

I1 Internal Rules of Procedure

Proposer: FYEG
Agenda item: 8. Statutory Documents

Motion text

1 General Principles

2 FYEG will have minimal statutes that only contain what legally matters and they
3 will be revised in case the Belgian law changes. All other matters will be taken
4 care of in the IRPs.

5 The IRPs must never contradict the statutes, they can elaborate.

6 The IRPs shall be facilitating and helping with decision-making processes as
7 well as the organisation of the federation. There shall be no more rules than
8 necessary.

9 This document shall be accessible to every MO on the website.

10 All acts, invoices, publications, official letters and websites, in electronic
11 form or not, emanating from the association must mention:

12 - its full or abbreviated name, immediately preceded or followed by "AISBL" or
13 "international non-profit association",

14 - the precise indication of its registered office,

15 - its company number,

16 - the terms "register of legal persons" or the abbreviation "RPM" followed by
17 the indication of the court of the registered office of the legal person,

18 - if applicable, their email address and website,

19 - the number of at least one account held by the association with a credit
20 institution established in Belgium,

21 - if applicable, the indication that the association is in liquidation.

22 **1. Member Organizations**

23 1.1. Membership

24 1.1.1. Membership categories

25 The association is made up of member organisations only and has three categories
26 of member organisations:

27 Full members

28 Candidate members

29 Associate members

30 1.1.2. Membership criteria

31 Membership criteria are detailed in the Statutes.

32 1.1.3. Conditions of admission of candidate members

33 Conditions of admission of candidate member organisations are detailed in the
34 Statutes.

35 1.1.4. Conditions of admission of full members

36 Conditions of admission of full member organisations are detailed in the
37 Statutes.

38 In addition, a candidate member organisation must apply for full membership
39 latest at the General Assembly three years after it has received its candidate
40 member organisation status. If the candidate member organisation does not apply
41 for full membership in the third year of its candidacy, the Executive Committee
42 can propose the suspension or exclusion of the candidate member organisation.

43 1.1.5. Conditions of admission of associate members

44 Conditions of admission of associate member organisations are detailed in the
45 Statutes.

46 1.1.6. Resignation of members

47 Conditions for the resignation of members are detailed in the Statutes.

48 1.1.7. Suspension of members

49 Conditions for the suspension of members are detailed in the Statutes.

50 The Executive Committee has a right to propose the suspension of a member
51 organisation to the General Assembly in the following cases (not limited to):

- 52 • no update or other contact is made between a member and the FYEG Executive
53 Committee between two General Assemblies,
- 54 • the member organisation doesn't fulfil one or more of the membership criteria,
- 55 • the member organisation didn't pay their membership fee,
- 56 • major changes that happened in the member organisation, which need to be
57 investigated by the EC.

58 The suspension of a member means that the organisation loses its voting rights.

59 When a member is suspended, the Executive Committee:

60 1. informs the member organisation about the suspension via an e-mail and
61 explain the consequences

62 2. makes all reasonable efforts to enable the member to regain its full
63 membership

64 3. creates a report on this process and presents it at the following General
65 Assembly.

66 1.1.8. Exclusion of members

67 Conditions for the exclusion of members are detailed in the Statutes.

68 The exclusion of an MO means that this organisation is not listed as a member
69 organisation anymore and hence loses all of its rights within FYEG. Following an
70 exclusion, an organisation that wishes to rejoin FYEG is expected to follow the
71 entire membership procedure, as a new organisation would.

72 The rejoining organisation is required to inform GA about changes that happened
73 in their organisation since leaving FYEG and explanation of their decision about
74 rejoining.

75 1.1.9. Suspension and exclusion in case of non-payment of
76 membership fee

77 The suspension and exclusion of member organisation in case of non-payment of
78 membership fee is further detailed in the Statutes.

79 1.1.10. Membership fee

80 FYEG has an annual membership fee. The ceiling is stated in the Statutes.

81 Each full member organisation shall pay an annual membership fee to FYEG. This
82 membership fee shall correspond to 1 % of the total incomes of their previous
83 year's realised budget with a minimum of 50 EUR for the EU and European Economic
84 Area (Iceland, Liechtenstein and Norway) and Switzerland and the United Kingdom,
85 and 25 EUR for all other European countries.

86 By way of derogation to the previous paragraph, the General Assembly may decide,
87 in duly justified cases, to lower the amount of the membership fee that a Member
88 Organisation shall pay, following a recommendation of the Executive Committee.
89 Requests for lowering the Membership fee shall be sent by a Member Organisation
90 to the Executive Committee at the latest 2 weeks before the GA.

91 Each full MO shall pay their membership fee for the running year on the first
92 evening of the GA at the latest, if it has not already been transferred earlier.

93 Full MOs are requested to provide their annual budget statement for the previous
94 year at the latest. A document listing the amount of the membership fee paid by
95 each MO and the way it has been calculated must be annexed to the financial
96 report of the year in question.

97 1.1.11. Membership reviews

98 The Executive Committee presents a review of the FYEG Member Organisations as
99 part of the Executive Committee Report. The review can include the following
100 information:

101 Overview of the region and its meetings and activities,

102 The Member Organisations' engagement with FYEG activities during the year,

103 Major changes to the Member Organisation.

104 In case of major changes (change of organisations' name, split in the
105 organisation, merge with another organisation, change of political affiliation,
106 etc.), the Executive Committee can propose the General Assembly to vote on that
107 change. The General Assembly may, among other options, take note of the change
108 or suspend the membership of the organisation to give sufficient time to the
109 Executive Committee to look into the situation.

110 1.2. Working with Member Organisations

111 1.2.1. Member Organisation Duties

112 Each MO should keep FYEG updated about:

- 113 - changes in the board
- 114 - valid contact addresses for the MO list and the website
- 115 - activities

116 1.2.2. FYEG duties

117 FYEG will provide the Member Organisations with:

- 118 - information about statutory meetings
- 119 - minutes and reports from statutory meetings and long ECMs
- 120 - a newsletter containing information and participation possibilities in current
121 activities
- 122 - regularly updated contacts of other Member Organisations

123 **2. General Assembly**

124 2.1. Composition

125 The General Assembly is the highest decision body. The General Assembly is
126 composed of one or two delegates per full member organisation, candidate member
127 organisation and associate member organisation.

128 MOs should strive to send delegations to GA that are gender-balanced and consist
129 of delegates maximum aged 30 years old. If the organisation is unable to find
130 delegates within the age limit, they can send older delegates aged 31-35.

