

## I1 A8 Compromised: Internal Rules of Procedure

Proposers

FYEG EC

### Motion text

In line 467:

~~an EC member~~ Any individual can ~~not~~ hold a maximum of two different mandates in one particular role within the ~~same role~~ EC across the course of their lifetime. For example, they could be Co-spokesperson for two mandates, and EC member for one mandate, but they could not be Co-spokesperson for three mandates.

An EC member is either a co-spokesperson, a treasurer or a regular EC member: the roles cannot be accumulated.

### Reason

COMPROMISE AMENDMENT:

*Additional paragraph inserted into amendment.*

The original wording was confusing, and the EC understands it refers to the fact that one cannot be both cospokes and treasurer, for example. The impossibility to accumulate roles is made clear by the elections regulations, but we deem needed a line to make clear that the roles cannot be accumulated
