Title: PP1 A5: Political Platform

Political Platform text

Insert from line 1073 to 1076:

order to create a more sustainable and fair approach to the economy, our economic system has to change. It must serve humans, non-humans, and our ecosystems, not billionaires.

It is time to rethink how we do economics, in service of the sustainable satisfaction of universal human needs at a global level instead of profit, considering the economy as embedded in society and the environment, following an ecological economics perspective.

Reason

This amendment is part of a overall suggestion from the Beyond Growth Platform after the revision of the Political Platform. The amendments were submitted as an only amendment to the text, but were re-submitted separately to facilitate the debate during the GA.

The amendments are in line with the resolution on Degrowth (R5) tabled by the EC following the request of the Beyond Growth Platform.
