

I1 Internal Rules of Procedure

Proposer: FYEG
Agenda item: 8. Statutory Documents

Motion text

1 General Principles

2 FYEG will have minimal statutes that only contain what legally matters and they
3 will be revised in case the Belgian law changes. All other matters will be taken
4 care of in the IRPs.

5 The IRPs must never contradict the statutes, they can elaborate.

6 The IRPs shall be facilitating and helping with decision-making processes as
7 well as the organisation of the federation. There shall be no more rules than
8 necessary.

9 This document shall be accessible to every MO on the website.

10 All acts, invoices, publications, official letters and websites, in electronic
11 form or not, emanating from the association must mention:

12 - its full or abbreviated name, immediately preceded or followed by "AISBL" or
13 "international non-profit association",

14 - the precise indication of its registered office,

15 - its company number,

16 - the terms "register of legal persons" or the abbreviation "RPM" followed by
17 the indication of the court of the registered office of the legal person,

18 - if applicable, their email address and website,

19 - the number of at least one account held by the association with a credit
20 institution established in Belgium,

21 - if applicable, the indication that the association is in liquidation.

22 **1. Member Organizations**

23 1.1. Membership

24 1.1.1. Membership categories

25 The association is made up of member organisations only and has three categories
26 of member organisations:

27 Full members

28 Candidate members

29 Associate members

30 1.1.2. Membership criteria

31 Membership criteria are detailed in the Statutes.

32 1.1.3. Conditions of admission of candidate members

33 Conditions of admission of candidate member organisations are detailed in the
34 Statutes.

35 1.1.4. Conditions of admission of full members

36 Conditions of admission of full member organisations are detailed in the
37 Statutes.

38 In addition, a candidate member organisation must apply for full membership
39 latest at the General Assembly three years after it has received its candidate
40 member organisation status. If the candidate member organisation does not apply
41 for full membership in the third year of its candidacy, the Executive Committee
42 can propose the suspension or exclusion of the candidate member organisation.

43 1.1.5. Conditions of admission of associate members

44 Conditions of admission of associate member organisations are detailed in the
45 Statutes.

46 1.1.6. Resignation of members

47 Conditions for the resignation of members are detailed in the Statutes.

48 1.1.7. Suspension of members

49 Conditions for the suspension of members are detailed in the Statutes.

50 The Executive Committee has a right to propose the suspension of a member
51 organisation to the General Assembly in the following cases (not limited to):

- 52 • no update or other contact is made between a member and the FYEG Executive
53 Committee between two General Assemblies,
- 54 • the member organisation doesn't fulfil one or more of the membership criteria,
- 55 • the member organisation didn't pay their membership fee,
- 56 • major changes that happened in the member organisation, which need to be
57 investigated by the EC.

58 The suspension of a member means that the organisation loses its voting rights.

59 When a member is suspended, the Executive Committee:

60 1. informs the member organisation about the suspension via an e-mail and
61 explain the consequences

62 2. makes all reasonable efforts to enable the member to regain its full
63 membership

64 3. creates a report on this process and presents it at the following General
65 Assembly.

66 1.1.8. Exclusion of members

67 Conditions for the exclusion of members are detailed in the Statutes.

68 The exclusion of an MO means that this organisation is not listed as a member
69 organisation anymore and hence loses all of its rights within FYEG. Following an
70 exclusion, an organisation that wishes to rejoin FYEG is expected to follow the
71 entire membership procedure, as a new organisation would.

72 The rejoining organisation is required to inform GA about changes that happened
73 in their organisation since leaving FYEG and explanation of their decision about
74 rejoining.

75 1.1.9. Suspension and exclusion in case of non-payment of
76 membership fee

77 The suspension and exclusion of member organisation in case of non-payment of
78 membership fee is further detailed in the Statutes.

79 1.1.10. Membership fee

80 FYEG has an annual membership fee. The ceiling is stated in the Statutes.

81 Each full member organisation shall pay an annual membership fee to FYEG. This
82 membership fee shall correspond to 1 % of the total incomes of their previous
83 year's realised budget with a minimum of 50 EUR for the EU and European Economic
84 Area (Iceland, Liechtenstein and Norway) and Switzerland and the United Kingdom,
85 and 25 EUR for all other European countries.

86 By way of derogation to the previous paragraph, the General Assembly may decide,
87 in duly justified cases, to lower the amount of the membership fee that a Member
88 Organisation shall pay, following a recommendation of the Executive Committee.
89 Requests for lowering the Membership fee shall be sent by a Member Organisation
90 to the Executive Committee at the latest 2 weeks before the GA.

91 Each full MO shall pay their membership fee for the running year on the first
92 evening of the GA at the latest, if it has not already been transferred earlier.

93 Full MOs are requested to provide their annual budget statement for the previous
94 year at the latest. A document listing the amount of the membership fee paid by
95 each MO and the way it has been calculated must be annexed to the financial
96 report of the year in question.

97 1.1.11. Membership reviews

98 The Executive Committee presents a review of the FYEG Member Organisations as
99 part of the Executive Committee Report. The review can include the following
100 information:

101 Overview of the region and its meetings and activities,

102 The Member Organisations' engagement with FYEG activities during the year,

103 Major changes to the Member Organisation.

104 In case of major changes (change of organisations' name, split in the
105 organisation, merge with another organisation, change of political affiliation,
106 etc.), the Executive Committee can propose the General Assembly to vote on that
107 change. The General Assembly may, among other options, take note of the change
108 or suspend the membership of the organisation to give sufficient time to the
109 Executive Committee to look into the situation.

110 1.2. Working with Member Organisations

111 1.2.1. Member Organisation Duties

112 Each MO should keep FYEG updated about:

113 - changes in the board

114 - valid contact addresses for the MO list and the website

115 - activities

116 1.2.2. FYEG duties

117 FYEG will provide the Member Organisations with:

118 - information about statutory meetings

119 - minutes and reports from statutory meetings and long ECMs

120 - a newsletter containing information and participation possibilities in current
121 activities

122 - regularly updated contacts of other Member Organisations

123 **2. General Assembly**

124 2.1. Composition

125 The General Assembly is the highest decision body. The General Assembly is
126 composed of one or two delegates per full member organisation, candidate member
127 organisation and associate member organisation.

128 MOs should strive to send delegations to GA that are gender-balanced and consist
129 of delegates maximum aged 30 years old. If the organisation is unable to find
130 delegates within the age limit, they can send older delegates aged 31-35.

131 The delegates can be asked to pay a participation fee for the General Assembly.

132 People who are employed by FYEG or are members of the FYEG Executive Committee
133 cannot be delegates to the general assembly.

134 2.2. Powers

135 The power of the General Assembly is detailed in the Statutes.

136 In addition to what Statutes state, a decision of the General Assembly is
137 required in the following cases:

- 138 - the adoption and amendment of the Activity plan for the upcoming year,
- 139 - the adoption and amendment of Resolutions,
- 140 - the election of the Financial Control and Advisory Committee,
- 141 - the election of the Editorial Board of Ecosprinter,
- 142 - the election of the FYEG representative to the European Green Party Committee,
- 143 - the approval of the Advisory Committee
- 144 - the approval of the Presidency of the General Assembly
- 145 - Decision about joining (or leaving) membership with other
146 organisations/networks

147 The General Assembly also hears the following reports:

- 148 - Activity Report
- 149 - Executive Committee and Secretary General Report
- 150 - FYEG's Representative to the EGP Committee

151 - Ecosprinter Editorial Board report

152 - Financial Control and Advisory Committee report

153 - Advisory Committee report

154 2.3. Functioning

155 The Administrative Board and the Executive Committee summons the annual General
156 Assembly. FYEG Member Organisations are summoned to the General Assembly via
157 ordinary mail or e-mail. The convocation contains the agenda, date, time and
158 place of the General Assembly.

159 General Assembly is presided in line with the Meeting Rules (Annex - 1)

160 The rules for holding extraordinary General Assembly are detailed in the
161 Statutes.

162
163 Changes to the statutory and internal organisational documents take effect from
164 the first working day after the GA meeting where they were changed, except when
165 the GA votes for their immediate implementation through a second vote requiring
166 an absolute two-thirds majority. Persons elected by the General Assembly will
167 start their mandate from the first working day after the GA meeting where they
168 were elected, unless other rules apply for their mandate.

169 2.4. Deadlines and calls

170 The call for hosting the General Assembly must be sent out by latest 1st of
171 October of every year with a one month deadline. The selection of the hosting
172 organisation is done by the Executive Committee.

173 The remaining deadlines are structured as follows:

174 12 Weeks before the General Assembly the Executive Committee must send out a
175 call for:

176 Registration

177 the executive committee (if applicable)

178 the secretary general (if applicable)

179 the financial control and advisory committee

180 the ecosprinter editorial board

181 the FYEG representative to the EGP committee

182 the presidency

183 10 weeks before the General Assembly:

184 The Executive Committee must also organise an online information session,
185 explaining the functioning of the General Assembly and promoting the different
186 open positions.