131 The delegates can be asked to pay a participation fee for the General Assembly.

132 People who are employed by FYEG or are members of the FYEG Executive Committee
133 cannot be delegates to the general assembly.

134 2.2. Powers

135 The power of the General Assembly is detailed in the Statutes.

136 In addition to what Statutes state, a decision of the General Assembly is
137 required in the following cases:

- 138 - the adoption and amendment of the Activity plan for the upcoming year,
- 139 - the adoption and amendment of Resolutions,
- 140 - the election of the Financial Control and Advisory Committee,
- 141 - the election of the Editorial Board of Ecosprinter,
- 142 - the election of the FYEG representative to the European Green Party Committee,
- 143 - the approval of the Advisory Committee
- 144 - the approval of the Presidency of the General Assembly
- 145 - Decision about joining (or leaving) membership with other
146 organisations/networks

147 The General Assembly also hears the following reports:

- 148 - Activity Report
- 149 - Executive Committee and Secretary General Report
- 150 - FYEG's Representative to the EGP Committee

151 - Ecosprinter Editorial Board report

152 - Financial Control and Advisory Committee report

153 - Advisory Committee report

154 2.3. Functioning

155 The Administrative Board and the Executive Committee summons the annual General
156 Assembly. FYEG Member Organisations are summoned to the General Assembly via
157 ordinary mail or e-mail. The convocation contains the agenda, date, time and
158 place of the General Assembly.

159 General Assembly is presided in line with the Meeting Rules (Annex - 1)

160 The rules for holding extraordinary General Assembly are detailed in the
161 Statutes.

162
163 Changes to the statutory and internal organisational documents take effect from
164 the first working day after the GA meeting where they were changed, except when
165 the GA votes for their immediate implementation through a second vote requiring
166 an absolute two-thirds majority. Persons elected by the General Assembly will
167 start their mandate from the first working day after the GA meeting where they
168 were elected, unless other rules apply for their mandate.

169 2.4. Deadlines and calls

170 The call for hosting the General Assembly must be sent out by latest 1st of
171 October of every year with a one month deadline. The selection of the hosting
172 organisation is done by the Executive Committee.

173 The remaining deadlines are structured as follows:

203 must be signed by one-twentieth of the full member organisations, as detailed in
204 the Statutes

205 In case the number of candidates is less than the number of positions open
206 and/or if the gender quota is not met, the Executive Committee will re-open the
207 call for additional candidates of the underrepresented gender and/or positions
208 with lacking candidates.

209 3 weeks before the General Assembly is the deadline for:

210 publication of Candidacies

211 publication of Executive Committee recommendations on potential member

220 Other deadlines:

221 The deadline for submitting emergency resolutions must be 2 days before the
222 start of the General Assembly. At the end of the General Assembly's first day,
223 the assembly sets a deadline for amendments to the emergency resolutions.

224 2.5. Submission of resolutions and amendments

225 At the general assembly Full Member Organisations and the Executive Committee
226 have the right to submit resolutions, and amendments to resolutions, the
227 political platform, the activity and financial plan, the strategic plan, the

228 statutes and the IRPs, bearing in mind the deadlines specified under 2.4.
229 Support of 3 Full Member Organizations is needed in order to table an emergency
230 resolution.

231 2.6. Presidency

232 The General Assembly confirms the Presidency proposed by the Executive Committee
233 before any other decisions are made.

234 The Presidency then:

- 235 • chairs the meetings and discussions at the General Assembly

- 236 • prepares the resolutions, amendments and voting procedures for the General
237 Assembly

- 238 • is responsible for taking the minutes of the General Assembly

239 The Presidency:

- 240 • consists of four to six people who must not be candidates to any positions
241 at the General Assembly.

- 242 • can be suspended and simultaneously replaced with an absolute two-third
243 majority by the assembly. Such a vote of no-confidence can be demanded by
244 at least 5% of the delegates, who must present people for the new
245 Presidency.

246 2.7. Participation fee

247 A participation fee to the General Assembly can be set up if the Treasurer finds
248 it necessary.

249 The following participants of the General Assembly are exempt from paying the
250 participation fee:

251 One delegate per Full, Candidate and Associate Member Organisation,

252 Executive Committee members

253 the Secretary-General and office

254 members of the Presidency

255 If a full Member Organisation sends a second delegate the participation fee is
256 halved in case at least one of the two delegates self-identifies as women,
257 intersex, nonbinary, trans or agender. Treasurer can grant exemption or lowering
258 of the fee to participant that request it.

259 2.8. Travel reimbursement

260 Full reimbursement of travel costs is granted to:

- 261 • one delegate per full, candidate or associate Member Organisation
- 262 • Executive Committee members
- 263 • the Secretary-General and the office

- 265 • candidates for the Secretary-General elections, provided they have
266 received approval by the pre-selection committee
- 267 • candidates for the FYEG Representative to the EGP Committee, provided they
268 have received approval by the pre-selection committee
- 269 • members of the presidency

270 The Treasurer can decide to reimburse travel costs for:

- 271 • delegates of organisations applying for candidate membership in FYEG

- 272
- candidates for all open positions
- 273
- the second delegate of a full, candidate or associate Member Organisation
- 274 if at least one delegate self-identifies as women, intersex, nonbinary,
- 275 trans or agender.

276 **3. Election and Voting Procedures**

277 3.1. Attendance and voting quorums

278 In line with the Statutes, each Member Organisation has the right to attend the
279 General Assembly. Only Full Member Organisations have voting rights and each
280 Full Member Organisation has two votes.

281 3.1.1. Principles

282 In line with the Statutes, the General Assembly deliberates validly only if 50 %
283 + 1 of the Full Member Organisations are present or represented. The Statutes
284 detail the steps to follow in case the attendance quorum is not reached.

285 In line with the Statutes, in principle all decisions in FYEG are taken by a
286 simple majority of votes registered for the General Assembly. When voting,
287 abstention is always an option. When the vote relates to decisions concerning
288 persons or Member Organisations, the ballot is always secret. The voting body
289 can decide to have other voting procedures processed through secret ballot.

290 3.1.2. Procedures

291 Definitions

292 Votes registered at General Assembly - the number of Member Organisations and
293 their delegates who are registered for the General Assembly and have voted in
294 the determination of the General Assembly quorum

295 Votes cast - the number of votes that were submitted.

296 Simple majority

297 Majority of the votes cast, i.e. the number of "Yes" votes exceed the number of
298 "No" votes.

299 Abstentions are not considered in the count.

300 Examples:

301 Out of 20 votes: 11 yes, 9 no, 0 abstentions: passed; 1 yes, 0 no, 19
302 abstentions: passed.

303 10 yes; 10 no; 0 abstentions. not passed. 10 yes, 9 no, 1 abstention: passed.

