72 The rejoining organisation is required to inform GA about changes that happened  
73 in their organisation since leaving FYEG and explanation of their decision about  
74 rejoining.

75 1.1.9. Suspension and exclusion in case of non-payment of  
76 membership fee

77 The suspension and exclusion of member organisation in case of non-payment of  
78 membership fee is further detailed in the Statutes.

79 1.1.10. Membership fee

80 FYEG has an annual membership fee. The ceiling is stated in the Statutes.

81 Each full member organisation shall pay an annual membership fee to FYEG. This  
82 membership fee shall correspond to 1 % of the total incomes of their previous  
83 year's realised budget with a minimum of 50 EUR for the EU and European Economic  
84 Area (Iceland, Liechtenstein and Norway) and Switzerland and the United Kingdom,  
85 and 25 EUR for all other European countries.

86 By way of derogation to the previous paragraph, the General Assembly may decide,  
87 in duly justified cases, to lower the amount of the membership fee that a Member  
88 Organisation shall pay, following a recommendation of the Executive Committee.  
89 Requests for lowering the Membership fee shall be sent by a Member Organisation  
90 to the Executive Committee at the latest 2 weeks before the GA.

91 Each full MO shall pay their membership fee for the running year on the first  
92 evening of the GA at the latest, if it has not already been transferred earlier.

93 Full MOs are requested to provide their annual budget statement for the previous  
94 year at the latest. A document listing the amount of the membership fee paid by  
95 each MO and the way it has been calculated must be annexed to the financial  
96 report of the year in question.

97 1.1.11. Membership reviews

98 The Executive Committee presents a review of the FYEG Member Organisations as  
99 part of the Executive Committee Report. The review can include the following  
100 information:

101 Overview of the region and its meetings and activities,

102 The Member Organisations' engagement with FYEG activities during the year,

103 Major changes to the Member Organisation.

104 In case of major changes (change of organisations' name, split in the  
105 organisation, merge with another organisation, change of political affiliation,  
106 etc.), the Executive Committee can propose the General Assembly to vote on that  
107 change. The General Assembly may, among other options, take note of the change  
108 or suspend the membership of the organisation to give sufficient time to the  
109 Executive Committee to look into the situation.

110 1.2. Working with Member Organisations

111 1.2.1. Member Organisation Duties

112 Each MO should keep FYEG updated about:

113 - changes in the board

114 - valid contact addresses for the MO list and the website

115 - activities

116 1.2.2. FYEG duties

117 FYEG will provide the Member Organisations with:

118 - information about statutory meetings

119 - minutes and reports from statutory meetings and long ECMs

120 - a newsletter containing information and participation possibilities in current  
121 activities

122 - regularly updated contacts of other Member Organisations

## 123 **2. General Assembly**

124 2.1. Composition

125 The General Assembly is the highest decision body. The General Assembly is  
126 composed of one or two delegates per full member organisation, candidate member  
127 organisation and associate member organisation.

128 MOs should strive to send delegations to GA that are gender-balanced and consist  
129 of delegates maximum aged 30 years old. If the organisation is unable to find  
130 delegates within the age limit, they can send older delegates aged 31-35.

131 The delegates can be asked to pay a participation fee for the General Assembly.

132 People who are employed by FYEG or are members of the FYEG Executive Committee  
133 cannot be delegates to the general assembly.

### 134 2.2. Powers

135 The power of the General Assembly is detailed in the Statutes.

136 In addition to what Statutes state, a decision of the General Assembly is  
137 required in the following cases:

- 138 - the adoption and amendment of the Activity plan for the upcoming year,
- 139 - the adoption and amendment of Resolutions,
- 140 - the election of the Financial Control and Advisory Committee,
- 141 - the election of the Editorial Board of Ecosprinter,

146 organisations/networks

147 The General Assembly also hears the following reports:

- 150 - FYEG's Representative to the EGP Committee

151 - Ecosprinter Editorial Board report

152 - Financial Control and Advisory Committee report

153 - Advisory Committee report

## 154 2.3. Functioning

155 The Administrative Board and the Executive Committee summons the annual General  
156 Assembly. FYEG Member Organisations are summoned to the General Assembly via  
157 ordinary mail or e-mail. The convocation contains the agenda, date, time and  
158 place of the General Assembly.

159 General Assembly is presided in line with the Meeting Rules (Annex - 1)

160 The rules for holding extraordinary General Assembly are detailed in the  
161 Statutes.

162  
163 Changes to the statutory and internal organisational documents take effect from  
164 the first working day after the GA meeting where they were changed, except when  
165 the GA votes for their immediate implementation through a second vote requiring  
166 an absolute two-thirds majority. Persons elected by the General Assembly will  
167 start their mandate from the first working day after the GA meeting where they  
168 were elected, unless other rules apply for their mandate.

## 169 2.4. Deadlines and calls

170 The call for hosting the General Assembly must be sent **as soon as possible, no**  
171 **later than 7 months before the tentative dates of the GA. The call must be open**

206 the Statutes

207 In case the number of candidates is less than the number of positions open  
208 and/or if the gender quota is not met, the Executive Committee will re-open the  
209 call for additional candidates of the underrepresented gender and/or positions  
210 with lacking candidates.

225 the assembly sets a deadline for amendments to the emergency resolutions.

226 2.5. Submission of resolutions and amendments

228 have the right to submit resolutions, and amendments to resolutions, the  
229 political platform, the activity and financial plan, the strategic plan, other

232 to table an emergency resolution.

## 233 2.6. Presidency

234 The General Assembly confirms the Presidency proposed by the Executive Committee  
235 before any other decisions are made.

236 The Presidency then:

- 237 • chairs the meetings and discussions at the General Assembly
- 238 • prepares the resolutions, amendments and voting procedures for the General  
239 Assembly
- 240 • is responsible for taking the minutes of the General Assembly

241 The Presidency:

- 242 • consists of four to six people who must not be candidates to any positions  
243 at the General Assembly.
- 244 • can be suspended and simultaneously replaced with an absolute two-third  
245 majority by the assembly. Such a vote of no-confidence can be demanded by  
246 at least 5% of the delegates, who must present people for the new  
247 Presidency.