187 9 weeks before the General Assembly is the deadline for:

188 applications of presidency

189 6 weeks before the General Assembly is the deadline for:

190 registration of delegates

191 applications of organisations for associate, candidate or full membership

192 applications of Secretary General candidates

193 applications for the FYEG nominee to the EGP Committee

194 4 Weeks before the General Assembly is the deadline for:

195 submission of resolutions

196 amendments to the Political Platform, the Internal Rules and Procedures and the
197 Strategic Plan

198 Reports and Plans to be sent out to Member Organisations

199 Executive Committee candidates

200 Financial Control and Advisory Committee candidates

201 Ecosprinter Editorial Board candidates

202 the submission of proposals to add point to the GA agenda, any such proposal
203 must be signed by one-twentieth of the full member organisations, as detailed in
204 the Statutes

205 In case the number of candidates is less than the number of positions open
206 and/or if the gender quota is not met, the Executive Committee will re-open the
207 call for additional candidates of the underrepresented gender and/or positions
208 with lacking candidates.

209 3 weeks before the General Assembly is the deadline for:

210 publication of Candidacies

211 publication of Executive Committee recommendations on potential member
212 organisations (for full, candidate or associate membership)

213 publication of Executive Committee recommendations on exclusion and/or
214 suspension of member organisations

215 sending the GA agenda, as detailed in the Statutes

216 2 weeks before the General Assembly is the deadline for:

217 publication of support for candidates

218 1 week before the General Assembly is the deadline for:

219 amendments to the resolutions, Activity Plan and Financial Plan

220 Other deadlines:

221 The deadline for submitting emergency resolutions must be 2 days before the
222 start of the General Assembly. At the end of the General Assembly's first day,
223 the assembly sets a deadline for amendments to the emergency resolutions.

224 2.5. Submission of resolutions and amendments

225 At the general assembly Full Member Organisations and the Executive Committee
226 have the right to submit resolutions, and amendments to resolutions, the
227 political platform, the activity and financial plan, the strategic plan, the

228 statutes and the IRPs, bearing in mind the deadlines specified under 2.4.
229 Support of 3 Full Member Organizations is needed in order to table an emergency
230 resolution.

231 2.6. Presidency

232 The General Assembly confirms the Presidency proposed by the Executive Committee
233 before any other decisions are made.

234 The Presidency then:

- 235 • chairs the meetings and discussions at the General Assembly

- 236 • prepares the resolutions, amendments and voting procedures for the General
237 Assembly

- 238 • is responsible for taking the minutes of the General Assembly

239 The Presidency:

- 240 • consists of four to six people who must not be candidates to any positions
241 at the General Assembly.

- 242 • can be suspended and simultaneously replaced with an absolute two-third
243 majority by the assembly. Such a vote of no-confidence can be demanded by
244 at least 5% of the delegates, who must present people for the new
245 Presidency.

246 2.7. Participation fee

247 A participation fee to the General Assembly can be set up if the Treasurer finds
248 it necessary.

249 The following participants of the General Assembly are exempt from paying the
250 participation fee:

251 One delegate per Full, Candidate and Associate Member Organisation,

252 Executive Committee members

253 the Secretary-General and office

254 members of the Presidency

255 If a full Member Organisation sends a second delegate the participation fee is
256 halved in case at least one of the two delegates self-identifies as women,
257 intersex, nonbinary, trans or agender. Treasurer can grant exemption or lowering
258 of the fee to participant that request it.

259 2.8. Travel reimbursement

260 Full reimbursement of travel costs is granted to:

- 261 • one delegate per full, candidate or associate Member Organisation
- 262 • Executive Committee members
- 263 • the Secretary-General and the office
- 264 • candidates for the Executive Committee elections
- 265 • candidates for the Secretary-General elections, provided they have
266 received approval by the pre-selection committee
- 267 • candidates for the FYEG Representative to the EGP Committee, provided they
268 have received approval by the pre-selection committee
- 269 • members of the presidency

270 The Treasurer can decide to reimburse travel costs for:

- 271 • delegates of organisations applying for candidate membership in FYEG

- 272
- candidates for all open positions
- 273
- the second delegate of a full, candidate or associate Member Organisation
- 274
- if at least one delegate self-identifies as women, intersex, nonbinary,
- 275
- trans or agender.

276 **3. Election and Voting Procedures**

277 3.1. Attendance and voting quorums

278 In line with the Statutes, each Member Organisation has the right to attend the
279 General Assembly. Only Full Member Organisations have voting rights and each
280 Full Member Organisation has two votes.

281 3.1.1. Principles

282 In line with the Statutes, the General Assembly deliberates validly only if 50 %
283 + 1 of the Full Member Organisations are present or represented. The Statutes
284 detail the steps to follow in case the attendance quorum is not reached.

285 In line with the Statutes, in principle all decisions in FYEG are taken by a
286 simple majority of votes registered for the General Assembly. When voting,
287 abstention is always an option. When the vote relates to decisions concerning
288 persons or Member Organisations, the ballot is always secret. The voting body
289 can decide to have other voting procedures processed through secret ballot.

290 3.1.2. Procedures

291 Definitions

292 Votes registered at General Assembly - the number of Member Organisations and
293 their delegates who are registered for the General Assembly and have voted in
294 the determination of the General Assembly quorum

295 Votes cast - the number of votes that were submitted.

296 Simple majority

297 Majority of the votes cast, i.e. the number of "Yes" votes exceed the number of
298 "No" votes.

299 Abstentions are not considered in the count.

300 Examples:

301 Out of 20 votes: 11 yes, 9 no, 0 abstentions: passed; 1 yes, 0 no, 19
302 abstentions: passed.

303 10 yes; 10 no; 0 abstentions. not passed. 10 yes, 9 no, 1 abstention: passed.

304 Absolute majority

305 To pass "yes" should reach the majority (half+1, or half + 0.5 in case of odd
306 number) of the number of votes registered at the General Assembly.

307 Note that it is number of votes registered, not number of votes cast. This means
308 that if less than half of the voters are present and vote, this majority can
309 never be reached.

310 Examples:

311 20 voters registered: need 11 or more yes votes.

312 21 voters registered: need 11 or more yes votes.

313 22 voters registered: need 12 or more yes votes.

314 Simple two-thirds majority

315 Two thirds of the votes cast.

316 Absolute two-thirds majority

317 Two thirds of the number of votes registered.

318 Note that it is the number of votes registered, not the number of votes cast.
319 This means that if less than two thirds of the voters are present and vote this
320 majority can never be reached.

321 Examples:

322 20 voters: need 14 yes or more votes.

323 21 voters registered: need 14 or more yes votes.

324 22 voters registered: need 15 or more yes votes.

325 3.2. Election of candidates

326 3.2.1. Principles

327 FYEG uses a Single Transferable Vote (STV) electoral system with a standard
328 droop quota. Mathematically, this is the next integer larger than $V / (n+1)$ when
329 V = the total number of valid votes and n is the number of positions available.
330 Specifically recommended is the Scottish STV system.

331 3.2.2. Procedures

332 The main principle is to rank all the candidates according to the voter's
333 preferences for each candidate. Where 1 is the first preference 2 the second
334 preference and so on. Voters can rank all candidates even if the number of
335 candidates exceeds the number of positions. Voters can decide to not rank some
336 of the candidates even if this means leaving the ballot partially blank.

337 Only a completely blank ballot counts as abstention, an abstention counts under
338 the exception below.

339 If a simple majority of all ballots cast do not rank the candidate with any
340 numbers they are excluded from the election.

341 0 - All ballots are inspected to determine that candidates have received a
342 simple majority of any kind of ranking on cast ballots. If not, they will be
343 excluded from the election.

344 1 – The candidates who have reached the election quota (i.e. election threshold)
345 are elected.

346 2 – If some positions are still available, the following process starts:

347 2a – The left-over votes on candidates reaching the election threshold are
348 redistributed according to second preferences, using the Single Transferable
349 Vote system of distribution.

350 2b – If one or more candidates have reached the election threshold, that/those
351 candidate(s) are elected in order from highest to lowest vote count. The process
352 then starts again from point (2).

353 2c – If no candidate reaches the threshold in this way, the candidate with the
354 lowest amount of votes is removed from the election. The ballot-papers that
355 ranked this candidate as their first remaining preference are redistributed
356 according to their second preference. The process is then restarted (1).

357 2d - If, following the calculation of the election result, one or more
358 candidates is elected who is ineligible due to quota regulations, these
359 candidates (who had the least number of votes) are removed from the pool of
360 candidates and the entire election is recalculated. That is to say, the election
361 is recalculated, and each time the ineligible candidate would have received a
362 preference vote, the vote instead goes to the voter's next preference.

363 3.2.3. Exceptions

364 At the General Assembly:

365 Concerning the Executive Committee elections:

366 The spokespersons and the treasurer are elected separately from the rest of the
367 Executive Committee positions.

368 Concerning the Advisory Committee:

369 The newly elected Executive Committee will present the proposed Advisory
370 Committee to the General Assembly. The General Assembly ratifies the proposed
371 Advisory Committee by a simple majority vote.

372 Between General Assemblies:

373 Concerning the replacement of a resigned Executive Committee member:

374 If an Executive Committee member resigns, a new Executive Committee member can
375 be elected to replace them.

376 The Executive Committee will publishes a call for candidates for the vacant
377 position. Candidates will be elected via an electronic vote.

378 Any replaced EC member will have full voting rights in the Executive Committee.

379 3.3. Electronic voting

380 The Executive Committee can call for an electronic vote between General

381 Assemblies in urgent matters. It is the duty of the Executive Committee to
382 provide enough information for the full Member Organisations to make an informed
383 decision.

384 Each full Member Organisation has 2 votes. When voting, abstention is always an
385 option.

386 The voting period is set to two weeks with a one week reminder.

387 The Statutes, the Internal Rules and Procedures, the Strategic Plan and the
388 Political Platform cannot be subject to any electronic vote between the General
389 Assemblies.