304 Absolute majority

305 To pass "yes" should reach the majority (half+1, or half + 0.5 in case of odd
306 number) of the number of votes registered at the General Assembly.

307 Note that it is number of votes registered, not number of votes cast. This means
308 that if less than half of the voters are present and vote, this majority can
309 never be reached.

310 Examples:

311 20 voters registered: need 11 or more yes votes.

312 21 voters registered: need 11 or more yes votes.

313 22 voters registered: need 12 or more yes votes.

314 Simple two-thirds majority

315 Two thirds of the votes cast.

316 Absolute two-thirds majority

317 Two thirds of the number of votes registered.

318 Note that it is the number of votes registered, not the number of votes cast.
319 This means that if less than two thirds of the voters are present and vote this
320 majority can never be reached.

321 Examples:

322 20 voters: need 14 yes or more votes.

323 21 voters registered: need 14 or more yes votes.

324 22 voters registered: need 15 or more yes votes.

325 3.2. Election of candidates

326 3.2.1. Principles

327 FYEG uses a Single Transferable Vote (STV) electoral system with a standard
328 droop quota. Mathematically, this is the next integer larger than $V / (n+1)$ when
329 V = the total number of valid votes and n is the number of positions available.
330 Specifically recommended is the Scottish STV system.

331 3.2.2. Procedures

332 The main principle is to rank all the candidates according to the voter's
333 preferences for each candidate. Where 1 is the first preference 2 the second
334 preference and so on. Voters can rank all candidates even if the number of
335 candidates exceeds the number of positions. Voters can decide to not rank some
336 of the candidates even if this means leaving the ballot partially blank.

337 Only a completely blank ballot counts as abstention, an abstention counts under
338 the exception below.

339 If a simple majority of all ballots cast do not rank the candidate with any
340 numbers they are excluded from the election.

341 0 - All ballots are inspected to determine that candidates have received a
342 simple majority of any kind of ranking on cast ballots. If not, they will be
343 excluded from the election.

344 1 – The candidates who have reached the election quota (i.e. election threshold)
345 are elected.

346 2 – If some positions are still available, the following process starts:

347 2a – The left-over votes on candidates reaching the election threshold are
348 redistributed according to second preferences, using the Single Transferable
349 Vote system of distribution.

350 2b – If one or more candidates have reached the election threshold, that/those
351 candidate(s) are elected in order from highest to lowest vote count. The process
352 then starts again from point (2).

353 2c – If no candidate reaches the threshold in this way, the candidate with the
354 lowest amount of votes is removed from the election. The ballot-papers that
355 ranked this candidate as their first remaining preference are redistributed
356 according to their second preference. The process is then restarted (1).

357 2d - If, following the calculation of the election result, one or more
358 candidates is elected who is ineligible due to quota regulations, these
359 candidates (who had the least number of votes) are removed from the pool of
360 candidates and the entire election is recalculated. That is to say, the election
361 is recalculated, and each time the ineligible candidate would have received a
362 preference vote, the vote instead goes to the voter's next preference.

363 3.2.3. Exceptions

364 At the General Assembly:

365 Concerning the Executive Committee elections:

366 The spokespersons and the treasurer are elected separately from the rest of the
367 Executive Committee positions.

368 Concerning the Advisory Committee:

369 The newly elected Executive Committee will present the proposed Advisory
370 Committee to the General Assembly. The General Assembly ratifies the proposed
371 Advisory Committee by a simple majority vote.

372 Between General Assemblies:

373 Concerning the replacement of a resigned Executive Committee member:

374 If an Executive Committee member resigns, a new Executive Committee member can
375 be elected to replace them.

376 The Executive Committee will publishes a call for candidates for the vacant
377 position. Candidates will be elected via an electronic vote.

378 Any replaced EC member will have full voting rights in the Executive Committee.

379 3.3. Electronic voting

380 The Executive Committee can call for an electronic vote between General

381 Assemblies in urgent matters. It is the duty of the Executive Committee to
382 provide enough information for the full Member Organisations to make an informed
383 decision.

384 Each full Member Organisation has 2 votes. When voting, abstention is always an
385 option.

386 The voting period is set to two weeks with a one week reminder.

387 The Statutes, the Internal Rules and Procedures, the Strategic Plan and the
388 Political Platform cannot be subject to any electronic vote between the General
389 Assemblies.

390 Results will be announced within one week after the closing of the vote and
391 include detailed information.

392 3.4. Tiebreakers

393 3.4.1. Tiebreakers on point of substance

394 In the case of a tie between two points of substance, the vote shall be held
395 again. If the result is once again a tie, the body voting may choose to vote
396 once more, table the discussion to later in the meeting, or decide by some form
397 of chance. Note that this paragraph is not intended to apply to ties between
398 "yes", "no", or "abstain" where some point of substance requires a majority to
399 pass.

400 3.4.2. Tiebreakers relating to elections

401 If the tie occurs between two candidates in an election, and only one may be
402 elected, a vote shall be held to decide between them. If the result is once
403 again a tie, the body voting may choose to vote once more or decide by some form
404 of chance. At any point during this, either candidate may choose to withdraw.

405 3.5. Dismissal of elected persons

406 3.5.1. Dismissal of Executive Committee member

407 Two thirds of the Executive Committee can propose dismissal of an Executive
408 Committee member.

409 The Full Member Organisations vote on the proposed resignation through
410 electronic vote.

411 The vote is based on two letters: a letter of justification from the majority of
412 Executive Committee members proposing the dismissal and an optional letter of
413 defence from the Executive Committee member.

414 If at least one third of the full MOs participate in the vote and a two third
415 majority is reached the Executive Committee member is dismissed.

416 3.5.2. Dismissal of Secretary-General

417 Two thirds of the Executive Committee can propose the dismissal of the
418 Secretary-General. An additional General Assembly must then be convened by a
419 decision of the Administrative Board under the applicable rules (as set out in
420 the statutes), where the Member Organisations vote on both the dismissal of the
421 existing Secretary-General, and the election and appointment to the
422 Administrative Board of a new interim Secretary-General. The Executive Committee
423 has the right to in writing and orally inform the Member Organisations as to why
424 they have proposed the dismissal, and the Secretary-General the right to defend
425 themselves.

