

## I1 A6: Internal Rules of Procedure

Proposers

FYEG EC

### Motion text

Insert after line 455:

The Executive Committee strives to reach consensus, with any member able to call a vote if consensus cannot be reached; decisions are made by a simple majority, disregarding abstentions. If no majority is secured after two consecutive votes, the decision is postponed to the next meeting for further attempts to reach a consensus. If voting fails again in the subsequent meeting, the decision is deemed against.

### Reason

In the context of the crisis that took place within the EC, the AC recommended clarifying if the EC works through consensus and/or through votes, and when and how the votes are taking place (if applicable).