390 Results will be announced within one week after the closing of the vote and
391 include detailed information.

392 3.4. Tiebreakers

393 3.4.1. Tiebreakers on point of substance

394 In the case of a tie between two points of substance, the vote shall be held
395 again. If the result is once again a tie, the body voting may choose to vote
396 once more, table the discussion to later in the meeting, or decide by some form
397 of chance. Note that this paragraph is not intended to apply to ties between
398 "yes", "no", or "abstain" where some point of substance requires a majority to
399 pass.

400 3.4.2. Tiebreakers relating to elections

401 If the tie occurs between two candidates in an election, and only one may be
402 elected, a vote shall be held to decide between them. If the result is once
403 again a tie, the body voting may choose to vote once more or decide by some form
404 of chance. At any point during this, either candidate may choose to withdraw.

405 3.5. Dismissal of elected persons

406 3.5.1. Dismissal of Executive Committee member

407 Two thirds of the Executive Committee can propose dismissal of an Executive
408 Committee member.

409 The Full Member Organisations vote on the proposed resignation through
410 electronic vote.

411 The vote is based on two letters: a letter of justification from the majority of
412 Executive Committee members proposing the dismissal and an optional letter of
413 defence from the Executive Committee member.

414 If at least one third of the full MOs participate in the vote and a two third
415 majority is reached the Executive Committee member is dismissed.

416 3.5.2. Dismissal of Secretary-General

417 Two thirds of the Executive Committee can propose the dismissal of the
418 Secretary-General. An additional General Assembly must then be convened by a
419 decision of the Administrative Board under the applicable rules (as set out in
420 the statutes), where the Member Organisations vote on both the dismissal of the
421 existing Secretary-General, and the election and appointment to the
422 Administrative Board of a new interim Secretary-General. The Executive Committee
423 has the right to in writing and orally inform the Member Organisations as to why
424 they have proposed the dismissal, and the Secretary-General the right to defend
425 themselves.

426 If quorum is reached (as detailed in the Statutes) and a simple two-thirds
427 majority is found at the additional General Assembly for dismissing the
428 Secretary-General, the Secretary-General is dismissed. The Executive Committee
429 can propose dismissal of the Secretary General, with two-thirds of the votes of
430 the members of the EC. The Member Organisations must be notified within 8 days
431 about the decision and the Executive Committee must appoint a Secretary-General
432 ad interim within 8 weeks after the decision of the Executive Committee. The
433 Secretary General ad interim will continue until the election of a new Secretary
434 General at the subsequent General Assembly. The new interim Secretary-General
435 will take over the mandate over the former Secretary-General, expiring whenever
436 the former Secretary-General's mandate would have expired. They have all the
437 powers and responsibilities of the former Secretary-General.

438 3.6. Gender quota

439 In all elected bodies there must be a minimum of 50% of people that self-
440 identify as women, intersex, nonbinary, trans or agender.

441 If there is only one position in a body, there is no quota. However it is
442 encouraged that people that self-identify as women, intersex, nonbinary, trans
443 or agender alternate in this position.

444 4. Bodies

445 4.1. Administrative Board

446 In line with the Statutes, the association is administered by an administrative
447 board composed of three people, appointed by the general assembly amongst the
448 Secretary-General, and members of the Executive Committee, preferably the
449 Spokespeople and the Treasurer.

450 4.2. Executive Committee

451 The Executive Committee members are responsible for making strategic and
452 political decisions about the organisation during their mandate and between
453 General Assemblies.

454 The Executive Committee is composed of eight people:

455 who are elected by the General Assembly with a one-year mandate

456 whose mandate can be renewed three times

457 in case of by-election, the term only counts as a mandate if it exceeds 9 months

458 an EC member can not hold two mandates in the same role

459 An EC candidate must not be older than 32 on the year of election.

460 A mandate is the period between one Annual GA and the second to next Annual GA.

461 Within the EC there are two spokespersons, who must not be from the same Member
462 Organisation, the treasurer and five additional members. The gender quota
463 applies to the spokespersons.

464 The Executive Committee:

465 is responsible for the relations with the Member Organisations,

466 has the right to make statements on behalf of FYEG, in line with the political
467 platform

468 oversees the implementation of the activity plan as decided by the General
469 Assembly

470 receives and handles applications from organisations that wish to join FYEG and

471 produces a report for the General Assembly including voting recommendation

472 can engage FYEG in partnerships with external movements, networks and
473 organisations

474 select members of non-elected temporary bodies and provides political support to
475 them (such as the prep-teams, working groups, task forces etc.)

476 The Executive Committee members represent FYEG to its partners, member
477 organisations and other stakeholders.

478

479 **EC members need to ensure a good transfer of knowledge when their mandate comes**
480 **to an end with a proper handover. The handover should take place within 3 weeks**
481 **of the tasks being divided.**

482 4.2.1. Spokespeople

483 The Spokespersons:

484 Coordinate the Executive Committee

485 Represent FYEG to the public and are a contact point for people from outside the
486 Federation.

487 Represent FYEG with the Partners and attend European Green Party Committee
488 meetings

489 Are responsible for the secretariat

490 The mandate of the spokespersons is further stated in the internal delegation
491 order of FYEG, adopted by the Executive Committee on an annual basis.

492 4.2.2. Treasurer

493 The Treasurer is responsible for the yearly budget of FYEG. The treasurer works
494 closely together with the Secretary General and the Office, that ensures the
495 daily financial management of the organisation. The treasurer:

496 prepares the financial report to the Executive Committee and to the General
497 Assembly

498 prepares a budget plan for the General Assembly

499 has regular meetings with the Office to check the budget

500 The mandate of the treasurer is further stated in the internal delegation order
501 of FYEG, adopted by the Executive Committee on an annual basis

502 4.3. Secretary-General

503 The Secretary General is elected for a three year mandate at the General
504 Assembly. The mandate can only be renewed once. The total duration of the
505 mandate of the Secretary-General can not exceed two mandates and the time held
506 as "interim Secretary-General" is not counted as part of a mandate.

507 The tasks of the Secretary General include:

508 the legal representation of the organisation

509 Managing the FYEG Secretariat and making sure that each office member fulfils
510 their responsibilities and tasks

511 Facilitating and assisting the work of the Executive Committee

512 Overseeing the HR processes

513 Overseeing the execution of FYEG Activity Plan

514 Overseeing FYEG finances, including fundraising, reporting, handling FYEG bank
515 accounts, accounting,

516 Making sure that the statutory deadlines and process are respected

517 Overseeing the organisation of the statutory activities

518 Overseeing FYEG's external communications and campaigns

519 Monitoring key political events and policy developments on the European level to
520 serve as a resource for FYEG's political work

521 Maintaining good contacts with FYEG's partners and Member Organisations and
522 other stakeholders

523 If mandated by the Executive Committee, the Secretary General can externally
524 represent FYEG and its position

525 4.4. FYEG's Representative to the European Green Party 526 Committee

527 As outlined in the Statutes and the Rule Book of the European Green Party, the
528 Committee is the executive body of the European Green Party and is responsible
529 for its political and strategical development and functioning within the budget
530 and the guidelines approved by the Congress. The Committee consists of 13
531 members, out of which 4 are elected for specific functions, 8 regular members
532 and 1 seat nominated by FYEG.

533 The Committee mandate is 3 years. Members may not serve more than three terms.
534 The Committee's general tasks and responsibilities are further detailed in the
535 European Green Party Statutes.

536 FYEG nominates one member to the EGP Committee. Hereafter, this person will be
537 referred to as the representative. This representative cannot hold any of the
538 four specific posts of the Petit Committee of the European Green Party (Co-
539 Chairs, Treasurer and the Secretary General). The nomination of this FYEG
540 representative will follow the Committee elections deadlines.

541 FYEG's representative is elected at the General Assembly. They must not be older
542 than 35 years old at the year of election. They are required to attend at least
543 one live Executive Committee meeting every year. Moreover they must submit a
544 report to the General Assembly every year, detailing the work that they have
545 done in the EGP Committee. They can be asked to attend more FYEG Executive
546 Committee meetings and FYEG events to represent the EGP Committee.

547 4.5. Financial Control and Advisory Committee

548 At the General Assembly, members of the Financial Control and Advisory Committee
549 (FCAC) are elected for a two year mandate.

550 The FCAC is composed of two members. Its members must not be members of the
551 Executive Committee nor financially depending on FYEG.

552 The FCAC's tasks include:

553 At least one meeting a year, dedicated to checking FYEG's finances. A written
554 report of this meeting must be submitted to the EC, thereby providing an
555 internal audit.

556 the presentation of this yearly report to the delegates at the GA. The financial
557 report that is to be presented to the GA and all other relevant material have to
558 be ready and at disposal for the meeting.

559 Providing recommendations to FYEG Treasurer and Secretary General regarding the
560 financial management and the financial orientations of FYEG.

561 It is recommended that the EC and the office share relevant information related
562 to the finances of the organisation to FCAC throughout the year.

563 4.6. Office

564 In addition to the Secretary General, FYEG may recruit employees for its Office.

565 In principle, all recruitments are made after an open and public call. The
566 decision on the selected candidate is done in line with the internal delegation
567 order of the FYEG, adopted by the Executive Committee on an annual basis.

568 The Executive Committee adopts "Guidelines and Rules for the Office" in line
569 with legal requirements. This document is made available to all employees,
570 especially when new employees are recruited.