426 If quorum is reached (as detailed in the Statutes) and a simple two-thirds
427 majority is found at the additional General Assembly for dismissing the
428 Secretary-General, the Secretary-General is dismissed. The Executive Committee
429 can propose dismissal of the Secretary General, with two-thirds of the votes of
430 the members of the EC. The Member Organisations must be notified within 8 days
431 about the decision and the Executive Committee must appoint a Secretary-General
432 ad interim within 8 weeks after the decision of the Executive Committee. The
433 Secretary General ad interim will continue until the election of a new Secretary
434 General at the subsequent General Assembly. The new interim Secretary-General
435 will take over the mandate over the former Secretary-General, expiring whenever
436 the former Secretary-General's mandate would have expired. They have all the
437 powers and responsibilities of the former Secretary-General.

438 3.6. Gender quota

439 In all elected bodies there must be a minimum of 50% of people that self-
440 identify as women, intersex, nonbinary, trans or agender.

441 If there is only one position in a body, there is no quota. However it is
442 encouraged that people that self-identify as women, intersex, nonbinary, trans
443 or agender alternate in this position.

444 4. Bodies

445 4.1. Administrative Board

446 In line with the Statutes, the association is administered by an administrative
447 board composed of three people, appointed by the general assembly amongst the
448 Secretary-General, and members of the Executive Committee, preferably the
449 Spokespeople and the Treasurer.

450 4.2. Executive Committee

451 The Executive Committee members are responsible for making strategic and
452 political decisions about the organisation during their mandate and between
453 General Assemblies.

454 The Executive Committee is composed of eight people:

455 who are elected by the General Assembly with a one-year mandate

456 whose mandate can be renewed three times

457 in case of by-election, the term only counts as a mandate if it exceeds 9 months

458 an EC member can not hold two mandates in the same role

459 An EC candidate must not be older than 32 on the year of election.

460 A mandate is the period between one Annual GA and the second to next Annual GA.

461 Within the EC there are two spokespersons, who must not be from the same Member
462 Organisation, the treasurer and five additional members. The gender quota
463 applies to the spokespersons.

464 The Executive Committee:

465 is responsible for the relations with the Member Organisations,

466 has the right to make statements on behalf of FYEG, in line with the political
467 platform

468 oversees the implementation of the activity plan as decided by the General
469 Assembly

470 receives and handles applications from organisations that wish to join FYEG and

471 produces a report for the General Assembly including voting recommendation

472 can engage FYEG in partnerships with external movements, networks and
473 organisations

474 select members of non-elected temporary bodies and provides political support to
475 them (such as the prep-teams, working groups, task forces etc.)

476 The Executive Committee members represent FYEG to its partners, member
477 organisations and other stakeholders.

478 4.2.1. Spokespeople

479 The Spokespersons:

480 Coordinate the Executive Committee

481 Represent FYEG to the public and are a contact point for people from outside the
482 Federation.

483 Represent FYEG with the Partners and attend European Green Party Committee
484 meetings

485 Are responsible for the secretariat

486 The mandate of the spokespersons is further stated in the internal delegation
487 order of FYEG, adopted by the Executive Committee on an annual basis.

488 4.2.2. Treasurer

489 The Treasurer is responsible for the yearly budget of FYEG. The treasurer works
490 closely together with the Secretary General and the Office, that ensures the
491 daily financial management of the organisation. The treasurer:

956 The agenda can only be changed with a simple two-thirds majority of the full
957 members. Proposed changes to the agenda have to be presented in written form to
958 the presidency.

959 Documents that are noted, amended, approved, disapproved at the General
960 Assembly:

961 The power and the role of the General Assembly is detailed in the Internal Rules
962 and Procedures.

963 The Executive Committee, the Secretary General, the Ecosprinter Editorial Board,
964 the Financial Control and Advisory Committee and the Advisory Committee presents
965 their reports for the previous years. These reports are heard by the GA, not
966 voted.

967 The Treasurer presents the annual accounts and financial report of the previous
968 financial year and the budget and the financial plan of the upcoming year. These
969 documents can be amended and voted.

970 The Executive Committee presents the Activity Plan and the Strategy Plan (if
971 applicable) for the upcoming year(s). These documents can be amended and voted.

972 The deadlines for presenting and amending these documents are detailed in the
973 Internal Rules and Procedures.

974 The Presidency is responsible for organising Compromise Amendment Sessions (CAS)
975 to try and find compromises on amendments, so that documents have a higher
976 chance of being adopted.

977 Compromise Amendment Sessions (CAS):

978 The Compromise Amendment Sessions are called CAS in short. Everyone who has
979 speaking rights at the General Assembly can attend the compromise amendment
980 session, and it's advised that all member organisations with voting rights do
981 so.

982 Compromises are made between the member organisations or the body that proposed
983 the original document and the member organisations or the body that proposed the
984 amendment subject to compromise. It is advised to include other interested
985 Member Organisations in this compromise process so as to further broaden
986 consensus.

987 Amendments to existing documents (Statutes, Internal Rules and Procedures,
988 Political Platform) are only subjected to compromise if the compromise is in the
989 scope of an already submitted amendments. The Presidency may declare a
990 compromise amendment ineligible if its scope is different from the original
991 amendment.

992 During the Compromise Amendment Session, the proposer of the resolution presents
993 their resolution. The proposer of the amendment presents their amendment. At
994 this point other parties can declare their positions towards the amendment. The
995 proposer of the resolution can adapt the amendments or seek a compromise. If a
996 compromise is reached, it is shared with the delegates of the General Assembly.
997 Unless a Full Member Organisation or the Executive Committee disputes the
998 compromise, it is considered adopted. If the compromise is disputed, the
999 compromise will be sought until the last day of the General Assembly.

1000 It is encouraged that the CAS sessions are organised in advance of the General
1001 Assembly, following the deadline for amendments which is one week before the

1002 General Assembly. The CAS session can happen online.

1003 In the voting, firstly the compromised amendments on the document as whole are
1004 voted. Afterwards, the document itself is voted on.

1005 Resolutions

1006 • Each resolution should have an international and/or European angle

1007 • Each resolution should be supported by at least one Member Organisation

1008 • A resolution should always have a call to action

1009 • A resolution should preferably be around 5,000 characters but definitely
1010 not more than 10,000

1011 The Executive Committee can recommend review of certain resolutions to the
1012 Presidency.

1013 The Presidency can suggest/demand the proposers of the resolution to withdraw
1014 their resolution or to postpone the resolution to the further General
1015 Assemblies.

1016 Speaking rights and debates:

1017 Speaking rights are open to all members of FYEG bodies, and all registered
1018 participants of the General Assembly.