## 248 2.7. Participation fee

249 A participation fee to the General Assembly can be set up if the Treasurer finds  
250 it necessary.

251 The following participants of the General Assembly are exempt from paying the  
252 participation fee:

253 One delegate per Full, Candidate and Associate Member Organisation,

254 Executive Committee members

255 the Secretary-General and office

256 members of the Presidency

257 If a full Member Organisation sends a second delegate the participation fee is  
258 halved in case at least one of the two delegates self-identifies as women,  
259 intersex, nonbinary, trans or agender. Treasurer can grant exemption or lowering  
260 of the fee to participant that request it.

261 2.8. Travel reimbursement

276       if at least one delegate self-identifies as women, intersex, nonbinary,  
277       trans or agender.

## 278 **3. Election and Voting Procedures**

### 279 3.1. Attendance and voting quorums

280 In line with the Statutes, each Member Organisation has the right to attend the  
281 General Assembly. Only Full Member Organisations have voting rights and each  
282 Full Member Organisation has two votes.

#### 283 3.1.1. Principles

284 In line with the Statutes, the General Assembly deliberates validly only if 50 %  
285 + 1 of the Full Member Organisations are present or represented. The Statutes  
286 detail the steps to follow in case the attendance quorum is not reached.

287 In line with the Statutes, in principle all decisions in FYEG are taken by a  
288 simple majority of votes registered for the General Assembly. When voting,  
289 abstention is always an option. When the vote relates to decisions concerning  
290 persons or Member Organisations, the ballot is always secret. The voting body  
291 can decide to have other voting procedures processed through secret ballot.

#### 292 3.1.2. Procedures

##### 293 Definitions

294 Votes registered at General Assembly - the number of Member Organisations and  
295 their delegates who are registered for the General Assembly and have voted in  
296 the determination of the General Assembly quorum

297 Votes cast - the number of votes that were submitted.

##### 298 Simple majority

299 Majority of the votes cast, i.e. the number of "Yes" votes exceed the number of  
300 "No" votes.

301 Abstentions are not considered in the count.

302 Examples:

303 Out of 20 votes: 11 yes, 9 no, 0 abstentions: passed; 1 yes, 0 no, 19  
304 abstentions: passed.

305 10 yes; 10 no; 0 abstentions. not passed. 10 yes, 9 no, 1 abstention: passed.

306 Absolute majority

307 To pass "yes" should reach the majority (half+1, or half + 0.5 in case of odd  
308 number) of the number of votes registered at the General Assembly.

309 Note that it is number of votes registered, not number of votes cast. This means  
310 that if less than half of the voters are present and vote, this majority can  
311 never be reached.

312 Examples:

313 20 voters registered: need 11 or more yes votes.

314 21 voters registered: need 11 or more yes votes.

315 22 voters registered: need 12 or more yes votes.

316 Simple two-thirds majority

317 Two thirds of the votes cast.

318 Absolute two-thirds majority

319 Two thirds of the number of votes registered.

320 Note that it is the number of votes registered, not the number of votes cast.  
321 This means that if less than two thirds of the voters are present and vote this  
322 majority can never be reached.

323 Examples:

324 20 voters: need 14 yes or more votes.

325 21 voters registered: need 14 or more yes votes.

326 22 voters registered: need 15 or more yes votes.

## 327 3.2. Election of candidates

### 328 3.2.1. Principles

329 FYEG uses a Single Transferable Vote (STV) electoral system with a standard  
330 droop quota. Mathematically, this is the next integer larger than  $V / (n+1)$  when  
331  $V$  = the total number of valid votes and  $n$  is the number of positions available.  
332 Specifically recommended is the Scottish STV system.

### 333 3.2.2. Procedures

334 The main principle is to rank all the candidates according to the voter's  
335 preferences for each candidate. Where 1 is the first preference 2 the second  
336 preference and so on. Voters can rank all candidates even if the number of  
337 candidates exceeds the number of positions. Voters can decide to not rank some  
338 of the candidates even if this means leaving the ballot partially blank.

339 Only a completely blank ballot counts as abstention, an abstention counts under  
340 the exception below.

341 If a simple majority of all ballots cast do not rank the candidate with any  
342 numbers they are excluded from the election.

343 0 - All ballots are inspected to determine that candidates have received a  
344 simple majority of any kind of ranking on cast ballots. If not, they will be  
345 excluded from the election.

346 1 – The candidates who have reached the election quota (i.e. election threshold)  
347 are elected.

348 2 – If some positions are still available, the following process starts:

349 2a – The left-over votes on candidates reaching the election threshold are  
350 redistributed according to second preferences, using the Single Transferable  
351 Vote system of distribution.

352 2b – If one or more candidates have reached the election threshold, that/those  
353 candidate(s) are elected in order from highest to lowest vote count. The process  
354 then starts again from point (2).

355 2c – If no candidate reaches the threshold in this way, the candidate with the

356 lowest amount of votes is removed from the election. The ballot-papers that  
357 ranked this candidate as their first remaining preference are redistributed  
358 according to their second preference. The process is then restarted (1).

359 2d - If, following the calculation of the election result, one or more  
360 candidates is elected who is ineligible due to quota regulations, these  
361 candidates (who had the least number of votes) are removed from the pool of  
362 candidates and the entire election is recalculated. That is to say, the election  
363 is recalculated, and each time the ineligible candidate would have received a  
364 preference vote, the vote instead goes to the voter's next preference.

### 365 3.2.3. Exceptions

366 At the General Assembly:

367 Concerning the Executive Committee elections:

368 The spokespersons and the treasurer are elected separately from the rest of the  
369 Executive Committee positions.

370 Concerning the Advisory Committee:

371 The newly elected Executive Committee will present the proposed Advisory  
372 Committee to the General Assembly. The General Assembly ratifies the proposed  
373 Advisory Committee by a simple majority vote.

374 Between General Assemblies:

375 Concerning the replacement of a resigned Executive Committee member:

376 If an Executive Committee member resigns, a new Executive Committee member can  
377 be elected to replace them.

378 The Executive Committee will publishes a call for candidates for the vacant  
379 position. Candidates will be elected via an electronic vote.