571 Salaries are decided upon in line with the internal delegation order of the
572 FYEG, based on the financial plans adopted by the General Assembly.

573 4.7. Advisory Committee

574 The Advisory Committee ensures the transfer of knowledge within FYEG and acts as
575 a conflict resolution body. It is appointed for two years at the General
576 Assembly. The Advisory Committee is composed of 5 members. Action by the
577 Advisory Committee is taken only upon request by Executive Committee members of
578 other bodies of FYEG. Its tasks are:

579 providing their shared experience on a specific subject

580 assisting in conflict resolution between Executive Committee members, members of
581 other Bodies and/or office

582 providing general or specific mentorship for Executive Committee members on an
583 individual needs basis.

584 If requested by the Executive Committee, advising the Executive Committee on
585 organisational and structural matters

586 In order to enable the Advisory Committee to fulfil this tasks it is granted the
587 following:

588 one-way access to the email-list of the Executive Committee throughout the year,
589 meaning the possibility to read conversations but not actively take part

590 access to the online storing spaces of the Executive Committee, without editing
591 rights.

592 attendance at online or offline meetings of the Executive Committee

593 During its duty, the Advisory Committee must respect the secrecy of internal
594 matters. At the General Assembly, the Advisory Committee must present a brief
595 overview of the functioning of the Executive Committee and office. If prompted,
596 the Advisory Committee make recommendation within 8 weeks, after oral or written
597 consultation of involved parties, and to the best of all members' knowledge.
598 Recommendation of the Advisory Committee have to be provided in written form to
599 parties involved.

600 4.8. Working Group

601 Working groups have the following functions within FYEG :

602 helping with the acquirement and create professional documents on current and
603 selected topics

604 providing the groundwork for the formulation of political positions

605 promoting the involvement of Member Organisations and green activists in FYEG
606 Working Groups

607 providing space for a debate between young Green activists on the European level

608 supporting the Executive Committee, office and prep-teams in the organisation of
609 events and campaigns

610 supporting the Executive Committee and Prep-teams in policy related preparations
611 for FYEG events

612 Working groups are formed by the Executive Committee, with a defined scope, aim,
613 working area and timeframe. This defined scope is outlined by the Executive
614 Committee responsible for the working group and working group coordinators at
615 the start of the mandate to complement FYEG's priorities. The creation of a
616 working group may be planned in the annual activity plan adopted by the General
617 Assembly but the Executive Committee may also decide to create ad-hoc working
618 groups.

619 Working groups must not work against the political platform of FYEG. Further
620 details on how to form, manage and communicate Working Groups is detailed in the
621 Annex - 2 Working Groups Guidelines.

622 4.9. Ecosprinter Editorial Board

623 The Ecosprinter is the Member Organisations magazine of FYEG and is created by
624 an autonomous editorial board, elected at the General Assembly. The Ecosprinter
625 is published online and FYEG should strive for a printed version.

626 The mission of the Ecosprinter is to:

627 provide a forum for commentary and internal debate

628 provide the spaces for blogs and articles of members of FYEG

629 inform about European Green policies and politics

630 report and comment about culture, politics and discussions they believe are of
631 importance.

632 The Ecosprinter Editorial Board:

633 consist of three members

634 has to be gender-balanced

635 can elect an Editor-in-Chief among its members

636 work on the mission and development of the Ecosprinter

637 In case there is not a consensus within the Ecosprinter Editorial Board on the
638 election of the Editor-in-Chief, or an absolute majority, the Executive
639 Committee can appoint the Editor-in-Chief. The role of the editor in chief is to
640 coordinate the work of the Ecosprinter Editorial Board and ensure that the
641 mission of the Ecosprinter is fulfilled.

642 4.10. Conflict of Interest

643 In case a decision needs to be taken and a member of an FYEG body has a conflict
644 of interest, financial or moral, they must inform the other members of the body
645 before the decision is taken and the following procedure applies:

646 - the nature of the conflict of interest must appear in the minutes of the
647 meeting,

648 - the person with a conflict of interest may not participate in the debate and
649 the vote related to the decision in question.

650 - except for the Executive Committee itself, the body in question is allowed to
651 delegate this decision to the Executive Committee,

652 - when the decision is delegated to a second body, the first body may still
653 execute the decision.

654 If someone neglects to disclose a conflict of interest, any other member who is
655 aware of the conflict must inform the rest of the members before the debate and
656 decision takes place. Without the member concerned by the conflict of interest
657 present, the body decides by a vote whether or not this member can participate
658 in the debate and the vote. This decision must be mentioned in the minutes of
659 the meeting. The body is allowed to delegate this decision.

660 In case the majority of members present or represented are in a position of
661 conflict of interest, the decision must be delegated to the Executive Committee.

662 In case the majority of members of the Executive Committee are in a position of
663 conflict of interest, the decision must be delegated to the General Assembly.

664 This chapter does not apply when the decision in question relates to usual
665 transactions, entered into under normal market conditions and guarantees for
666 transactions of the same nature.

667 **5. Relations with other organisations**

668 5.1. General principles

669 FYEG may:

670 become a member of other organisations/networks

671 become a temporary or permanent partner of other
672 organisations/networks/alliances

673 set up new organisations and networks

674 The Executive Committee may take the decision to become a temporary or permanent
675 partner of other organisation/networks/alliances. The decision to become a
676 member of other organisations/networks or to set up new organisations/networks
677 should be approved by the General Assembly.

678 Furthermore the EC must:

679 provide a list of organisations that FYEG is a member of, as well as a
680 description of FYEG's rights and responsibilities and the contact details of the
681 concerned organisations

682 report at the GA about all the partnerships FYEG has maintained during the year
683 and provide details upon request by a MO

684 5.2. European Green Party

685 FYEG is the official youth wing of the European Green Party (EGP). Relations
686 between FYEG and EGP are further specified in the EGP-FYEG relationship
687 agreement.

688 5.3. Cooperation and Development Network Eastern Europe

689 FYEG and Cooperation and Development Network (CDN) are sister organisations and
690 cooperate together to their mutual benefit. Relations between FYEG and CDN are
691 further specified in the CDN-FYEG relationship agreement.

692 5.4. Global Young Greens

693 FYEG supports the building and working of Global Young Greens (GYG), striving to
694 help GYG with financial and organisational matters.

695 **6. Event Management**

696 6.1. Participants

697 Participants to an event are selected in line with the internal delegation order
698 of the FYEG, striving for gender, age and geographical balance.

699 The Executive Committee decides if the event is open to all or only to the
700 delegates of Member Organisations.

701 The FYEG Safer Spaces Policy and the Anti Sexual Harassment protocol shall be

702 communicated and presented to all participants.

703 6.2. Prep Team

704 A Prep Team is a temporary bodies, created for the planning, organisation and
705 follow-up of specific projects.

706 A Prep Team is set up via an open call procedure.

707 In line with the internal delegation order of the FYEG, the final decisions on
708 the Prep Team's composition and all necessary replacements are done by the
709 responsible Executive Committee member. They must always:

710 strive for gender and geographical balance

711 ensure compliance to specific set of rules imposed by partners and funders

712 A Prep Team can take decisions concerning their project independently. If
713 needed, a Prep Team can consult the Executive Committee in order to solve
714 possible internal problems.

715 6.3. Alcohol and intoxicating substances

716 Organisers of the event shall make sure that underaged participants are not
717 exposed to dangerous situations involving alcohol or illegal drugs.

718 This shall be ensured by, among others, the following measures:

719 Participants below 16 and those for whom it is forbidden by domestic laws, shall
720 not consume alcohol or illegal drugs, and one shall not offer any to them. In
721 the event that this does take place, all parties responsible must be banned from
722 the rest of the programme. Moreover, their respective MO(s) shall be notified by
723 the Executive Committee upon violation of these rules;

724 Alcohol and illegal drugs shall not be consumed during the official sessions
725 part of the programme;

726 FYEG shall look into organising sessions and parties in other places than those
727 where alcohol consumption is central, such as bars or clubs;

728 Members of the Executive Committee and the Prep Team shall lead by example and
729 abstain from excessively drinking alcohol and from using illegal drugs during an

730 event. Additionally, two people, from either the Executive Committee or the Prep
731 Team, should be appointed to stay sober during the programme.

732 **7. Financial Management**

733 The FYEG financial year starts on 1st of January and ends on 31st of December as
734 is reflected in FYEG budget. The financial management of FYEG is done through
735 the decision-making, execution and control of different bodies in line with
736 Belgian law and the delegation order adopted by each Executive Committee.

737 FYEG's internal financial management is organised as follows:

738 The General Assembly approves of the yearly Budget Report and amends and adopts
739 the yearly Budget Plan

740 The Executive Committee approves the General Budget Plan and Report presented by
741 the Treasurer, before they are submitted to the General Assembly.

742 The Treasurer regularly monitors the implementation of the overall budget and
743 accounting and keeps the rest of the Executive Committee updated

744 The Secretariat manages all the practicalities to realise the adopted budget
745 under the supervision of the Secretary-General

746 The Financial Control and Advisory Committee (FCAC) monitors and reviews the
747 financial reports and plans once per year before they are presented at the
748 General Assembly. The FCAC also monitors the financial management processes and
749 practices. It submits a report to the General Assembly

750 A certified auditor provides an external audit in line with legal requirements.

751 **7.1. Travel Reimbursements**

752 The reimbursement rules, procedures and deadlines are shared with the
753 participants of each events. Each event and activity has its own rules,
754 procedures and deadlines in line with the rules and procedures of the funders of
755 the activity.