1019 The presidency ultimately decides which individuals are given the opportunity to
1020 speak.

1021 The speaking time for debates is proposed by the presidency at the beginning of
1022 every debate based on the content of the debate and the time assigned for the
1023 current session in the agenda.

1024 The presidency can change the assigned speaking time based on the time left of
1025 the session to better fit the agenda, as they see fit. This might include
1026 cutting breaks.

1027 The General Assembly can overrule (with a simple two thirds majority) the

1028 presidency's proposals for speaking time. In such cases the new Agenda proposal
1029 must be submitted to the Presidency in a written form.

1030 During sessions where debates will take place, participants will be able to
1031 submit 'speaker cards' before the session. These cards will note if they are
1032 for/against, their Member Organisation and their gender.

1033 In view of the received speaker cards, the Presidency will define the speaker
1034 list. Speakers may still be taken from the floor for balance, but those who
1035 submit cards will be prioritised

1036 The presidency will ensure gender balance on the speaking list. This is done
1037 through a strict quotation of the list. Only as many men are allowed to speak as
1038 non-men are on the list. The only exception is if people are on the list who
1039 haven't participated in the debate up to that point. They will be chosen before
1040 persons that have already made plenty of contributions.

1041 The only exceptions to the speakers list are technical points. If someone has a
1042 technical point, they must signal the presidency and will be given the floor
1043 after the current speaker.

1044 Types of debate:

1045 Open debate: The debate is open to speakers willing to speak for or against the
1046 resolution or amendment being discussed, as well as for contributions that are
1047 neither opposed nor in favour. This debate is often used during the Compromise
1048 Amendment Sessions.

1049 Con-Pro: The debate is organised by an alternation of speakers against and for
1050 the resolution or amendment being discussed. This debate is often used during
1051 the Voting Session of the amendments that goes to vote and the resolutions.

1052 It should be noted that all the compromises should be reached before the voting
1053 session and the point of the con-pro debate is not to reach a compromise but to
1054 explain the positions. Therefore the presidency is encouraged to do only one
1055 round of con-pro debates, and if more than one rounds occur time is monitored by
1056 the presidency to ensure that overall the 'pro' and 'con' sides are both
1057 allocated equivalent speaking time.

1058 Quorum, voting and majorities:

1059 Quorum, voting rules and majorities are defined in the Internal Rules of
1060 Procedures.

1061 Voting rules and majorities are defined in the Internal Rules of Procedures

1062 A quorum check will be called before the voting sessions.

1063 Safer Spaces

1064 The General Assembly is a space where everybody feels safe, and has an equal
1065 opportunity to be heard. The Presidency is responsible for chairing the General
1066 Assembly in line with FYEG's Safer Spaces regulations. The presidency can ban a
1067 participant for misconduct for the remainder of a session.

1068 **(Queer-)Feminist Council**

1069 **On a point of order, the women, intersex, nonbinary, trans and agender**
1070 **participants present and entitled to vote may decide whether they wish to hold a**
1071 **Feminist Council. The motion is dealt with with one pro and one con speech, with**
1072 **only those eligible to vote on the motion able to speak; the debate can be**
1073 **opened up beyond these two speeches. The Feminist Council then deliberates for**
1074 **up to one hour in the absence of the other participants and informs the entire**
1075 **body of the outcome after the end of the Feminist Council. The Feminist Council**
1076 **is considered part of the respective body. The organizers are responsible for a**
1077 **parallel programme dealing with a feminist policy topic for all those not**
1078 **participating in the Feminist Council.**

1079 **At the Feminist Council, women, intersex, nonbinary, trans and agender people**
1080 **can issue a Feminist vote. In the case of motions that affect the right of self-**
1081 **determination of women, intersex, nonbinary, trans or agender people in terms of**
1082 **form or content or that particularly affect women, intersex, nonbinary, trans or**
1083 **agender people, the Feminist Council has the opportunity to hold a separate vote**
1084 **among women, intersex, nonbinary, trans or agender people before the assembly**
1085 **vote. This Feminist vote is a strong and urgent recommendation to the assembly**
1086 **and shall be understood as such. The feminist vote is a non-binding**
1087 **recommendation.**

1088 **Annex 2: Working Group Guidelines**

1089 These guidelines are to serve the Working Groups and the Working Group
1090 coordinators.

1091

1092 Working Group rights and responsibilities:

1093 Working group functions are detailed in the FYEG's Internal Rules of Procedures.
1094 FYEG Working Groups are based on direct democracy and the inclusion of all its
1095 members. Most of the Working Group meetings happen online, through the channels
1096 of internal communication available to them. Working Group members can have
1097 access to usage of the internal communication tools available to FYEG (such as

1098 online meeting softwares). As set out in the Internal Rules of Procedures, the
1099 EC is responsible for setting up a new Working Group and for ending the term of
1100 a Working Group.

1101 Working Groups can (and not only):

- 1102 • Support FYEG and its bodies in developing policy documents
- 1103 • Provide feedback to FYEG's internal policies and documents
- 1104 • Create campaigns
- 1105 • Create guidelines, templates, training material, and similar material

1106 All the Working Group activities must be in line with the FYEG Political
1107 Platform.

1108
1109 Only FYEG's Executive Committee (EC) has the mandate to speak on behalf of the
1110 organisation and engage in partnerships with other organisations. Therefore, any
1111 external communication or partnership request needs their approval.

1112 When the Working Group has a request for content to be shared via FYEG's
1113 official channels, firstly, it should be approved by the member of the Executive
1114 Committee responsible for the Working Group (hereinafter EC Responsible).

1115 Moreover, if the Working Group decides to engage in external partnerships, sign
1116 letters of external partners (i.e. organisations other than Green Political
1117 Organisations), etc. this must also be approved by the EC Responsible for the
1118 Working Group.

1119 Finally, if the Working Group needs support from the FYEG Office in matters of
1120 communication, administration, finances, etc. the Working Group should
1121 communicate a detailed concept, through the Working Group coordinator, to the EC
1122 Responsible in a timely manner.