380 Any replaced EC member will have full voting rights in the Executive Committee.

### 381 3.3. Electronic voting

382 The Executive Committee can call for an electronic vote between General  
383 Assemblies in urgent matters. It is the duty of the Executive Committee to

384 provide enough information for the full Member Organisations to make an informed  
385 decision.

386 Each full Member Organisation has 2 votes. When voting, abstention is always an  
387 option.

388 The voting period is set to two weeks with a one week reminder.

389 The Statutes, the Internal Rules and Procedures, the Strategic Plan and the  
390 Political Platform cannot be subject to any electronic vote between the General  
391 Assemblies.

392 Results will be announced within one week after the closing of the vote and  
393 include detailed information.

### 394 3.4. Tiebreakers

#### 395 3.4.1. Tiebreakers on point of substance

396 In the case of a tie between two points of substance, the vote shall be held  
397 again. If the result is once again a tie, the body voting may choose to vote  
398 once more, table the discussion to later in the meeting, or decide by some form  
399 of chance. Note that this paragraph is not intended to apply to ties between  
400 "yes", "no", or "abstain" where some point of substance requires a majority to  
401 pass.

#### 402 3.4.2. Tiebreakers relating to elections

403 If the tie occurs between two candidates in an election, and only one may be  
404 elected, a vote shall be held to decide between them. If the result is once  
405 again a tie, the body voting may choose to vote once more or decide by some form  
406 of chance. At any point during this, either candidate may choose to withdraw.

### 407 3.5. Dismissal of elected persons

#### 408 3.5.1. Dismissal of Executive Committee member

409 Two thirds of the Executive Committee can propose dismissal of an Executive  
410 Committee member.

411 The Full Member Organisations vote on the proposed resignation through  
412 electronic vote.

413 The vote is based on two letters: a letter of justification from the majority of  
414 Executive Committee members proposing the dismissal and an optional letter of  
415 defence from the Executive Committee member.

416 If at least one third of the full MOs participate in the vote and a two third  
417 majority is reached the Executive Committee member is dismissed.

## 418 3.5.2. Dismissal of Secretary-General

419 Two thirds of the Executive Committee can propose the dismissal of the  
420 Secretary-General. An additional General Assembly must then be convened by a  
421 decision of the Administrative Board under the applicable rules (as set out in  
422 the statutes), where the Member Organisations vote on both the dismissal of the  
423 existing Secretary-General, and the election and appointment to the  
424 Administrative Board of a new interim Secretary-General. The Executive Committee  
425 has the right to in writing and orally inform the Member Organisations as to why  
426 they have proposed the dismissal, and the Secretary-General the right to defend  
427 themselves.

428 If quorum is reached (as detailed in the Statutes) and a simple two-thirds  
429 majority is found at the additional General Assembly for dismissing the  
430 Secretary-General, the Secretary-General is dismissed. The Executive Committee  
431 can propose dismissal of the Secretary General, with two-thirds of the votes of  
432 the members of the EC. The Member Organisations must be notified within 8 days  
433 about the decision and the Executive Committee must appoint a Secretary-General  
434 ad interim within 8 weeks after the decision of the Executive Committee. The  
435 Secretary General ad interim will continue until the election of a new Secretary  
436 General at the subsequent General Assembly. The new interim Secretary-General  
437 will take over the mandate over the former Secretary-General, expiring whenever  
438 the former Secretary-General's mandate would have expired. They have all the  
439 powers and responsibilities of the former Secretary-General.

## 440 3.6. Gender quota

441 In all elected bodies there must be a minimum of 50% of people that self-  
442 identify as women, intersex, nonbinary, trans or agender.

443 If there is only one position in a body, there is no quota. However it is  
444 encouraged that people that self-identify as women, intersex, nonbinary, trans  
445 or agender alternate in this position.

## 446 **4. Bodies**

447 4.1. Administrative Board

448 In line with the Statutes, the association is administered by an administrative  
449 board composed of three people, appointed by the general assembly amongst the  
450 Secretary-General, and members of the Executive Committee, preferably the  
451 Spokespeople and the Treasurer.

452 4.2. Executive Committee

453 The Executive Committee members are responsible for making strategic and  
454 political decisions about the organisation during their mandate and between  
455 General Assemblies.

456

457 **The Executive Committee strives to reach consensus, with any member able to call**  
458 **a vote if consensus cannot be reached; decisions are made by a simple majority,**  
459 **disregarding abstentions. If no majority is secured after two consecutive votes,**  
460 **the decision is postponed to the next meeting for further attempts to reach a**  
461 **consensus. If voting fails again in the subsequent meeting, the decision is**

### 947 Meeting rules to the General Assembly

948 These meeting rules regulate the formal sessions of the General Assembly. The  
949 goal of these meeting rules is to make sure that all participants have an as  
950 similar understanding of the formalities of the General Assembly as possible.

### 951 Presidency

952 The General Assembly is presided over by the Presidency. The Presidency consists  
953 of four to six people, who must not be candidates to any positions at the  
954 General Assembly. In line with the Internal Rules and Procedures, the Presidency  
955 is selected by the Executive Committee by an open-call. The General Assembly  
956 confirms the Presidency proposed by the Executive Committee before any other  
957 decisions are made.

958 The Presidency should elect a chair among themselves. The Chair is the main  
959 point of contact for the Executive Committee and the Office during and after the  
960 General Assembly.

961 The chair is responsible for making sure that the rest of the Presidency  
962 delivers their tasks assigned to them and that all the documents related to the  
963 General Assembly (adopted resolutions, minutes, votes and voting cards, and  
964 other adopted documents) are finalised handed over the Office and the Executive  
965 Committee in the following month after the General Assembly.

### 966 The Presidency:

- 967 • chairs the meetings and discussions at the General Assembly
  
- 968 • prepares the resolutions, amendments and voting procedures for the General  
969 Assembly
  
- 970 • is responsible for taking the minutes of the General Assembly
  
- 971 • decides who speaks, who takes part in discussion and who can also be  
972 suspended from discussions.
  
- 973 • Can call emergency sessions to the agenda. However this change would need  
974 confirmation by a simple two-thirds majority of the full members.