756 As a general principle a person can ask for reimbursement of the travel cost if:

757 the participant attended at least 75% of the meeting

758 all relevant receipts and proof of travel have been handed in within the
759 deadline communicated for each activity

760 Exceptions to these rules regarding participants can only be made in
761 consultation with the Treasurer.

762 7.1.1. Reimbursement practicalities

763 Train and other public transport travel costs are reimbursed on the basis of a
764 2nd class ticket or a 1st class if that option is cheaper.

765 For night trips over 500 km the couchette fee (2nd class) can be covered

766 Bike trips over 10 km are reimbursed by 1 EUR / km with a maximum of the price
767 of a second class train ticket and with an absolute maximum of 100 EUR

768 Direct flights as well as combinations of direct flights with ground
769 transportation are to be preferred over multistop flights due to the increased
770 emissions from multiple starts and landings. Due to the high levels of
771 emissions, plane-travel in general should be avoided as much as possible.

772 Taxi costs will be reimbursed if local transport is not available and if
773 requested in advance from the organisers.

774 The necessity of using a private car must be justified in writing and approved
775 in advance. Travel by car may be reimbursed by 0.2 EUR/km. Depending on the
776 activity, specific reimbursement rules may apply.

777 Car sharing should be approved in advance and should be cheaper than public
778 transportation. The costs have to be documented.

779 FYEG uses the official conversion rates of the European Commission for
780 currencies other than Euro:
781 ec.europa.eu/budget/contracts_grants/info_contracts/inforeuro/inforeuro_en.cfm
782 based on the date of expense if no other donor guidelines apply. Exceptions are
783 payments with credit cards when the documented conversion rates of the credit
784 card company apply based on credit card payments statements.

785 7.2. Participation fees

786 A participation fee to any activity can be demanded and fixed by the Executive
787 Committee, in line with the delegation order.

788 7.3. Expenses covered

789 7.3.1. Food and food supplies

790 The members of the Executive Committee can be reimbursed for food expenses up to
791 maximum 30€ per person for meetings covering an entire day and up to 15€ per
792 person for half-day meetings with at least 4 hours of work.

793 Food reimbursement for other volunteers are fixed by the participating
794 conditions for each event and meeting.

795 FYEG can only cover costs for vegetarian and vegan food. At every event, vegan
796 food should be offered and its consumption encouraged.

797 7.3.2. Child care

798 If requested and possible child care will be provided for the Secretary-General,
799 FYEG Office, Executive Committee members, speakers and Prep Team members in
800 order to allow full presence at an event. The child care support can take the
801 form of: covering the travel and accommodation costs for an extra person to
802 provide child care on the spot during the event, covering the fee for a child
803 care professional during the event etc. All the costs should be approved by the
804 Treasurer.

805 7.4. Executive Committee Members allowance

806 The members of FYEG Executive Committee are entitled to a monthly allowance up
807 to a maximum of 135 EUR per month. The FYEG EC members are free to claim the
808 allowance depending on their need.

809 The allowance is meant to cover preparation and participation in the following
810 meetings:

811 FYEG activities, including regular EC meetings;

812 EGP Committee Meetings and Councils;

813 Study Visits to Member Organisations approved by the EC;

814 Other events or meetings approved by the EC.

815 In addition to the monthly allowance, Executive Committee members are entitled

816 to reimbursement for their costs for travel, accommodation, food and child care
817 costs when travelling, in accordance with the FYEG reimbursement rules.
818 Reimbursement for expenses while travelling can only cover expenses for up to
819 the limit of 1 day before and 1 day after the event/meeting.

820 The EC member in question makes sure the allowance is declared in line with the
821 fiscal rules of their country of fiscal residence. FYEG declines responsibility
822 for any tax liability.

823 **Annex 1: Organisation of the General Assembly**

824 Application Requirements & Procedures for Candidates

825 Applicant Organisations

826 Organisations that are applying to become an Associate, Candidate or Full Member
827 of the Federation of Young European Greens should send their application to the
828 Executive Committee before the deadlines set in the Internal Rules and
829 Procedures.

830 Their application shall contain:

- 831 • a letter signed by their board stating the reason and motivation for their
832 application
- 833 • a copy of the original statutes and a translated version in English
- 834 • a copy of their political platform (or comparable document) and a
835 translated version in English
- 836 • a filled-in questionnaire provided to them by the Executive Committee that
837 includes questions on the number of its members, age limit, list of
838 activities, budget and all other possibly relevant information.

839 Executive Committee candidates

840 Candidates for the Executive Committee shall provide in their application form:

- 845 • Detailed CV
- 846 • Candidates must be proposed by their member organisation and seconded by
847 another FYEG member organisation.
- 848 • One nomination letter from the Member Organisation they belong to. If that
849 is not possible the Member Organisation, of which the candidate is from,
850 must provide an explanation for the rejection of nomination and the
851 possible candidate has the right to provide a letter of justification. The
852 letter will be shared with the delegates of the General Assembly. The
853 General Assembly will decide, through a vote by two-third majority,
854 whether this person is admitted as a candidate or not.

855 Multiple positions holding

856 FYEG strives to have non-cumulation of positions.

857 Executive Committee members have to be able to combine their commitments to FYEG
858 with whatever other tasks they may have. Candidates to the Executive Committee
859 have to lay open what other mandates and functions they have.

860 Secretary General candidates:

861 Secretary General candidates' application must include:

- 862 • a CV
- 863 • a comprehensive motivation letter, explaining how experiences match the

898 that is not possible the Member Organisation, of which the candidate is
899 from, must provide an explanation for the rejection of nomination and the
900 possible candidate has the right to provide a letter of justification.

901 Further requirements and procedure:

- 902 • A committee for a pre-selection of the candidates will be set up. The
903 committee will consist of 4 people: one current/former FYEG EC member, a
904 current/former FYEG Co-Spokesperson, a current/former FYEG Secretary
905 General, and one full Member Organisation representative).
- 906 • Only applications including all required documents and sent before the
907 given deadline will be examined taking into consideration both political
908 and professional skills of the candidates. These candidates will be given
909 an interview if this is possible.
- 910 • The committee will assess the candidates' experience and skills.
- 911 • Candidates are expected to present themselves at the General Assembly. The
912 final decision on the nominee of FYEG to the EGP Committee is made by the
913 General Assembly.
- 914 • In case a candidate is not recommended by the committee, they will still
915 be able to apply for the position and present themselves at the General
916 Assembly, but the candidacy will not be endorsed by the EC.

917 Financial Control and Advisory Committee:

918 Candidates for the Financial Control and Advisory Committee shall provide:

- 924 • Detailed CV

925 Meeting rules to the General Assembly

926 These meeting rules regulate the formal sessions of the General Assembly. The
927 goal of these meeting rules is to make sure that all participants have an as
928 similar understanding of the formalities of the General Assembly as possible.

929 Presidency

930 The General Assembly is presided over by the Presidency. The Presidency consists
931 of four to six people, who must not be candidates to any positions at the
932 General Assembly. In line with the Internal Rules and Procedures, the Presidency
933 is selected by the Executive Committee by an open-call. The General Assembly
934 confirms the Presidency proposed by the Executive Committee before any other
935 decisions are made.

936 The Presidency should elect a chair among themselves. The Chair is the main
937 point of contact for the Executive Committee and the Office during and after the
938 General Assembly.

939 The chair is responsible for making sure that the rest of the Presidency
940 delivers their tasks assigned to them and that all the documents related to the
941 General Assembly (adopted resolutions, minutes, votes and voting cards, and
942 other adopted documents) are finalised handed over the Office and the Executive

943 Committee in the following month after the General Assembly.

944 The Presidency:

- 945 • chairs the meetings and discussions at the General Assembly
- 946 • prepares the resolutions, amendments and voting procedures for the General
947 Assembly
- 948 • is responsible for taking the minutes of the General Assembly
- 949 • decides who speaks, who takes part in discussion and who can also be
950 suspended from discussions.
- 951 • Can call emergency sessions to the agenda. However this change would need
952 confirmation by a simple two-thirds majority of the full members.

953 Agenda:

954 The agenda of the General Assembly is adopted with a simple majority on the
955 first day of the General Assembly.

956 In line with the Statutes, if the member organisations want to add a point to
957 the General Assembly agenda, they should communicate it to the Executive
958 Committee at least 10 days in advance and their proposal must be signed by one-
959 twentieth of the full members.

960 The agenda can only be changed with a simple two-thirds majority of the full
961 members. Proposed changes to the agenda have to be presented in written form to
962 the presidency.

963 Documents that are noted, amended, approved, disapproved at the General
964 Assembly:

965 The power and the role of the General Assembly is detailed in the Internal Rules
966 and Procedures.

967 The Executive Committee, the Secretary General, the Ecosprinter Editorial Board,

968 the Financial Control and Advisory Committee and the Advisory Committee presents
969 their reports for the previous years. These reports are heard by the GA, not
970 voted.

971 The Treasurer presents the annual accounts and financial report of the previous
972 financial year and the budget and the financial plan of the upcoming year. These
973 documents can be amended and voted.

974 The Executive Committee presents the Activity Plan and the Strategy Plan (if
975 applicable) for the upcoming year(s). These documents can be amended and voted.

