

I1 A6: Internal Rules of Procedure

Proposers

FYEG EC

Motion text

Insert after line 455:

The Executive Committee strives to reach consensus, with any member able to call a vote if consensus cannot be reached; decisions are made by a simple majority, disregarding abstentions. If no majority is secured after two consecutive votes, the decision is postponed to the next meeting for further attempts to reach a consensus. If voting fails again in the subsequent meeting, the decision is deemed against.

Reason

In the context of the crisis that took place within the EC, the AC recommended clarifying if the EC works through consensus and/or through votes, and when and how the votes are taking place (if applicable).