975 Agenda:

976 The agenda of the General Assembly is adopted with a simple majority on the  
977 first day of the General Assembly.

978 In line with the Statutes, if the member organisations want to add a point to  
979 the General Assembly agenda, they should communicate it to the Executive  
980 Committee at least 10 days in advance and their proposal must be signed by one-  
981 twentieth of the full members.

982 The agenda can only be changed with a simple two-thirds majority of the full  
983 members. Proposed changes to the agenda have to be presented in written form to  
984 the presidency.

985 Documents that are noted, amended, approved, disapproved at the General  
986 Assembly:

987 The power and the role of the General Assembly is detailed in the Internal Rules  
988 and Procedures.

989 The Executive Committee, the Secretary General, the Ecosprinter Editorial Board,  
990 the Financial Control and Advisory Committee and the Advisory Committee presents  
991 their reports for the previous years. These reports are heard by the GA, not  
992 voted.

993 The Treasurer presents the annual accounts and financial report of the previous  
994 financial year and the budget and the financial plan of the upcoming year. These  
995 documents can be amended and voted.

996 The Executive Committee presents the Activity Plan and the Strategy Plan (if  
997 applicable) for the upcoming year(s). These documents can be amended and voted.

998 The deadlines for presenting and amending these documents are detailed in the  
999 Internal Rules and Procedures.

1000 The Presidency is responsible for organising Compromise Amendment Sessions (CAS)  
1001 to try and find compromises on amendments, so that documents have a higher  
1002 chance of being adopted.

1003 Compromise Amendment Sessions (CAS):

1004 The Compromise Amendment Sessions are called CAS in short. Everyone who has  
1005 speaking rights at the General Assembly can attend the compromise amendment

1006 session, and it's advised that all member organisations with voting rights do  
1007 so.

1008 Compromises are made between the member organisations or the body that proposed  
1009 the original document and the member organisations or the body that proposed the  
1010 amendment subject to compromise. It is advised to include other interested  
1011 Member Organisations in this compromise process so as to further broaden  
1012 consensus.

1013 Amendments to existing documents (Statutes, Internal Rules and Procedures,  
1014 Political Platform) are only subjected to compromise if the compromise is in the  
1015 scope of an already submitted amendments. The Presidency may declare a  
1016 compromise amendment ineligible if its scope is different from the original  
1017 amendment.

1018 During the Compromise Amendment Session, the proposer of the resolution presents  
1019 their resolution. The proposer of the amendment presents their amendment. At  
1020 this point other parties can declare their positions towards the amendment. The  
1021 proposer of the resolution can adapt the amendments or seek a compromise. If a  
1022 compromise is reached, it is shared with the delegates of the General Assembly.  
1023 Unless a Full Member Organisation or the Executive Committee disputes the  
1024 compromise, it is considered adopted. If the compromise is disputed, the  
1025 compromise will be sought until the last day of the General Assembly.

1026 It is encouraged that the CAS sessions are organised in advance of the General  
1027 Assembly, following the deadline for amendments which is one week before the  
1028 General Assembly. The CAS session can happen online.

1029 In the voting, firstly the compromised amendments on the document as whole are  
1030 voted. Afterwards, the document itself is voted on.

## 1031 Resolutions

- 1032 • Each resolution should have an international and/or European angle
- 1033 • Each resolution should be supported by at least one Member Organisation
- 1034 • A resolution should always have a call to action
- 1035 • A resolution should preferably be around 5,000 characters but definitely  
1036 not more than 10,000

1037 The Executive Committee can recommend review of certain resolutions to the  
1038 Presidency.

1039 The Presidency can suggest/demand the proposers of the resolution to withdraw  
1040 their resolution or to postpone the resolution to the further General  
1041 Assemblies.

1042 Speaking rights and debates:

1043 Speaking rights are open to all members of FYEG bodies, and all registered  
1044 participants of the General Assembly.

1045 The presidency ultimately decides which individuals are given the opportunity to  
1046 speak.

1047 The speaking time for debates is proposed by the presidency at the beginning of  
1048 every debate based on the content of the debate and the time assigned for the  
1049 current session in the agenda.

1050 The presidency can change the assigned speaking time based on the time left of  
1051 the session to better fit the agenda, as they see fit. This might include  
1052 cutting breaks.

1053 The General Assembly can overrule (with a simple two thirds majority) the  
1054 presidency's proposals for speaking time. In such cases the new Agenda proposal  
1055 must be submitted to the Presidency in a written form.

1056 During sessions where debates will take place, participants will be able to  
1057 submit 'speaker cards' before the session. These cards will note if they are  
1058 for/against, their Member Organisation and their gender.

1059 In view of the received speaker cards, the Presidency will define the speaker  
1060 list. Speakers may still be taken from the floor for balance, but those who  
1061 submit cards will be prioritised

1062 The presidency will ensure gender balance on the speaking list. This is done  
1063 through a strict quotation of the list. Only as many men are allowed to speak as  
1064 non-men are on the list. The only exception is if people are on the list who  
1065 haven't participated in the debate up to that point. They will be chosen before  
1066 persons that have already made plenty of contributions.

1067 The only exceptions to the speakers list are technical points. If someone has a  
1068 technical point, they must signal the presidency and will be given the floor  
1069 after the current speaker.

1070 Types of debate:

1071 Open debate: The debate is open to speakers willing to speak for or against the  
1072 resolution or amendment being discussed, as well as for contributions that are  
1073 neither opposed nor in favour. This debate is often used during the Compromise  
1074 Amendment Sessions.

1075 Con-Pro: The debate is organised by an alternation of speakers against and for  
1076 the resolution or amendment being discussed. This debate is often used during  
1077 the Voting Session of the amendments that goes to vote and the resolutions.

1078 It should be noted that all the compromises should be reached before the voting  
1079 session and the point of the con-pro debate is not to reach a compromise but to  
1080 explain the positions. Therefore the presidency is encouraged to do only one  
1081 round of con-pro debates, and if more than one rounds occur time is monitored by  
1082 the presidency to ensure that overall the 'pro' and 'con' sides are both  
1083 allocated equivalent speaking time.