976 The deadlines for presenting and amending these documents are detailed in the
977 Internal Rules and Procedures.

978 The Presidency is responsible for organising Compromise Amendment Sessions (CAS)
979 to try and find compromises on amendments, so that documents have a higher
980 chance of being adopted.

981 Compromise Amendment Sessions (CAS):

982 The Compromise Amendment Sessions are called CAS in short. Everyone who has
983 speaking rights at the General Assembly can attend the compromise amendment
984 session, and it's advised that all member organisations with voting rights do
985 so.

986 Compromises are made between the member organisations or the body that proposed
987 the original document and the member organisations or the body that proposed the
988 amendment subject to compromise. It is advised to include other interested
989 Member Organisations in this compromise process so as to further broaden
990 consensus.

991 Amendments to existing documents (Statutes, Internal Rules and Procedures,
992 Political Platform) are only subjected to compromise if the compromise is in the
993 scope of an already submitted amendments. The Presidency may declare a
994 compromise amendment ineligible if its scope is different from the original
995 amendment.

996 During the Compromise Amendment Session, the proposer of the resolution presents
997 their resolution. The proposer of the amendment presents their amendment. At
998 this point other parties can declare their positions towards the amendment. The
999 proposer of the resolution can adapt the amendments or seek a compromise. If a
1000 compromise is reached, it is shared with the delegates of the General Assembly.
1001 Unless a Full Member Organisation or the Executive Committee disputes the
1002 compromise, it is considered adopted. If the compromise is disputed, the

1003 compromise will be sought until the last day of the General Assembly.

1004 It is encouraged that the CAS sessions are organised in advance of the General
1005 Assembly, following the deadline for amendments which is one week before the
1006 General Assembly. The CAS session can happen online.

1007 In the voting, firstly the compromised amendments on the document as whole are
1008 voted. Afterwards, the document itself is voted on.

1009 Resolutions

1010 • Each resolution should have an international and/or European angle

1011 • Each resolution should be supported by at least one Member Organisation

1012 • A resolution should always have a call to action

1013 • A resolution should preferably be around 5,000 characters but definitely
1014 not more than 10,000

1015 The Executive Committee can recommend review of certain resolutions to the
1016 Presidency.

1017 The Presidency can suggest/demand the proposers of the resolution to withdraw
1018 their resolution or to postpone the resolution to the further General
1019 Assemblies.

1020 Speaking rights and debates:

1021 Speaking rights are open to all members of FYEG bodies, and all registered
1022 participants of the General Assembly.

1023 The presidency ultimately decides which individuals are given the opportunity to
1024 speak.

1025 The speaking time for debates is proposed by the presidency at the beginning of
1026 every debate based on the content of the debate and the time assigned for the
1027 current session in the agenda.

1028 The presidency can change the assigned speaking time based on the time left of

1029 the session to better fit the agenda, as they see fit. This might include
1030 cutting breaks.

1031 The General Assembly can overrule (with a simple two thirds majority) the
1032 presidency's proposals for speaking time. In such cases the new Agenda proposal
1033 must be submitted to the Presidency in a written form.

1034 During sessions where debates will take place, participants will be able to
1035 submit 'speaker cards' before the session. These cards will note if they are
1036 for/against, their Member Organisation and their gender.

1037 In view of the received speaker cards, the Presidency will define the speaker
1038 list. Speakers may still be taken from the floor for balance, but those who
1039 submit cards will be prioritised

1040 The presidency will ensure gender balance on the speaking list. This is done
1041 through a strict quotation of the list. Only as many men are allowed to speak as
1042 non-men are on the list. The only exception is if people are on the list who
1043 haven't participated in the debate up to that point. They will be chosen before
1044 persons that have already made plenty of contributions.

1045 The only exceptions to the speakers list are technical points. If someone has a
1046 technical point, they must signal the presidency and will be given the floor
1047 after the current speaker.

1048 Types of debate:

1049 Open debate: The debate is open to speakers willing to speak for or against the
1050 resolution or amendment being discussed, as well as for contributions that are
1051 neither opposed nor in favour. This debate is often used during the Compromise
1052 Amendment Sessions.

1053 Con-Pro: The debate is organised by an alternation of speakers against and for
1054 the resolution or amendment being discussed. This debate is often used during
1055 the Voting Session of the amendments that goes to vote and the resolutions.

1056 It should be noted that all the compromises should be reached before the voting
1057 session and the point of the con-pro debate is not to reach a compromise but to
1058 explain the positions. Therefore the presidency is encouraged to do only one
1059 round of con-pro debates, and if more than one rounds occur time is monitored by
1060 the presidency to ensure that overall the 'pro' and 'con' sides are both
1061 allocated equivalent speaking time.

1062 Quorum, voting and majorities:

1063 Quorum, voting rules and majorities are defined in the Internal Rules of
1064 Procedures.

1065 Voting rules and majorities are defined in the Internal Rules of Procedures

1066 A quorum check will be called before the voting sessions.

1067 Safer Spaces

1068 The General Assembly is a space where everybody feels safe, and has an equal
1069 opportunity to be heard. The Presidency is responsible for chairing the General
1070 Assembly in line with FYEG's Safer Spaces regulations. The presidency can ban a
1071 participant for misconduct for the remainder of a session.

1072 **(Queer-)Feminist Council**

1073 **On a point of order, the women, intersex, nonbinary, trans and agender**
1074 **participants present and entitled to vote may decide whether they wish to hold a**
1075 **Feminist Council. The motion is dealt with with one pro and one con speech, with**
1076 **only those eligible to vote on the motion able to speak; the debate can be**
1077 **opened up beyond these two speeches. The Feminist Council then deliberates for**
1078 **up to one hour in the absence of the other participants and informs the entire**
1079 **body of the outcome after the end of the Feminist Council. The Feminist Council**
1080 **is considered part of the respective body. The organizers are responsible for a**
1081 **parallel programme dealing with a feminist policy topic for all those not**
1082 **participating in the Feminist Council.**

1083 **At the Feminist Council, women, intersex, nonbinary, trans and agender people**
1084 **can issue a Feminist vote. In the case of motions that affect the right of self-**
1085 **determination of women, intersex, nonbinary, trans or agender people in terms of**
1086 **form or content or that particularly affect women, intersex, nonbinary, trans or**
1087 **agender people, the Feminist Council has the opportunity to hold a separate vote**
1088 **among women, intersex, nonbinary, trans or agender people before the assembly**
1089 **vote. This Feminist vote is a strong and urgent recommendation to the assembly**
1090 **and shall be understood as such. The feminist vote is a non-binding**
1091 **recommendation.**

1092 **Annex 2: Working Group Guidelines**

1093 These guidelines are to serve the Working Groups and the Working Group
1094 coordinators.

1095

1096 Working Group rights and responsibilities:

1097 Working group functions are detailed in the FYEG's Internal Rules of Procedures.
1098 FYEG Working Groups are based on direct democracy and the inclusion of all its

1109 members. Most of the Working Group meetings happen online, through the channels
1100 of internal communication available to them. Working Group members can have
1101 access to usage of the internal communication tools available to FYEG (such as
1102 online meeting softwares). As set out in the Internal Rules of Procedures, the
1103 EC is responsible for setting up a new Working Group and for ending the term of
1104 a Working Group.

1105 Working Groups can (and not only):

- 1106 • Support FYEG and its bodies in developing policy documents
- 1107 • Provide feedback to FYEG's internal policies and documents
- 1108 • Create campaigns
- 1109 • Create guidelines, templates, training material, and similar material

1110 All the Working Group activities must be in line with the FYEG Political
1111 Platform.

1112
1113 Only FYEG's Executive Committee (EC) has the mandate to speak on behalf of the
1114 organisation and engage in partnerships with other organisations. Therefore, any
1115 external communication or partnership request needs their approval.

1116 When the Working Group has a request for content to be shared via FYEG's
1117 official channels, firstly, it should be approved by the member of the Executive
1118 Committee responsible for the Working Group (hereinafter EC Responsible).

1119 Moreover, if the Working Group decides to engage in external partnerships, sign
1120 letters of external partners (i.e. organisations other than Green Political
1121 Organisations), etc. this must also be approved by the EC Responsible for the
1122 Working Group.

1123 Finally, if the Working Group needs support from the FYEG Office in matters of
1124 communication, administration, finances, etc. the Working Group should
1125 communicate a detailed concept, through the Working Group coordinator, to the EC
1126 Responsible in a timely manner.

1127 Executive Committee responsibilities:

1128 The EC Responsible is the person appointed among the EC members to be
1129 responsible for the Working Group.

1130 They are responsible for:

- 1131 • Initial setup of the Working Group: defining the aims, scope, timeframe,
1132 publishing a call for Working Group members and coordinators

- 1133 • Choosing the first members of the Working Group and the Working Group
1134 coordinators

- 1135 • Meeting with the coordinators to explain their roles and responsibilities

- 1136 • Attend meetings where needed/wanted to (optional) - but in general, it is
1137 more important to be aware what they are up to

- 1138 • Keeping track of all their activities and being aware of how the Working
1139 Group is progressing and what they are up to

- 1140 • Providing political advice and making sure the Working Group acts in line
1141 with FYEG's Political Platform

- 1142 • Updating the Working Group on FYEG activities related to their topics and
1143 purposes

1144 The EC responsible has the possibility to exclude someone from the Working Group
1145 on the recommendation of the coordinators or at least three members of the
1146 group. The EC has to be informed of the decision. The person has the possibility
1147 to appeal to the Advisory Committee.