1123 Executive Committee responsibilities:

1124 The EC Responsible is the person appointed among the EC members to be
1125 responsible for the Working Group.

1126 They are responsible for:

- 1127 • Initial setup of the Working Group: defining the aims, scope, timeframe,
1128 publishing a call for Working Group members and coordinators

- 1129 • Choosing the first members of the Working Group and the Working Group
1130 coordinators

- 1131 • Meeting with the coordinators to explain their roles and responsibilities

- 1132 • Attend meetings where needed/wanted to (optional) - but in general, it is
1133 more important to be aware what they are up to

- 1134 • Keeping track of all their activities and being aware of how the Working
1135 Group is progressing and what they are up to

- 1136 • Providing political advice and making sure the Working Group acts in line
1137 with FYEG's Political Platform

- 1138 • Updating the Working Group on FYEG activities related to their topics and
1139 purposes

1140 The EC responsible has the possibility to exclude someone from the Working Group
1141 on the recommendation of the coordinators or at least three members of the
1142 group. The EC has to be informed of the decision. The person has the possibility
1143 to appeal to the Advisory Committee.

1144 Working Group coordinator responsibilities

1145 A working group should have two coordinators, at least one of them self-
1146 identifying as women, intersex, nonbinary, trans or agender.

1147 If it is impossible to find two coordinators even after the EC responsible's
1148 best efforts to do so, an exemption can be made if approved by the FYEG EC. In
1149 this case, it is required that either the EC responsible or the Working Group
1150 coordinator self-identifies as female, intersex, nonbinary, trans or agender,

1151 Working Group coordinator tasks are as follows:

- 1152 • Set meetings and agendas for Working Group and notifying members of action
1153 points afterwards (online Working Group meetings should strive to be
1154 planned at least once every two weeks, excluding holidays and exceptional
1155 circumstances)

- 1156 • Set up the main communication channels

- 1157 • Main point of contact for EC Responsible

- 1158 • Keep the EC Responsible up to date on what's happening in the Working
1159 Group

- 1160 • Keep Working Group members informed and updated on EC's feedback and
1161 recommendations

- 1162 • Steer direction: set priorities, what themes/projects they work on,
1163 oversee the work

- 1164 • Coordinate the creation of a Working Group activity plan, guided by the
1165 objectives and goals set out at the beginning

- 1166 • Set up subgroups (if necessary or desired)

- 1167 • They do not need to be involved in every single project or attend every
1168 meeting, but in their absence should delegate project or meeting
1169 moderation to someone else, and keep themselves updated on progress

1170 **Annex 3: Safer Spaces Policy**

1171 Safer spaces are evolving and not static. We have high expectations on how we
1172 behave towards each other in our meetings, actions and social spaces. Making a
1173 space safer means different things depending on the group of people involved as

1174 each group has different needs. This policy aims to be considered in every
1175 meeting involving FYEG, but the document should evolve as we learn and grow.

1176 As an organisation we build social relationships inside and outside of meetings
1177 and actions. We commit to this Safer Spaces policy wherever we are together,
1178 this includes ensuring that ALL spaces are inclusive and harmless.

1179 If someone violates these agreements a discussion or mediation process can
1180 happen, depending on the wishes of the person who was affected. If a serious
1181 violation happens to the extent that someone feels unsafe, they can be asked to
1182 leave the space and/or speak with one member of the Awareness Group. If
1183 necessary, the Sexual Harassment Protocol will be activated.

1184 1. Respect! Racism, as well as ageism, GSRM-phobia , sexism, ableism or
1185 prejudice based on ethnicity, nationality, class, gender, gender presentation,
1186 language ability, asylum status or religious affiliation is unacceptable and
1187 will be challenged. FYEG has a zero-tolerance policy with any kind of
1188 discrimination, even though we acknowledge that there can be different levels in
1189 a breach of a safe space.

1190 2. Be aware of your privileges! Including racial, class and gender privilege
1191 and/or less obvious or invisible hierarchies. Think about how your words,
1192 opinions and feelings are influenced and who they might exclude or harm.

1193 3. Consent! Respect each other's physical and emotional boundaries, always get
1194 explicit verbal consent before touching someone or crossing boundaries. Don't
1195 assume your physical & emotional boundaries are the same as other people's.

1196 4. Friendly use of language! Be aware of the language you use in discussion and
1197 how you relate to others. Try to speak slowly and clearly and use uncomplicated
1198 language especially when non-natives speakers are involved in the conversation.

1199 5. Don't anticipate yourself! Avoid assuming the opinions and identifications of
1200 other participants.

1201 6. Learning; if you don't understand something, just ask. You may be directed to
1202 a book, website or skill share to learn more. It's ok to make mistakes. Please
1203 show appreciation for the hard work of others and be considerate when you offer
1204 criticism.

1205 7. Everyone has their turn; give each person the time and space to speak. In
1206 large groups, or for groups using facilitation: Raise your hand to speak.

1207 8. Calling out; if you have acted or spoken harmfully, even if unintentionally,

1208 expect that someone will bring this up to you. If this happens, listen and
1209 reflect on what they are saying even if you think they may be wrong. Don't try
1210 to absolve yourself of responsibility.

1211 This policy should be expanded with specific measures and practices to promote
1212 the creation of safer spaces.

1213

1214 **The EC, Office and all Prep Teams must organise mandatory reflection/awareness**
1215 **sessions dedicated to discussing power dynamics in relation to sexual/romantic**
1216 **relationships within our Federation, being mindful about how they engage with**
1217 **participants and ethical leadership within FYEG.**

1218 1. **The EC should hold such a reflection/awareness session at a minimum once a**
1219 **year preferably at the first live ECM.**

1220 2. **The Office should hold such a reflection/awareness session at a minimum**
1221 **once a year.**

1222 3. **Prep Teams should hold such a session at least once during a Prep Team**
1223 **meeting before the event they are organizing begins.**

1224 **Discussions on power dynamics and ethical leadership also are incorporated into**
1225 **the onboarding process for new EC members and Office members.**

1226

1227 **Permanent Awareness Team**

1228 **The Permanent Awareness Team consists of one member from the EC and one**
1229 **volunteer that is not a member of the EC. Both members are selected by the EC.**
1230 **This team operates in addition to the event-specific awareness groups and are**
1231 **complementary to those. Members of FYEG should be informed of the existence of**
1232 **this team and know that they can contact them regarding situations that make**
1233 **them feel uncomfortable or if they have concerns about the behaviour of EC**
1234 **Members, Office members, or PT members.**

1235 **The Permanent Awareness Team should be easily accessible via the website, and**
1236 **there should be a contact form available that allows for anonymous submissions.**

1237 **The team is responsible for safeguarding the anonymity of any FYEG members who**
1238 **reach out to them.**

1239 **The Permanent Awareness Team has the authority to make recommendations and**
1240 **propose initiatives in the form of reports to the EC and the General Assembly as**
1241 **needed.**

1242
1243 Anti sexual harassment protocol

1244 FYEG has a zero-tolerance policy on sexual harassment at all its events, within
1245 all its structures and during all activities. This protocol is applicable for
1246 those participating in an FYEG activity (General Assembly, Strategic Planning
1247 Committee, Working Group Meeting or any other activity), members of a Member
1248 Organization (MO), or members of an online structure of FYEG, referred to as
1249 "this organization" from now onwards in this protocol.