1084 Quorum, voting and majorities:

1085 Quorum, voting rules and majorities are defined in the Internal Rules of  
1086 Procedures.

1087 Voting rules and majorities are defined in the Internal Rules of Procedures

1088 A quorum check will be called before the voting sessions.

1089 Safer Spaces

1090 The General Assembly is a space where everybody feels safe, and has an equal  
1091 opportunity to be heard. The Presidency is responsible for chairing the General  
1092 Assembly in line with FYEG's Safer Spaces regulations. The presidency can ban a  
1093 participant for misconduct for the remainder of a session.

1094 **(Queer-)Feminist Council**

1095 **On a point of order, the women, intersex, nonbinary, trans and agender**  
1096 **participants present and entitled to vote may decide whether they wish to hold a**  
1097 **Feminist Council. The motion is dealt with with one pro and one con speech, with**  
1098 **only those eligible to vote on the motion able to speak; the debate can be**  
1099 **opened up beyond these two speeches. The Feminist Council then deliberates for**  
1100 **up to one hour in the absence of the other participants and informs the entire**  
1101 **body of the outcome after the end of the Feminist Council. The Feminist Council**  
1102 **is considered part of the respective body. The organizers are responsible for a**  
1103 **parallel programme dealing with a feminist policy topic for all those not**

1104 participating in the Feminist Council.  
1105 At the Feminist Council, women, intersex, nonbinary, trans and agender people  
1106 can issue a Feminist vote. In the case of motions that affect the right of self-  
1107 determination of women, intersex, nonbinary, trans or agender people in terms of  
1108 form or content or that particularly affect women, intersex, nonbinary, trans or  
1109 agender people, the Feminist Council has the opportunity to hold a separate vote  
1110 among women, intersex, nonbinary, trans or agender people before the assembly  
1111 vote. This Feminist vote is a strong and urgent recommendation to the assembly  
1112 and shall be understood as such. The feminist vote is a non-binding  
1113 recommendation.

## 1114 **Annex 2: Working Group Guidelines**

1115 These guidelines are to serve the Working Groups and the Working Group  
1116 coordinators.

1117

1118 Working Group rights and responsibilities:

1119 Working group functions are detailed in the FYEG's Internal Rules of Procedures.  
1120 FYEG Working Groups are based on direct democracy and the inclusion of all its  
1121 members. Most of the Working Group meetings happen online, through the channels  
1122 of internal communication available to them. Working Group members can have  
1123 access to usage of the internal communication tools available to FYEG (such as  
1124 online meeting softwares). As set out in the Internal Rules of Procedures, the  
1125 EC is responsible for setting up a new Working Group and for ending the term of  
1126 a Working Group.

1127 Working Groups can (and not only):

1128 • Support FYEG and its bodies in developing policy documents

1129 • Provide feedback to FYEG's internal policies and documents

1130 • Create campaigns

1131 • Create guidelines, templates, training material, and similar material

1132 All the Working Group activities must be in line with the FYEG Political  
1133 Platform.

1134  
1135 Only FYEG's Executive Committee (EC) has the mandate to speak on behalf of the  
1136 organisation and engage in partnerships with other organisations. Therefore, any  
1137 external communication or partnership request needs their approval.

1138 When the Working Group has a request for content to be shared via FYEG's  
1139 official channels, firstly, it should be approved by the member of the Executive  
1140 Committee responsible for the Working Group (hereinafter EC Responsible).

1141 Moreover, if the Working Group decides to engage in external partnerships, sign  
1142 letters of external partners (i.e. organisations other than Green Political  
1143 Organisations), etc. this must also be approved by the EC Responsible for the  
1144 Working Group.

1145 Finally, if the Working Group needs support from the FYEG Office in matters of  
1146 communication, administration, finances, etc. the Working Group should  
1147 communicate a detailed concept, through the Working Group coordinator, to the EC  
1148 Responsible in a timely manner.

1149 Executive Committee responsibilities:

1150 The EC Responsible is the person appointed among the EC members to be  
1151 responsible for the Working Group.

1152 They are responsible for:

- 1153 • Initial setup of the Working Group: defining the aims, scope, timeframe,  
1154 publishing a call for Working Group members and coordinators
  
- 1155 • Choosing the first members of the Working Group and the Working Group  
1156 coordinators
  
- 1157 • Meeting with the coordinators to explain their roles and responsibilities
  
- 1158 • Attend meetings where needed/wanted to (optional) - but in general, it is  
1159 more important to be aware what they are up to
  
- 1160 • Keeping track of all their activities and being aware of how the Working  
1161 Group is progressing and what they are up to

1162       • Providing political advice and making sure the Working Group acts in line  
1163       with FYEG's Political Platform

1164       • Updating the Working Group on FYEG activities related to their topics and  
1165       purposes

1166       The EC responsible has the possibility to exclude someone from the Working Group  
1167       on the recommendation of the coordinators or at least three members of the  
1168       group. The EC has to be informed of the decision. The person has the possibility  
1169       to appeal to the Advisory Committee.

1170       Working Group coordinator responsibilities

1171       A working group should have two coordinators, at least one of them self-  
1172       identifying as women, intersex, nonbinary, trans or agender.

1173       If it is impossible to find two coordinators even after the EC responsible's  
1174       best efforts to do so, an exemption can be made if approved by the FYEG EC. In  
1175       this case, it is required that either the EC responsible or the Working Group  
1176       coordinator self-identifies as female, intersex, nonbinary, trans or agender,

1177       Working Group coordinator tasks are as follows:

1178       • Set meetings and agendas for Working Group and notifying members of action  
1179       points afterwards (online Working Group meetings should strive to be  
1180       planned at least once every two weeks, excluding holidays and exceptional  
1181       circumstances)

1182       • Set up the main communication channels

1183       • Main point of contact for EC Responsible

1184       • Keep the EC Responsible up to date on what's happening in the Working  
1185       Group

1186       • Keep Working Group members informed and updated on EC's feedback and  
1187       recommendations

- 1188 • Steer direction: set priorities, what themes/projects they work on,  
1189       oversee the work
  
- 1190 • Coordinate the creation of a Working Group activity plan, guided be the  
1191       objectives and goals set out at the beginning
  
- 1192 • Set up subgroups (if necessary or desired)
  
- 1193 • They do not need to be involved in every single project or attend every  
1194       meeting, but in their absence should delegate project or meeting  
1195       moderation to someone else, and keep themselves updated on progress

## 1196 **Annex 3: Safer Spaces Policy**

1197 Safer spaces are evolving and not static. We have high expectations on how we  
1198 behave towards each other in our meetings, actions and social spaces. Making a  
1199 space safer means different things depending on the group of people involved as  
1200 each group has different needs. This policy aims to be considered in every  
1201 meeting involving FYEG, but the document should evolve as we learn and grow.