1148 Working Group coordinator responsibilities

1149 A working group should have two coordinators, at least one of them self-
1150 identifying as women, intersex, nonbinary, trans or agender.

1151 If it is impossible to find two coordinators even after the EC responsible's

1152 best efforts to do so, an exemption can be made if approved by the FYEG EC. In
1153 this case, it is required that either the EC responsible or the Working Group
1154 coordinator self-identifies as female, intersex, nonbinary, trans or agender,

1155 Working Group coordinator tasks are as follows:

1156 • Set meetings and agendas for Working Group and notifying members of action
1157 points afterwards (online Working Group meetings should strive to be
1158 planned at least once every two weeks, excluding holidays and exceptional
1159 circumstances)

1160 • Set up the main communication channels

1161 • Main point of contact for EC Responsible

1162 • Keep the EC Responsible up to date on what's happening in the Working
1163 Group

1164 • Keep Working Group members informed and updated on EC's feedback and
1165 recommendations

1166 • Steer direction: set priorities, what themes/projects they work on,
1167 oversee the work

1168 • Coordinate the creation of a Working Group activity plan, guided by the
1169 objectives and goals set out at the beginning

1170 • Set up subgroups (if necessary or desired)

1171 • They do not need to be involved in every single project or attend every
1172 meeting, but in their absence should delegate project or meeting
1173 moderation to someone else, and keep themselves updated on progress

1174 **Annex 3: Safer Spaces Policy**

1175 Safer spaces are evolving and not static. We have high expectations on how we
1176 behave towards each other in our meetings, actions and social spaces. Making a
1177 space safer means different things depending on the group of people involved as
1178 each group has different needs. This policy aims to be considered in every
1179 meeting involving FYEG, but the document should evolve as we learn and grow.

1180 As an organisation we build social relationships inside and outside of meetings
1181 and actions. We commit to this Safer Spaces policy wherever we are together,
1182 this includes ensuring that ALL spaces are inclusive and harmless.

1183 If someone violates these agreements a discussion or mediation process can
1184 happen, depending on the wishes of the person who was affected. If a serious
1185 violation happens to the extent that someone feels unsafe, they can be asked to
1186 leave the space and/or speak with one member of the Awareness Group. If
1187 necessary, the Sexual Harassment Protocol will be activated.

1188 1. Respect! Racism, as well as ageism, GSRM-phobia, sexism, ableism or
1189 prejudice based on ethnicity, nationality, class, gender, gender presentation,
1190 language ability, asylum status or religious affiliation is unacceptable and
1191 will be challenged. FYEG has a zero-tolerance policy with any kind of
1192 discrimination, even though we acknowledge that there can be different levels in
1193 a breach of a safe space.

1194 2. Be aware of your privileges! Including racial, class and gender privilege
1195 and/or less obvious or invisible hierarchies. Think about how your words,
1196 opinions and feelings are influenced and who they might exclude or harm.

1197 3. Consent! Respect each other's physical and emotional boundaries, always get
1198 explicit verbal consent before touching someone or crossing boundaries. Don't
1199 assume your physical & emotional boundaries are the same as other people's.

1200 4. Friendly use of language! Be aware of the language you use in discussion and
1201 how you relate to others. Try to speak slowly and clearly and use uncomplicated
1202 language especially when non-natives speakers are involved in the conversation.

1203 5. Don't anticipate yourself! Avoid assuming the opinions and identifications of
1204 other participants.

1205 6. Learning; if you don't understand something, just ask. You may be directed to
1206 a book, website or skill share to learn more. It's ok to make mistakes. Please
1207 show appreciation for the hard work of others and be considerate when you offer
1208 criticism.

1209 7. Everyone has their turn; give each person the time and space to speak. In

1210 large groups, or for groups using facilitation: Raise your hand to speak.

1211 8. Calling out; if you have acted or spoken harmfully, even if unintentionally,
1212 expect that someone will bring this up to you. If this happens, listen and
1213 reflect on what they are saying even if you think they may be wrong. Don't try
1214 to absolve yourself of responsibility.

1215 This policy should be expanded with specific measures and practices to promote
1216 the creation of safer spaces.

1217

1218 **The EC, Office and all Prep Teams must organise mandatory reflection/awareness**
1219 **sessions dedicated to discussing power dynamics in relation to sexual/romantic**
1220 **relationships within our Federation, being mindful about how they engage with**
1221 **participants and ethical leadership within FYEG.**

1222 1. **The EC should hold such a reflection/awareness session at a minimum once a**
1223 **year preferably at the first live ECM.**

1224 2. **The Office should hold such a reflection/awareness session at a minimum**
1225 **once a year.**

1226 3. **Prep Teams should hold such a session at least once during a Prep Team**
1227 **meeting before the event they are organizing begins.**

1228 **Discussions on power dynamics and ethical leadership also are incorporated into**
1229 **the onboarding process for new EC members and Office members.**

1230

1231 **Permanent Awareness Team**

1232 **The Permanent Awareness Team consists of one member from the EC and one**
1233 **volunteer that is not a member of the EC. Both members are selected by the EC.**
1234 **This team operates in addition to the event-specific awareness groups and are**
1235 **complementary to those. Members of FYEG should be informed of the existence of**
1236 **this team and know that they can contact them regarding situations that make**

1237 **them feel uncomfortable or if they have concerns about the behaviour of EC**
1238 **Members, Office members, or PT members.**

1239 **The Permanent Awareness Team should be easily accessible via the website, and**
1240 **there should be a contact form available that allows for anonymous submissions.**

1241 **The team is responsible for safeguarding the anonymity of any FYEG members who**
1242 **reach out to them.**

1243 **The Permanent Awareness Team has the authority to make recommendations and**
1244 **propose initiatives in the form of reports to the EC and the General Assembly as**
1245 **needed.**

1246
1247 Anti sexual harassment protocol

1248 FYEG has a zero-tolerance policy on sexual harassment at all its events, within
1249 all its structures and during all activities. This protocol is applicable for
1250 those participating in an FYEG activity (General Assembly, Strategic Planning
1251 Committee, Working Group Meeting or any other activity), members of a Member
1252 Organization (MO), or members of an online structure of FYEG, referred to as
1253 "this organization" from now onwards in this protocol.

1254 Anyone who is subject to sexual harassment can approach one of the designated
1255 contact points responsible for receiving complaints of sexual harassment. The
1256 Executive Committee will designate an Awareness Group for anyone presenting
1257 allegations of physical, verbal or online sexual harassment. In accordance with
1258 the IRPs, the Awareness Group will be formed by two persons from the EC who are
1259 of different genders. Additionally, every Prep - Team will designate one person
1260 to be an independent contact person in our projects. However, this person shall
1261 always inform the official contact points if a procedure starts, in the case of
1262 their absence, the main contact will be the Project Manager.

1263 When one of these procedures is open in the organization, the EC as a whole must
1264 be informed of the procedure without details of the people involved or the
1265 presented allegations to respect confidentiality. If a case involves someone
1266 from the EC, the case will be brought to the Advisory Committee (AC). The
1267 Advisory Committee will act as contact points when a case arises, following this
1268 protocol. However, the EC will not be informed until a final decision is made.

1269 Important note:

1270 These procedures will follow general principles such as the privacy of the
1271 survivor, confidentiality of the process and survivor's choice and preference.

1272 We respect the presumption of innocence of any alleged harasser which is why
1273 this procedure is in place and has been approved in the General Assembly.
1274 However, as a feminist organization, we also believe in the principle of
1275 believing the survivor and putting the burden of the proof on the alleged
1276 harasser.

1277 This procedure might be applied to an internal case of a MO if this case is
1278 related to FYEG activity or if the people involved take part in any FYEG
1279 structure. However, we will not be able to extend sanctions or disciplinary
1280 measures beyond FYEG. MOs can however adapt this protocol to their own
1281 organization.

1282 When the designated people receive a complaint of sexual harassment, they shall:

- 1283 1. Immediately record the dates, times and facts of the incident(s);
- 1284 2. ascertain the views of the survivor as to what outcome they want, ensure the
1285 survivor feels safe and ensure the survivor is separated from the alleged
1286 offender unless the survivor wishes otherwise;
- 1287 3. ensure that the survivor and the alleged harasser understands FYEG protocol
1288 for dealing with the complaint;
- 1289 4. discuss and agree the next steps with the alleged survivor, informal, formal
1290 or outside complaints procedure (police, hospital, embassy, etc.), on the
1291 understanding that choosing to resolve the matter informally does not preclude
1292 the survivor from pursuing a formal complaint if they are not satisfied with the
1293 outcome;
- 1294 5. keep a confidential record of all discussions. Records will be destroyed if
1295 the alleged survivor requests it, or before the change to a new EC. However, a
1296 record of sanctions and a brief description of the reason will be kept in a safe
1297 place;
- 1298 6. respect the choice of the survivor;
- 1299 7. and ensure that the survivor knows that they can lodge the complaint outside
1300 of FYEG through the relevant country/legal framework.