1250 Anyone who is subject to sexual harassment can approach one of the designated
1251 contact points responsible for receiving complaints of sexual harassment. The
1252 Executive Committee will designate an Awareness Group for anyone presenting
1253 allegations of physical, verbal or online sexual harassment. In accordance with
1254 the IRPs, the Awareness Group will be formed by two persons from the EC who are
1255 of different genders. Additionally, every Prep - Team will designate one person
1256 to be an independent contact person in our projects. However, this person shall
1257 always inform the official contact points if a procedure starts, in the case of
1258 their absence, the main contact will be the Project Manager.

1259 When one of these procedures is open in the organization, the EC as a whole must
1260 be informed of the procedure without details of the people involved or the
1261 presented allegations to respect confidentiality. If a case involves someone
1262 from the EC, the case will be brought to the Advisory Committee (AC). The
1263 Advisory Committee will act as contact points when a case arises, following this
1264 protocol. However, the EC will not be informed until a final decision is made.

1265 Important note:

1266 These procedures will follow general principles such as the privacy of the
1267 survivor, confidentiality of the process and survivor's choice and preference.
1268 We respect the presumption of innocence of any alleged harasser which is why
1269 this procedure is in place and has been approved in the General Assembly.
1270 However, as a feminist organization, we also believe in the principle of

1271 believing the survivor and putting the burden of the proof on the alleged
1272 harasser.

1273 This procedure might be applied to an internal case of a MO if this case is
1274 related to FYEG activity or if the people involved take part in any FYEG
1275 structure. However, we will not be able to extend sanctions or disciplinary
1276 measures beyond FYEG. MOs can however adapt this protocol to their own
1277 organization.

1278 When the designated people receive a complaint of sexual harassment, they shall:

- 1279 1. Immediately record the dates, times and facts of the incident(s);
- 1280 2. ascertain the views of the survivor as to what outcome they want, ensure the
1281 survivor feels safe and ensure the survivor is separated from the alleged
1282 offender unless the survivor wishes otherwise;
- 1283 3. ensure that the survivor and the alleged harasser understands FYEG protocol
1284 for dealing with the complaint;
- 1285 4. discuss and agree the next steps with the alleged survivor, informal, formal
1286 or outside complaints procedure (police, hospital, embassy, etc.), on the
1287 understanding that choosing to resolve the matter informally does not preclude
1288 the survivor from pursuing a formal complaint if they are not satisfied with the
1289 outcome;
- 1290 5. keep a confidential record of all discussions. Records will be destroyed if
1291 the alleged survivor requests it, or before the change to a new EC. However, a
1292 record of sanctions and a brief description of the reason will be kept in a safe
1293 place;
- 1294 6. respect the choice of the survivor;
- 1295 7. and ensure that the survivor knows that they can lodge the complaint outside
1296 of FYEG through the relevant country/legal framework.

1297 INFORMAL COMPLAINTS PROCEDURE

1298 If the survivor wishes to deal with the matter informally, the designated person
1299 will:

- 1300 • Approach the alleged harasser saying that the behaviour is offensive,
1301 unwelcome and must be stopped;

- 1302 • Inform the harasser that FYEG has a zero tolerance policy on sexual harassment
1303 and that disregarding this policy may result in the person's exclusion from the
1304 organization
- 1305 • give an opportunity to the alleged harasser to respond to the complaint;
- 1306 • ensure that the alleged harasser understands the complaints mechanism;
- 1307 • facilitate discussion between both parties to achieve an informal resolution
1308 which is acceptable to the complainant, provided the alleged survivor agrees,
- 1309 • ensure that a confidential record is kept of what happened;
- 1310 • follow up after the outcome of the complaints mechanism to ensure that the
1311 behaviour has stopped and that there is no risk of its repetition;
- 1312 • And ensure that the above is done accurately and at the latest within 10 days
1313 of the complaint being made. During events, the procedure shall take place
1314 within 48 hours.

1315 FORMAL COMPLAINTS PROCEDURES

1316 If the survivor wants to make a formal complaint or if the informal complaint
1317 mechanism has not led to a satisfactory outcome for the survivor, the formal
1318 complaint mechanism should be used to resolve the matter.

1319 The designated person who initially received the complaint will communicate to
1320 the rest of contact points the opening of a formal complaint procedure. The EC
1321 will be informed of this, respecting the confidentiality of the alleged survivor
1322 and the allegations. The designated person who initially received the complaint
1323 will carry out the investigation with the assistance of the Awareness Group and
1324 the independent contact person at the moment in which allegations were
1325 presented, if any. They will help the investigator with the analysis and
1326 decision making process. A procedure for online harassment shall be developed.

1327 The person carrying out the investigation will:

- 1328 • interview the survivor and the alleged harasser separately
- 1329 • interview other relevant third parties separately
- 1330 • decide whether the incident qualifies as sexual harassment within the meaning
1331 of this protocol

- 1332 • produce a report detailing the investigations, findings and any
1333 recommendations

- 1334 • if the harassment took place, decide what the appropriate remedy for the
1335 survivor is, in consultation with the survivor (i.e. an apology, a change of
1336 structure, suspension..,)

- 1337 • follow up to ensure that the recommendations are implemented, that the
1338 behaviour has stopped and that the survivor is satisfied with the outcome

- 1339 • if it cannot determine that the harassment took place, they may still make
1340 recommendations to ensure proper functioning of the organization

- 1341 • keep a record of all actions taken

- 1342 • ensure that all records concerning the matter are kept confidential

- 1343 • ensure that the process is done as quickly as possible and in any event within
1344 15 days of the complaint being made

1345 The general rule is to avoid the presence of the alleged harasser in those
1346 places/structures in which the alleged survivor moves. It is vital that the
1347 wishes and needs of the survivors are incorporated into the outcome of the
1348 complaints mechanism.

1349 A data protection protocol will be developed.

1350 OUTSIDE COMPLAINT MECHANISM

1351 This protocol seeks to create a fast and appropriate response to allegations of
1352 sexual harassment. However, it does not seek to substitute existing regulation
1353 and legislation on this issue. We want to make clear that FYEG wants to be fully
1354 supportive with every decision of the alleged survivor.