1202 As an organisation we build social relationships inside and outside of meetings  
1203 and actions. We commit to this Safer Spaces policy wherever we are together,  
1204 this includes ensuring that ALL spaces are inclusive and harmless.

1205 If someone violates these agreements a discussion or mediation process can  
1206 happen, depending on the wishes of the person who was affected. If a serious  
1207 violation happens to the extent that someone feels unsafe, they can be asked to  
1208 leave the space and/or speak with one member of the Awareness Group. If  
1209 necessary, the Sexual Harassment Protocol will be activated.

1210 1. Respect! Racism, as well as ageism, GSRM-phobia , sexism, ableism or  
1211 prejudice based on ethnicity, nationality, class, gender, gender presentation,  
1212 language ability, asylum status or religious affiliation is unacceptable and  
1213 will be challenged. FYEG has a zero-tolerance policy with any kind of  
1214 discrimination, even though we acknowledge that there can be different levels in  
1215 a breach of a safe space.

1216 2. Be aware of your privileges! Including racial, class and gender privilege  
1217 and/or less obvious or invisible hierarchies. Think about how your words,

1218 opinions and feelings are influenced and who they might exclude or harm.

1219 3. Consent! Respect each other's physical and emotional boundaries, always get  
1220 explicit verbal consent before touching someone or crossing boundaries. Don't  
1221 assume your physical & emotional boundaries are the same as other people's.

1222 4. Friendly use of language! Be aware of the language you use in discussion and  
1223 how you relate to others. Try to speak slowly and clearly and use uncomplicated  
1224 language especially when non-natives speakers are involved in the conversation.

1225 5. Don't anticipate yourself! Avoid assuming the opinions and identifications of  
1226 other participants.

1227 6. Learning; if you don't understand something, just ask. You may be directed to  
1228 a book, website or skill share to learn more. It's ok to make mistakes. Please  
1229 show appreciation for the hard work of others and be considerate when you offer  
1230 criticism.

1231 7. Everyone has their turn; give each person the time and space to speak. In  
1232 large groups, or for groups using facilitation: Raise your hand to speak.

1233 8. Calling out; if you have acted or spoken harmfully, even if unintentionally,  
1234 expect that someone will bring this up to you. If this happens, listen and  
1235 reflect on what they are saying even if you think they may be wrong. Don't try  
1236 to absolve yourself of responsibility.

1237 This policy should be expanded with specific measures and practices to promote  
1238 the creation of safer spaces.

1239

1240 **The EC, Office and all Prep Teams must organise mandatory reflection/awareness**  
1241 **sessions dedicated to discussing power dynamics in relation to sexual/romantic**  
1242 **relationships within our Federation, being mindful about how they engage with**  
1243 **participants and ethical leadership within FYEG.**

1244 1. **The EC should hold such a reflection/awareness session at a minimum once a**  
1245 **year preferably at the first live ECM.**

1246 2. **The Office should hold such a reflection/awareness session at a minimum**  
1247 **once a year.**

1248 **3. Prep Teams should hold such a session at least once during a Prep Team**  
1249 **meeting before the event they are organizing begins.**

1250 **Discussions on power dynamics and ethical leadership also are incorporated into**  
1251 **the onboarding process for new EC members and Office members.**

1252

1253 **Permanent Awareness Team**

1254 **The Permanent Awareness Team consists of one member from the EC and one**  
1255 **volunteer that is not a member of the EC. Both members are selected by the EC.**  
1256 **This team operates in addition to the event-specific awareness groups and are**  
1257 **complementary to those. Members of FYEG should be informed of the existence of**  
1258 **this team and know that they can contact them regarding situations that make**  
1259 **them feel uncomfortable or if they have concerns about the behaviour of EC**  
1260 **Members, Office members, or PT members.**

1261 **The Permanent Awareness Team should be easily accessible via the website, and**  
1262 **there should be a contact form available that allows for anonymous submissions.**

1263 **The team is responsible for safeguarding the anonymity of any FYEG members who**  
1264 **reach out to them.**

1265 **The Permanent Awareness Team has the authority to make recommendations and**  
1266 **propose initiatives in the form of reports to the EC and the General Assembly as**  
1267 **needed.**

1268

1269 **Anti sexual harassment protocol**

1270 **FYEG has a zero-tolerance policy on sexual harassment at all its events, within**  
1271 **all its structures and during all activities. This protocol is applicable for**  
1272 **those participating in an FYEG activity (General Assembly, Strategic Planning**  
1273 **Committee, Working Group Meeting or any other activity), members of a Member**  
1274 **Organization (MO), or members of an online structure of FYEG, referred to as**  
1275 **“this organization” from now onwards in this protocol.**

1276 **Anyone who is subject to sexual harassment can approach one of the designated**  
1277 **contact points responsible for receiving complaints of sexual harassment. The**  
1278 **Executive Committee will designate an Awareness Group for anyone presenting**  
1279 **allegations of physical, verbal or online sexual harassment. In accordance with**

1280 the IRPs, the Awareness Group will be formed by two persons from the EC who are  
1281 of different genders. Additionally, every Prep - Team will designate one person  
1282 to be an independent contact person in our projects. However, this person shall  
1283 always inform the official contact points if a procedure starts, in the case of  
1284 their absence, the main contact will be the Project Manager.

1285 When one of these procedures is open in the organization, the EC as a whole must  
1286 be informed of the procedure without details of the people involved or the  
1287 presented allegations to respect confidentiality. If a case involves someone  
1288 from the EC, the case will be brought to the Advisory Committee (AC). The  
1289 Advisory Committee will act as contact points when a case arises, following this  
1290 protocol. However, the EC will not be informed until a final decision is made.