1301 INFORMAL COMPLAINTS PROCEDURE

1302 If the survivor wishes to deal with the matter informally, the designated person
1303 will:

- 1304 • Approach the alleged harasser saying that the behaviour is offensive,
1305 unwelcome and must be stopped;
- 1306 • Inform the harasser that FYEG has a zero tolerance policy on sexual harassment
1307 and that disregarding this policy may result in the person's exclusion from the
1308 organization
- 1309 • give an opportunity to the alleged harasser to respond to the complaint;
- 1310 • ensure that the alleged harasser understands the complaints mechanism;
- 1311 • facilitate discussion between both parties to achieve an informal resolution
1312 which is acceptable to the complainant, provided the alleged survivor agrees,
- 1313 • ensure that a confidential record is kept of what happened;
- 1314 • follow up after the outcome of the complaints mechanism to ensure that the
1315 behaviour has stopped and that there is no risk of its repetition;
- 1316 • And ensure that the above is done accurately and at the latest within 10 days
1317 of the complaint being made. During events, the procedure shall take place
1318 within 48 hours.

1319 FORMAL COMPLAINTS PROCEDURES

1320 If the survivor wants to make a formal complaint or if the informal complaint
1321 mechanism has not led to a satisfactory outcome for the survivor, the formal
1322 complaint mechanism should be used to resolve the matter.

1323 The designated person who initially received the complaint will communicate to
1324 the rest of contact points the opening of a formal complaint procedure. The EC
1325 will be informed of this, respecting the confidentiality of the alleged survivor
1326 and the allegations. The designated person who initially received the complaint
1327 will carry out the investigation with the assistance of the Awareness Group and
1328 the independent contact person at the moment in which allegations were
1329 presented, if any. They will help the investigator with the analysis and
1330 decision making process. A procedure for online harassment shall be developed.

1331 The person carrying out the investigation will:

- 1332 • interview the survivor and the alleged harasser separately
- 1333 • interview other relevant third parties separately

- 1334 • decide whether the incident qualifies as sexual harassment within the meaning
1335 of this protocol

- 1336 • produce a report detailing the investigations, findings and any
1337 recommendations

- 1338 • if the harassment took place, decide what the appropriate remedy for the
1339 survivor is, in consultation with the survivor (i.e. an apology, a change of
1340 structure, suspension..,)

- 1341 • follow up to ensure that the recommendations are implemented, that the
1342 behaviour has stopped and that the survivor is satisfied with the outcome

- 1343 • if it cannot determine that the harassment took place, they may still make
1344 recommendations to ensure proper functioning of the organization

- 1345 • keep a record of all actions taken

- 1346 • ensure that all records concerning the matter are kept confidential

- 1347 • ensure that the process is done as quickly as possible and in any event within
1348 15 days of the complaint being made

1349 The general rule is to avoid the presence of the alleged harasser in those
1350 places/structures in which the alleged survivor moves. It is vital that the
1351 wishes and needs of the survivors are incorporated into the outcome of the
1352 complaints mechanism.

1353 A data protection protocol will be developed.

1354 OUTSIDE COMPLAINT MECHANISM

1355 This protocol seeks to create a fast and appropriate response to allegations of
1356 sexual harassment. However, it does not seek to substitute existing regulation
1357 and legislation on this issue. We want to make clear that FYEG wants to be fully
1358 supportive with every decision of the alleged survivor.

1359 A person who has been subject to sexual harassment can at any time make a
1360 complaint outside of the organization. Even though this organization cannot
1361 offer legal advice, the contact point(s) will accompany the person to the
1362 instance this person prefers (hospital, police, ombudsperson, law courts,
1363 embassies, etc.) if they request it.

1364 SANCTIONS AND DISCIPLINARY MEASURES

1365 Anyone who has been found to have sexually harassed another person under the
1366 terms of this policy may be sanctioned. Sanctions may include but are not
1367 limited to one of the following :

1368 • Verbal or written warning

1369 • Suspension from an elected or non-elected FYEG structure, in line with FYEG
1370 IRPs when appropriate

1371 • Dismissal/expulsion

1372 Depending on the seriousness of the allegations, the EC, upon request of the
1373 Awareness Group may suspend someone from taking part in any FYEG structure or
1374 activity during the duration of the process. Confidentiality of the survivor
1375 will be maintained.

1376 In case of sexual harassment, violence or discrimination by a member of an
1377 elected body within FYEG (Financial Control Committee, Advisory Committee or
1378 Ecosprinter Board) the EC can exclude the offender after consulting the full
1379 MOs. (cf. 2.2.2). If the case arises within the EC, the Advisory Committee can
1380 exclude the offender after consulting the full MOs.

1381 The nature of the sanctions will depend on the gravity and extent of the
1382 harassment. Suitable deterrent sanctions will be applied to ensure that
1383 incidents of sexual harassment are not treated as trivial. Certain serious
1384 cases, including physical violence, will result in the immediate dismissal of
1385 the harasser.

1386 Guidelines for persons of contact

1387 Read the protocol and understand every aspect

1388 What is sexual harassment? It is unwanted behaviour of a sexual nature which:

1389 • Violates your dignity

1390 • Makes you feel intimidated, degraded or humiliated

1391 • Creates a hostile or offensive environment

1392 Sexual harassment “can include, but is not limited to”, these examples:

1393 • Touching, pinching, stroking, squeezing, or brushing against someone

1394 • Leering or ogling

1395 • Making LGBTIAQ+-phobic or GSRM (Gender, Sexual and Romantic Minorities)-
1396 phobic comments and sexually suggestive signals, winking

1397 • Sending unwanted e-mails, text messages, posting sexually-explicit jokes
1398 or content on FYEG communication channels

1399 • Sexual comments or jokes

1400 • Making insults based on a person’s sex or rating their sexuality

1401 • Turning work discussions to sexual topics

1402 • Physical behaviour, including unwanted sexual advances, touching and
1403 various forms of sexual assault

1404 • Displaying pictures, photos or drawings of a sexual nature

1405 Remember: Whether harassing intentionally or unintentionally, we all have a
1406 responsibility to monitor our behaviour and respect each other. Anyone who
1407 reports an incident has the right to remain anonymous. They also have the right
1408 to feel safe and respected.

1409 Listen and Support

1410 It's tough to be prepared when someone tells you that they have been the
1411 survivor of sexual harassment. Remember, you can only provide support

1412 Support and understanding are essential. It takes a lot of courage for a

1413 survivor to share their experience;

1414 Try to provide a safe/non-judgmental environment, emotional comfort and support
1415 for the survivor to express feelings;

1416 Let them know that they can talk with you. Listen. Don't rush to provide
1417 solutions.

1418 Believe

1419 The most common reason people choose not to tell anyone about sexual abuse is
1420 the fear that the listener won't believe them. People rarely lie or exaggerate
1421 about abuse; if someone tells you, it's because they trust you and needs someone
1422 to talk to.

1423 People rarely make up stories of abuse. It is not necessary for you to decide if
1424 they were "really hurt." If the survivor says they were hurt, that should be
1425 enough

1426 Believe what the person tells you. It may have been difficult for them to talk
1427 to you and trust you. Unless proven wrong harassment has happened.

1428 Reassure

1429 Sexual assault is NEVER the survivor's fault. No one asks to be sexually
1430 assaulted by what they wear, say or do. Let the survivor know that only the
1431 perpetrator is to blame;

1432 The survivor needs to hear that fears, anxieties, guilt and anger are normal,
1433 understandable and acceptable emotions;

1434 Remember, no one ever deserves to be abused or harassed.

1435 Be Patient

1436 Don't press for details – let the person decide how much to tell you. Ask them
1437 how you can help;

1438 Survivors have to struggle with complex decisions and feelings of powerlessness,
1439 trying to make decisions for them may only increase that sense of powerlessness;

1440 You can be supportive by helping them to identify all the available options and

1441 then help them by supporting their decision making process (here refer to the
1442 protocol).

1443 The survivor can't just "forget it" or just move on. Recovery is a long term
1444 process and each individual moves at their own pace

1445 Encourage

1446 Encourage the survivor to seek medical attention, report the assault, and or
1447 contact a professional if needed. Remember, the survivor must ultimately make
1448 the decision as to what to do. They are the experts in their own lives. Don't
1449 push. Remember, support their choices no matter what they decide.

1450 Respect Privacy - Confidentiality

1451 Don't tell others what the survivor tells you. Let the individual decide who
1452 they will tell. It is important not to share information with others who are not
1453 involved;

1454 If you do need to share information for their safety, get permission by letting
1455 them know what you will share and with whom it will be shared; ie. the rest of
1456 contact points in case of a formal complaint

1457 Establish Safety

1458 An important part of helping the survivor is to identify ways in which the
1459 survivor can re-establish their sense of physical and emotional safety. You are
1460 a step in the process. Ask them what would make them feel safe and how you can
1461 help them accomplish this.

1462 If the stalking or harassment is ongoing, help them to develop a plan of what to
1463 do if they are in immediate danger. Having a specific plan and preparing in
1464 advance can be important if the harassment escalates.

1465 Things you can say

1466 It is hard to know what to say to a person when they confide in you. Refrain
1467 from asking a lot of questions, instead, support them with these phrases. Let
1468 the person know that you believe that they have the strength and capacity to
1469 heal.

1470 • It's not your fault

1471 • I'm sorry this happened

1472 • I believe you

1473 • How can I help you?

1474 • I am glad you told me

1475 • I'll support your choices

1476 • You're not alone

1477 Use of inclusive language

1478 FYEG aims to use language in its communications and its events that reflects the
1479 level of English spoken within an organisation of mostly non-native speakers.
1480 FYEG promotes the use of inclusive and accessible language within the
1481 organisation. FYEG attempts to reduce the shame of using simple language. We do
1482 this to make sure that everyone feels welcome to participate and contribute.