1355 A person who has been subject to sexual harassment can at any time make a
1356 complaint outside of the organization. Even though this organization cannot
1357 offer legal advice, the contact point(s) will accompany the person to the
1358 instance this person prefers (hospital, police, ombudsperson, law courts,
1359 embassies, etc.) if they request it.

1360 SANCTIONS AND DISCIPLINARY MEASURES

1361 Anyone who has been found to have sexually harassed another person under the

1362 terms of this policy may be sanctioned. Sanctions may include but are not
1363 limited to one of the following :

1364 • Verbal or written warning

1365 • Suspension from an elected or non-elected FYEG structure, in line with FYEG
1366 IRPs when appropriate

1367 • Dismissal/expulsion

1368 Depending on the seriousness of the allegations, the EC, upon request of the
1369 Awareness Group may suspend someone from taking part in any FYEG structure or
1370 activity during the duration of the process. Confidentiality of the survivor
1371 will be maintained.

1372 In case of sexual harassment, violence or discrimination by a member of an
1373 elected body within FYEG (Financial Control Committee, Advisory Committee or
1374 Ecosprinter Board) the EC can exclude the offender after consulting the full
1375 MOs. (cf. 2.2.2). If the case arises within the EC, the Advisory Committee can
1376 exclude the offender after consulting the full MOs.

1377 The nature of the sanctions will depend on the gravity and extent of the
1378 harassment. Suitable deterrent sanctions will be applied to ensure that
1379 incidents of sexual harassment are not treated as trivial. Certain serious
1380 cases, including physical violence, will result in the immediate dismissal of
1381 the harasser.

1382 Guidelines for persons of contact

1383 Read the protocol and understand every aspect

1384 What is sexual harassment? It is unwanted behaviour of a sexual nature which:

1385 • Violates your dignity

1386 • Makes you feel intimidated, degraded or humiliated

1387 • Creates a hostile or offensive environment

1388 Sexual harassment “can include, but is not limited to”, these examples:

- 1389 • Touching, pinching, stroking, squeezing, or brushing against someone

- 1390 • Leering or ogling

- 1391 • Making LGBTIAQ+-phobic or GSRM (Gender, Sexual and Romantic Minorities)-
1392 phobic comments and sexually suggestive signals, winking

- 1393 • Sending unwanted e-mails, text messages, posting sexually-explicit jokes
1394 or content on FYEG communication channels

- 1395 • Sexual comments or jokes

- 1396 • Making insults based on a person's sex or rating their sexuality

- 1397 • Turning work discussions to sexual topics

- 1398 • Physical behaviour, including unwanted sexual advances, touching and
1399 various forms of sexual assault

- 1400 • Displaying pictures, photos or drawings of a sexual nature

1401 Remember: Whether harassing intentionally or unintentionally, we all have a
1402 responsibility to monitor our behaviour and respect each other. Anyone who
1403 reports an incident has the right to remain anonymous. They also have the right
1404 to feel safe and respected.

1405 Listen and Support

1406 It's tough to be prepared when someone tells you that they have been the
1407 survivor of sexual harassment. Remember, you can only provide support

1408 Support and understanding are essential. It takes a lot of courage for a
1409 survivor to share their experience;

1410 Try to provide a safe/non-judgmental environment, emotional comfort and support
1411 for the survivor to express feelings;

1412 Let them know that they can talk with you. Listen. Don't rush to provide
1413 solutions.

1414 Believe

1415 The most common reason people choose not to tell anyone about sexual abuse is
1416 the fear that the listener won't believe them. People rarely lie or exaggerate
1417 about abuse; if someone tells you, it's because they trust you and needs someone
1418 to talk to.

1419 People rarely make up stories of abuse. It is not necessary for you to decide if
1420 they were "really hurt." If the survivor says they were hurt, that should be
1421 enough

1422 Believe what the person tells you. It may have been difficult for them to talk
1423 to you and trust you. Unless proven wrong harassment has happened.

1424 Reassure

1425 Sexual assault is NEVER the survivor's fault. No one asks to be sexually
1426 assaulted by what they wear, say or do. Let the survivor know that only the
1427 perpetrator is to blame;

1428 The survivor needs to hear that fears, anxieties, guilt and anger are normal,
1429 understandable and acceptable emotions;

1430 Remember, no one ever deserves to be abused or harassed.

1431 Be Patient

1432 Don't press for details – let the person decide how much to tell you. Ask them
1433 how you can help;

1434 Survivors have to struggle with complex decisions and feelings of powerlessness,
1435 trying to make decisions for them may only increase that sense of powerlessness;

1436 You can be supportive by helping them to identify all the available options and
1437 then help them by supporting their decision making process (here refer to the
1438 protocol).

1439 The survivor can't just "forget it" or just move on. Recovery is a long term
1440 process and each individual moves at their own pace

1441 Encourage

1442 Encourage the survivor to seek medical attention, report the assault, and or
1443 contact a professional if needed. Remember, the survivor must ultimately make
1444 the decision as to what to do. They are the experts in their own lives. Don't
1445 push. Remember, support their choices no matter what they decide.

1446 Respect Privacy - Confidentiality

1447 Don't tell others what the survivor tells you. Let the individual decide who
1448 they will tell. It is important not to share information with others who are not
1449 involved;

1450 If you do need to share information for their safety, get permission by letting
1451 them know what you will share and with whom it will be shared; ie. the rest of
1452 contact points in case of a formal complaint

1453 Establish Safety

1454 An important part of helping the survivor is to identify ways in which the
1455 survivor can re-establish their sense of physical and emotional safety. You are
1456 a step in the process. Ask them what would make them feel safe and how you can
1457 help them accomplish this.

1458 If the stalking or harassment is ongoing, help them to develop a plan of what to
1459 do if they are in immediate danger. Having a specific plan and preparing in
1460 advance can be important if the harassment escalates.

1461 Things you can say

1462 It is hard to know what to say to a person when they confide in you. Refrain
1463 from asking a lot of questions, instead, support them with these phrases. Let
1464 the person know that you believe that they have the strength and capacity to
1465 heal.

1466 • It's not your fault

1467 • I'm sorry this happened

1468 • I believe you

1469 • How can I help you?

1470 • I am glad you told me

1471 • I'll support your choices

1472 • You're not alone

1473 Use of inclusive language

1474 FYEG aims to use language in its communications and its events that reflects the
1475 level of English spoken within an organisation of mostly non-native speakers.
1476 FYEG promotes the use of inclusive and accessible language within the
1477 organisation. FYEG attempts to reduce the shame of using simple language. We do
1478 this to make sure that everyone feels welcome to participate and contribute.