1291 Important note:

1292 These procedures will follow general principles such as the privacy of the  
1293 survivor, confidentiality of the process and survivor's choice and preference.  
1294 We respect the presumption of innocence of any alleged harasser which is why  
1295 this procedure is in place and has been approved in the General Assembly.  
1296 However, as a feminist organization, we also believe in the principle of  
1297 believing the survivor and putting the burden of the proof on the alleged  
1298 harasser.

1299 This procedure might be applied to an internal case of a MO if this case is  
1300 related to FYEG activity or if the people involved take part in any FYEG  
1301 structure. However, we will not be able to extend sanctions or disciplinary  
1302 measures beyond FYEG. MOs can however adapt this protocol to their own  
1303 organization.

1304 When the designated people receive a complaint of sexual harassment, they shall:

- 1305 1. Immediately record the dates, times and facts of the incident(s);
- 1306 2. ascertain the views of the survivor as to what outcome they want, ensure the  
1307 survivor feels safe and ensure the survivor is separated from the alleged  
1308 offender unless the survivor wishes otherwise;
- 1309 3. ensure that the survivor and the alleged harasser understands FYEG protocol  
1310 for dealing with the complaint;
- 1311 4. discuss and agree the next steps with the alleged survivor, informal, formal  
1312 or outside complaints procedure (police, hospital, embassy, etc.), on the  
1313 understanding that choosing to resolve the matter informally does not preclude  
1314 the survivor from pursuing a formal complaint if they are not satisfied with the

1315 outcome;

1316 5. keep a confidential record of all discussions. Records will be destroyed if  
1317 the alleged survivor requests it, or before the change to a new EC. However, a  
1318 record of sanctions and a brief description of the reason will be kept in a safe  
1319 place;

1320 6. respect the choice of the survivor;

1321 7. and ensure that the survivor knows that they can lodge the complaint outside  
1322 of FYEG through the relevant country/legal framework.

## 1323 INFORMAL COMPLAINTS PROCEDURE

1324 If the survivor wishes to deal with the matter informally, the designated person  
1325 will:

1326 • Approach the alleged harasser saying that the behaviour is offensive,  
1327 unwelcome and must be stopped;

1328 • Inform the harasser that FYEG has a zero tolerance policy on sexual harassment  
1329 and that disregarding this policy may result in the person's exclusion from the  
1330 organization

1331 • give an opportunity to the alleged harasser to respond to the complaint;

1332 • ensure that the alleged harasser understands the complaints mechanism;

1333 • facilitate discussion between both parties to achieve an informal resolution  
1334 which is acceptable to the complainant, provided the alleged survivor agrees,

1335 • ensure that a confidential record is kept of what happened;

1336 • follow up after the outcome of the complaints mechanism to ensure that the  
1337 behaviour has stopped and that there is no risk of its repetition;

1338 • And ensure that the above is done accurately and at the latest within 10 days  
1339 of the complaint being made. During events, the procedure shall take place  
1340 within 48 hours.

## 1341 FORMAL COMPLAINTS PROCEDURES

1342 If the survivor wants to make a formal complaint or if the informal complaint  
1343 mechanism has not led to a satisfactory outcome for the survivor, the formal  
1344 complaint mechanism should be used to resolve the matter.

1345 The designated person who initially received the complaint will communicate to  
1346 the rest of contact points the opening of a formal complaint procedure. The EC  
1347 will be informed of this, respecting the confidentiality of the alleged survivor  
1348 and the allegations. The designated person who initially received the complaint  
1349 will carry out the investigation with the assistance of the Awareness Group and  
1350 the independent contact person at the moment in which allegations were  
1351 presented, if any. They will help the investigator with the analysis and  
1352 decision making process. A procedure for online harassment shall be developed.

1353 The person carrying out the investigation will:

- 1354 • interview the survivor and the alleged harasser separately
- 1355 • interview other relevant third parties separately
- 1356 • decide whether the incident qualifies as sexual harassment within the meaning  
1357 of this protocol
- 1358 • produce a report detailing the investigations, findings and any  
1359 recommendations
- 1360 • if the harassment took place, decide what the appropriate remedy for the  
1361 survivor is, in consultation with the survivor (i.e. an apology, a change of  
1362 structure, suspension..)
- 1363 • follow up to ensure that the recommendations are implemented, that the  
1364 behaviour has stopped and that the survivor is satisfied with the outcome
- 1365 • if it cannot determine that the harassment took place, they may still make  
1366 recommendations to ensure proper functioning of the organization
- 1367 • keep a record of all actions taken
- 1368 • ensure that all records concerning the matter are kept confidential
- 1369 • ensure that the process is done as quickly as possible and in any event within  
1370 15 days of the complaint being made

1371 The general rule is to avoid the presence of the alleged harasser in those

1372 places/structures in which the alleged survivor moves. It is vital that the  
1373 wishes and needs of the survivors are incorporated into the outcome of the  
1374 complaints mechanism.

1375 A data protection protocol will be developed.

### 1376 OUTSIDE COMPLAINT MECHANISM

1377 This protocol seeks to create a fast and appropriate response to allegations of  
1378 sexual harassment. However, it does not seek to substitute existing regulation  
1379 and legislation on this issue. We want to make clear that FYEG wants to be fully  
1380 supportive with every decision of the alleged survivor.

1381 A person who has been subject to sexual harassment can at any time make a  
1382 complaint outside of the organization. Even though this organization cannot  
1383 offer legal advice, the contact point(s) will accompany the person to the  
1384 instance this person prefers (hospital, police, ombudsperson, law courts,  
1385 embassies, etc.) if they request it.

### 1386 SANCTIONS AND DISCIPLINARY MEASURES

1387 Anyone who has been found to have sexually harassed another person under the  
1388 terms of this policy may be sanctioned. Sanctions may include but are not  
1389 limited to one of the following :

1390 • Verbal or written warning

1391 • Suspension from an elected or non-elected FYEG structure, in line with FYEG  
1392 IRPs when appropriate

1393 • Dismissal/expulsion

1394 Depending on the seriousness of the allegations, the EC, upon request of the  
1395 Awareness Group may suspend someone from taking part in any FYEG structure or  
1396 activity during the duration of the process. Confidentiality of the survivor  
1397 will be maintained.

