

I1 A3: Internal Rules of Procedure

Proposers

Executive Committee

Motion text

In line 1024:

Each resolution should be supported by at least ~~one~~three Member Organisationss

Reason

With this amendment, we are aiming to encourage member organizations to work together and to increase the diversity of perspectives represented at the initial resolution drafting process before it is discussed at the General Assembly. We are already seeing positive tendencies in member organization collaboration to write resolutions, and we want to further support that being the norm rather than the exception.