1398 In case of sexual harassment, violence or discrimination by a member of an  
1399 elected body within FYEG (Financial Control Committee, Advisory Committee or  
1400 Ecosprinter Board) the EC can exclude the offender after consulting the full  
1401 MOs. (cf. 2.2.2). If the case arises within the EC, the Advisory Committee can  
1402 exclude the offender after consulting the full MOs.

1403 The nature of the sanctions will depend on the gravity and extent of the  
1404 harassment. Suitable deterrent sanctions will be applied to ensure that  
1405 incidents of sexual harassment are not treated as trivial. Certain serious  
1406 cases, including physical violence, will result in the immediate dismissal of  
1407 the harasser.

1408 Guidelines for persons of contact

1409 Read the protocol and understand every aspect

1410 What is sexual harassment? It is unwanted behaviour of a sexual nature which:

- 1411 • Violates your dignity
- 1412 • Makes you feel intimidated, degraded or humiliated
- 1413 • Creates a hostile or offensive environment

1414 Sexual harassment “can include, but is not limited to”, these examples:

- 1415 • Touching, pinching, stroking, squeezing, or brushing against someone
- 1416 • Leering or ogling
- 1417 • Making LGBTIAQ+-phobic or GSRM (Gender, Sexual and Romantic Minorities)-  
1418 phobic comments and sexually suggestive signals, winking
- 1419 • Sending unwanted e-mails, text messages, posting sexually-explicit jokes  
1420 or content on FYEG communication channels
- 1421 • Sexual comments or jokes
- 1422 • Making insults based on a person’s sex or rating their sexuality

1423 • Turning work discussions to sexual topics

1424 • Physical behaviour, including unwanted sexual advances, touching and  
1425 various forms of sexual assault

1426 • Displaying pictures, photos or drawings of a sexual nature

1427 Remember: Whether harassing intentionally or unintentionally, we all have a  
1428 responsibility to monitor our behaviour and respect each other. Anyone who  
1429 reports an incident has the right to remain anonymous. They also have the right  
1430 to feel safe and respected.

1431 Listen and Support

1432 It's tough to be prepared when someone tells you that they have been the  
1433 survivor of sexual harassment. Remember, you can only provide support

1434 Support and understanding are essential. It takes a lot of courage for a  
1435 survivor to share their experience;

1436 Try to provide a safe/non-judgmental environment, emotional comfort and support  
1437 for the survivor to express feelings;

1438 Let them know that they can talk with you. Listen. Don't rush to provide  
1439 solutions.

1440 Believe

1441 The most common reason people choose not to tell anyone about sexual abuse is  
1442 the fear that the listener won't believe them. People rarely lie or exaggerate  
1443 about abuse; if someone tells you, it's because they trust you and needs someone  
1444 to talk to.

1445 People rarely make up stories of abuse. It is not necessary for you to decide if  
1446 they were "really hurt." If the survivor says they were hurt, that should be  
1447 enough

1448 Believe what the person tells you. It may have been difficult for them to talk  
1449 to you and trust you. Unless proven wrong harassment has happened.

### 1450 Reassure

1451 Sexual assault is NEVER the survivor's fault. No one asks to be sexually  
1452 assaulted by what they wear, say or do. Let the survivor know that only the  
1453 perpetrator is to blame;

1454 The survivor needs to hear that fears, anxieties, guilt and anger are normal,  
1455 understandable and acceptable emotions;

1456 Remember, no one ever deserves to be abused or harassed.

### 1457 Be Patient

1458 Don't press for details – let the person decide how much to tell you. Ask them  
1459 how you can help;

1460 Survivors have to struggle with complex decisions and feelings of powerlessness,  
1461 trying to make decisions for them may only increase that sense of powerlessness;

1462 You can be supportive by helping them to identify all the available options and  
1463 then help them by supporting their decision making process (here refer to the  
1464 protocol).

1465 The survivor can't just "forget it" or just move on. Recovery is a long term  
1466 process and each individual moves at their own pace

### 1467 Encourage

1468 Encourage the survivor to seek medical attention, report the assault, and or  
1469 contact a professional if needed. Remember, the survivor must ultimately make  
1470 the decision as to what to do. They are the experts in their own lives. Don't  
1471 push. Remember, support their choices no matter what they decide.

### 1472 Respect Privacy - Confidentiality

1473 Don't tell others what the survivor tells you. Let the individual decide who  
1474 they will tell. It is important not to share information with others who are not  
1475 involved;

1476 If you do need to share information for their safety, get permission by letting  
1477 them know what you will share and with whom it will be shared; ie. the rest of  
1478 contact points in case of a formal complaint

### 1479 Establish Safety

1480 An important part of helping the survivor is to identify ways in which the  
1481 survivor can re-establish their sense of physical and emotional safety. You are  
1482 a step in the process. Ask them what would make them feel safe and how you can  
1483 help them accomplish this.

1484 If the stalking or harassment is ongoing, help them to develop a plan of what to  
1485 do if they are in immediate danger. Having a specific plan and preparing in  
1486 advance can be important if the harassment escalates.

### 1487 Things you can say

1488 It is hard to know what to say to a person when they confide in you. Refrain  
1489 from asking a lot of questions, instead, support them with these phrases. Let  
1490 the person know that you believe that they have the strength and capacity to  
1491 heal.

1492 • It's not your fault

1493 • I'm sorry this happened

1494 • I believe you

1495 • How can I help you?

1496 • I am glad you told me

1497 • I'll support your choices

1498 • You're not alone

### 1499 Use of inclusive language

1500 FYEG aims to use language in its communications and its events that reflects the  
1501 level of English spoken within an organisation of mostly non-native speakers.

1502 FYEG promotes the use of inclusive and accessible language within the  
1503 organisation. FYEG attempts to reduce the shame of using simple language. We do  
1504 this to make sure that everyone feels welcome to participate and contribute.
